## PASSENGER INFORMATION

**Kansas City Passengers** - Air Midwest passengers may purchase tickets and check in for flights at Gate B-26.

**Denver Passengers** - The Air Midwest ticket counter is conveniently located on the upper level near door #1 and #2.

**Wichita Passengers** - Passengers should check in at the Air Midwest ticket counter to check their bags and purchase tickets. They should then proceed to Gate 9.

**Reconfirmation** - Please confirm your reservations after a stop-over of more than twelve hours. Reconfirmation is necessary at least six hours before departure in order to assure your reservations. If you originally booked your reservation on another carrier and do not claim your reservation with Air Midwest, and have continuing transportation, the remainder of your reservation will be cancelled.

**Check In Time for Flights** - In the interest of on-time service to all passengers, reservations not claimed twenty minutes for ticketed passengers and thirty minutes for unticketed passengers prior to the scheduled flight time are subject to cancellation.

**Compensation to Passenger for Failure to Provide Confirmed Space** - as specified in Local and Joint Passenger Rules Tarrif No. PR-6 C.T.C. (A) No. 53, C.A.B. No. 142 and subject to certain exceptions stated therein, when Air Midwest is (a) unable to accommodate a passenger on a flight for which he is ticketed and holds confirmed space and such flight is unable to accommodate the passenger and departs without him and (b) fails to arrange alternate means of transportation which is planned to arrive at passenger's next point of stopover or destination (1) earlier than, (2) not later than two hours in the case of transportation between two points in the U.S. or (3) not later than four hours in the case of transportation between a point in the U.S. and a point outside the U.S., the planned arrival time of the flight for which he held confirmed space, Air Midwest is required to tender to such passenger liquidated damages in the amount of the value of the first remaining flight coupon of the ticket but not less than \$25.00 and not more than \$200.00. Acceptance of the amount tendered will constitute full compensation for actual or anticipatory damages incurred or to be incurred by the passenger as a result of Air Midwest's failure to provide the passenger with confirmed reserved space.

**Military** - Military leave reservation fares, which are approximately 75% of the S class fare, permits reservations on all flights. These fares are available to military personnel of U.S.A. on official leave traveling at their own expense.

**Baggage Information** - Passengers traveling wholly within the United States (excluding Alaska), and Canada are permitted to carry three bags which do not exceed the following sizes (add greatest outside length plus greatest outside height):

1st bag	62 inches
2nd bag	55 inches
3rd bag	37 inches

The third bag may be checked for carriage in the baggage compartment or retained in the passenger's custody for carriage onboard, provided it is capable of being stored under a passenger's seat. Baggage in excess of this number is charged \$5.00 per bag. Dogs, cats and birds are charged on a per kennel basis of \$15.00 per kennel regardless of other baggage carried by the passenger.

Air Midwest will not accept for carriage as baggage any bag the total dimensions of which exceeds 80 inches or which weighs more than 70 pounds. Baggage exceeding these dimensions will be carried as air freight and charged as such.

It is required that passenger identification including name and home address be attached to the outside of all checked baggage. It is recommended that identification also be attached to unchecked baggage. Baggage labels for this purpose are available at all Air Midwest offices.

**Restricted Articles** — Articles such as compressed gases, acids, explosives, matches, flammable or combustible liquids, solids, mercury, corrosive liquids, radioactive materials and other restricted articles cannot be packed in baggage. AM or FM radio receivers and TV receivers cannot be used on board aircraft in order to avoid disturbance to the aircraft's electronic navigation equipment, nor may "visible fluid" lighters be used on board aircraft. Passengers are not permitted to carry a firearm or other deadly weapon or ammunition on their person, in carry-on baggage or checked baggage unless specifically authorized by TWA and then only in accordance with Federal Air Regulations.

**Baggage Liability** - Airline liability for the loss or damage to baggage and/or personal property is limited to its actual value, but not more than \$500 (\$750 effective April 19) per passenger on domestic trips unless a higher valuation is declared and paid for prior to the departure of the flight.

On trips wholly within the United States, preliminary notice of loss or delay must be submitted in writing within four hours after arrival of the flight and claims for loss or damage must be submitted in writing within 45 days from date of travel.

Airlines are not liable for damage to or breakage of fragile articles or liquid packed in baggage or any damage resulting therefrom.

**Children** - One child under two years not occupying a seat is carried free with each accompanying adult passenger. Children under two years occupying a seat, or two years and under 12 years, accompanied by a passenger at least 12 years of age are charged 66-2/3% of the adult fare. Children two years and under 12 years must be accompanied.

**Schedules, Fares and Responsibility** — All schedules shown herein are for information only. Air Midwest reserves the right to cancel or change schedules without notice. Safety is our primary consideration. Schedules shown are based on expected flying times.
