**Schedule Subject To Change Without Notice**

### Saab Fairchild 340

Beginning April 1, 1985, Air Midwest will introduce service with a new-generation 30-passenger airplane, the Saab-Fairchild 340. We will be able to offer inflight service on all SF-340 flights. The SF-340 features a stand-up cabin and a flight attendant in addition to the 30 passenger seats. Air Midwest will be putting five SF-340's into service in 1985. These new planes will be additions to our fleet of 24 Fairchild Metros.

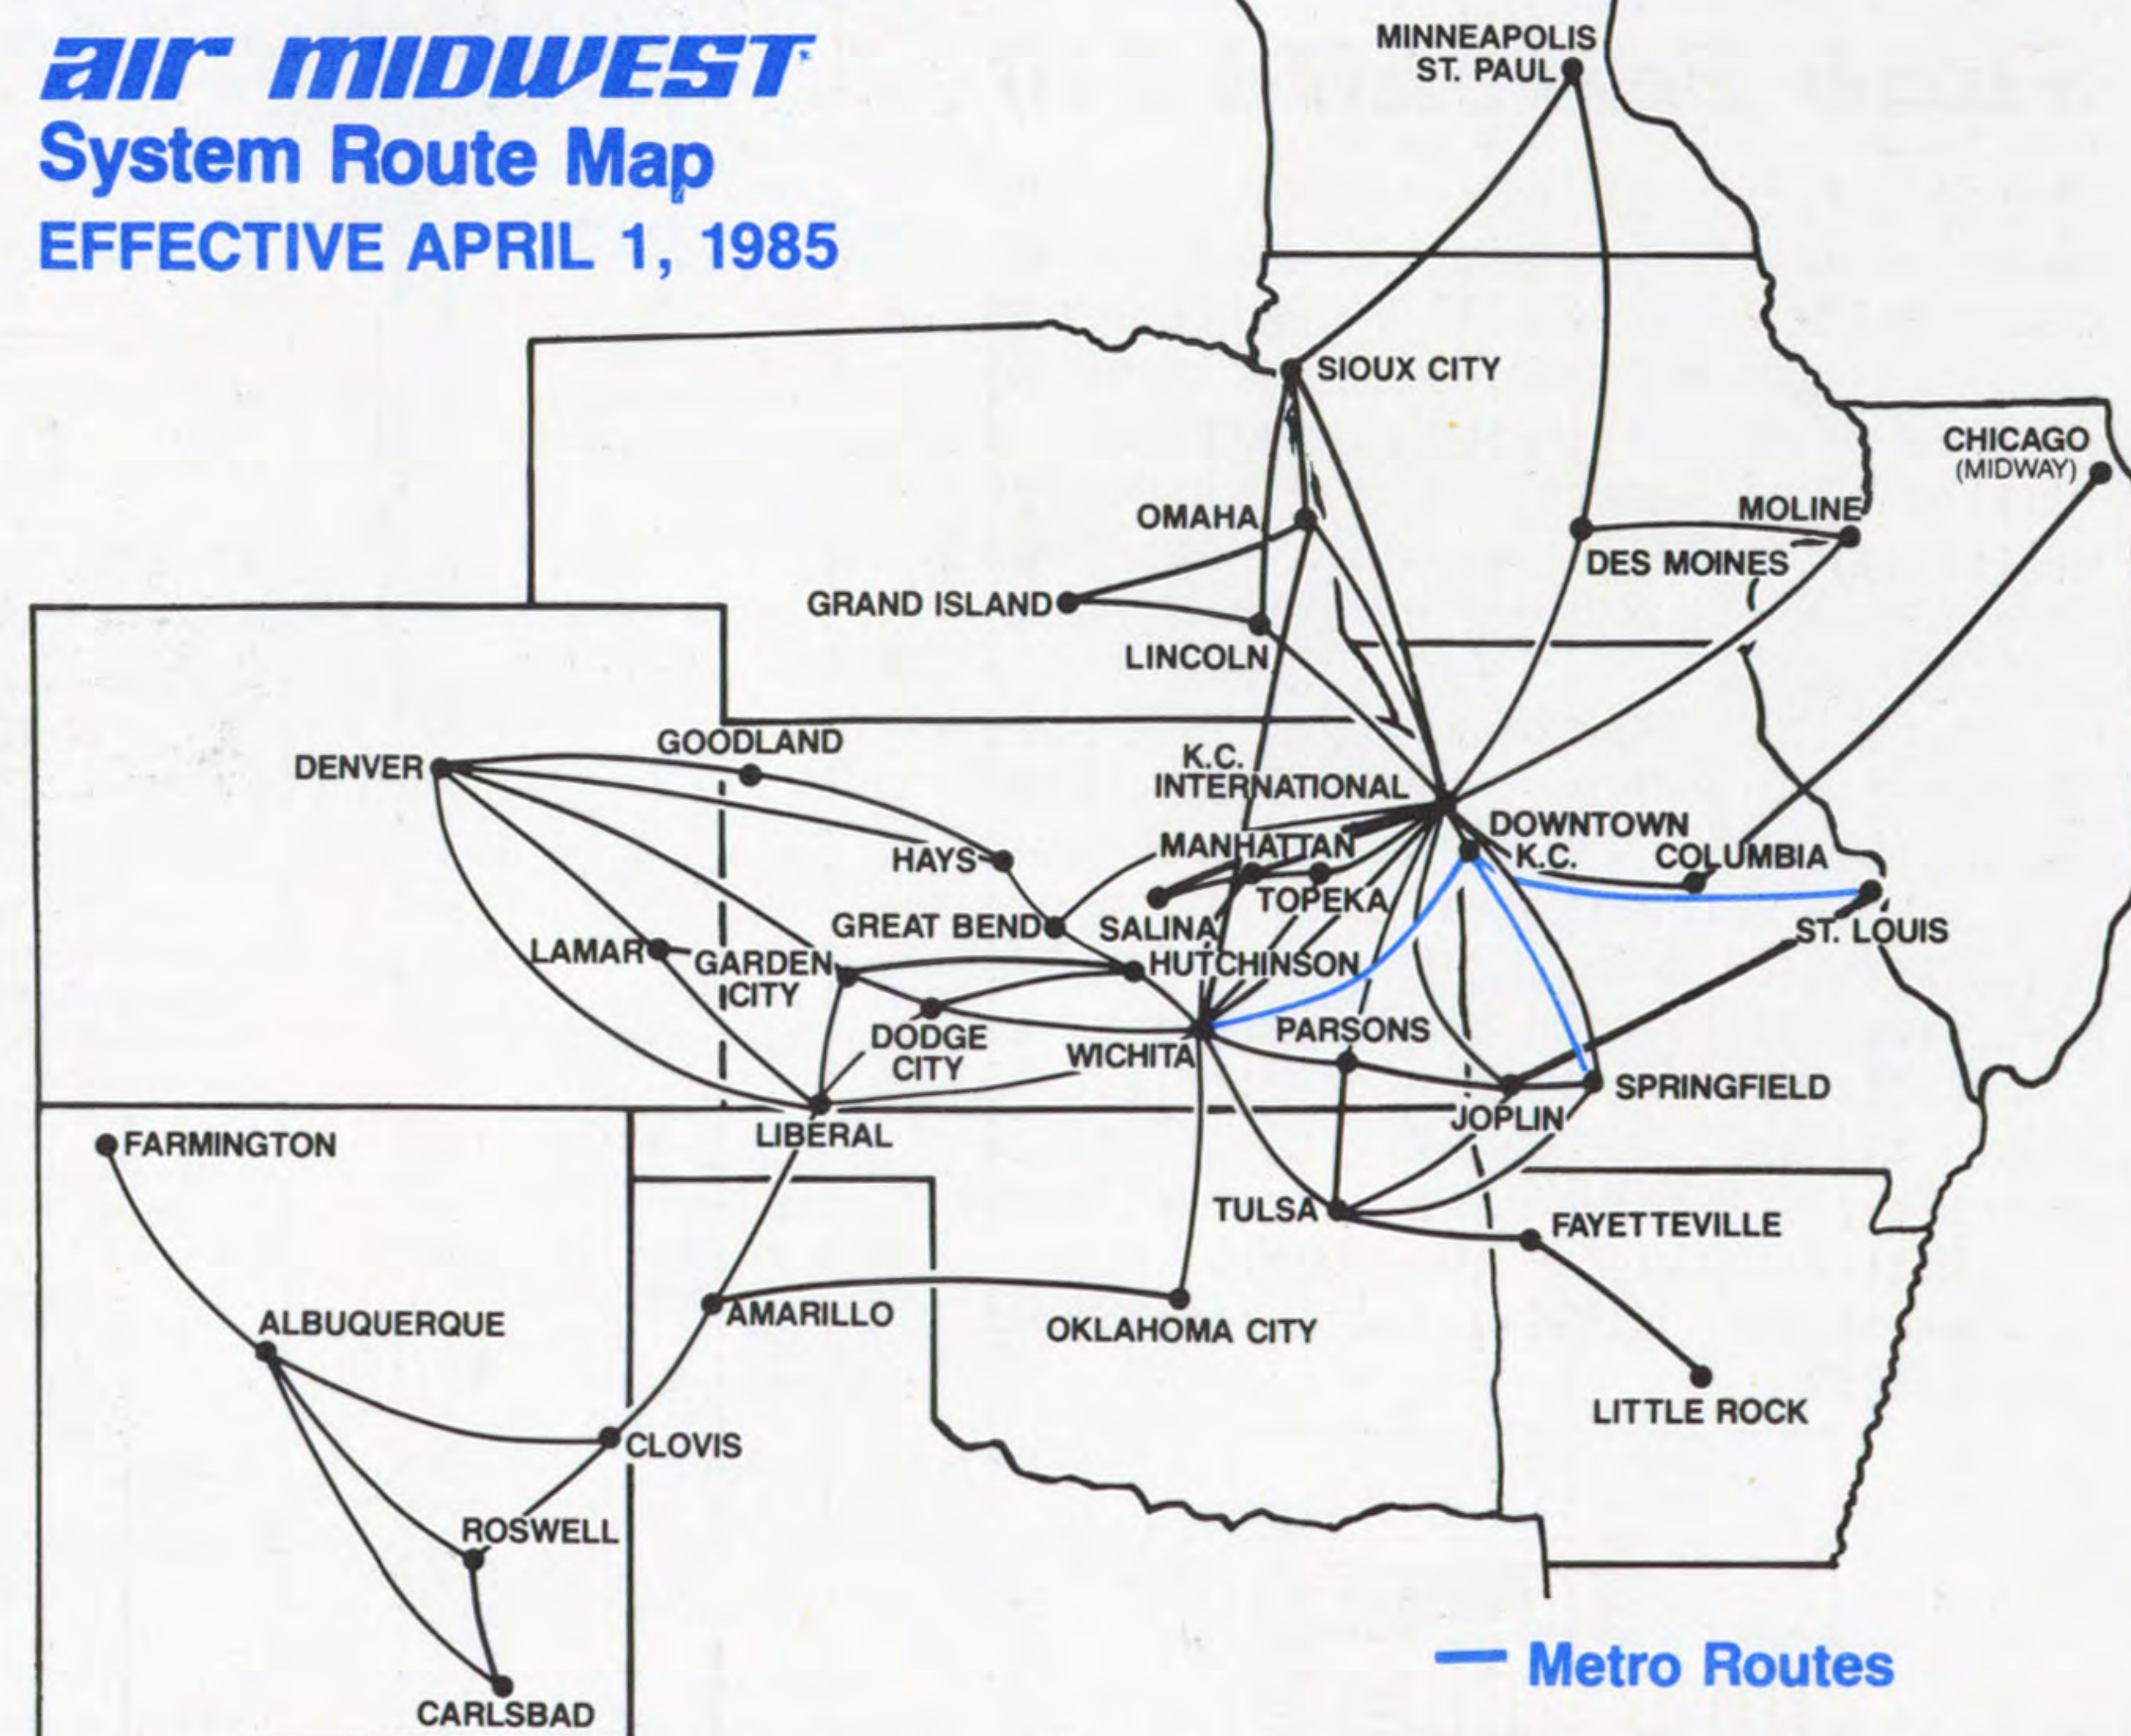

We will depict SF-340 flight numbers in boldface type beginning with our April 1st System Timetable. The Fairchild Metro service will be shown in regular type. In the example shown below, the equipment used for flight 201 is a Saab-Fairchild 340. Please note the addition of the letter "B" under the heading MIs. This indicates that flight 201 will have breakfast served enroute. Flight 917 will be operated with a Fairchild Metro. There will be no inflight service offered on Metro flights.

The employees at Air Midwest look forward to serving you in 1985!!!
