Schedule Subject To Change Without Notice

Passenger Information

RECONFIRMATION — Please reconfirm your reservations after a stopover of more than twelve hours. Reconfirmation is necessary at least six hours before departure in order to assure your reservations. If you originally booked your reservation with another carrier and do not claim your reservation with Air Midwest and have continuing transportation, the remainder of your reservation will be cancelled.

CHECK IN TIME FOR FLIGHTS — Due to the increase of passengers in air travel, Air Midwest requires all passengers to meet the check in time limit of 10 minutes before scheduled departure at the ticket lift point. Unticketed passengers must check in at the ticket counter 30 minutes prior to scheduled departure. Failure to comply with these rules will result in the cancellation of the passenger's reservation and will render the passenger ineligible for denied boarding compensation.

BAGGAGE INFORMATION — Passengers travelling wholly within the United States (excluding Alaska), and Canada are permitted to carry three bags which do not exceed the following sizes (add greatest outside lengths plus greatest outside height)

1st bag 62 inches 2nd bag 55 inches 3rd bag 37 inches

The third bag may be checked for carriage in the baggage compartment or retained in the passenger's custody for carriage onboard, provided it is capable of being stored under a passenger's seat. Baggage in excess of this number is charged \$10.00 for the first and \$25.00 for each bag thereafter. Dogs, cats and birds are charged on a per kennel basis of \$20.00 per kennel regardless of other baggage carried by the passenger.

Baggage exceeding 80 inches or weighing 70-100 pounds will be charged \$10.00 per bag. Any bag weighing over 100 pounds will be shipped as air freight and will be charged accordingly.

It is required that passenger identification including name and home address be attached to the outside of all checked baggage. It is recommended that identification also be attached to unchecked baggage. It is strongly recommended to also include this information inside your bag for the benefit of lost luggage identification. Baggage labels for this purpose are available at all Air Midwest offices.

FIREARMS — Federal regulations require that firearms in checked baggage be unloaded and declared at the time of check-in.

BAGGAGE LIABILITY — Airline liability for the loss of damage to baggage and/or personal property is limited to its actual value, but not more than \$1250 per passenger on domestic trips unless a higher valuation is declared and paid for prior to the departure of the flight. Air Midwest is not responsible for money, jewelry, perishable items and other valuables placed either in checked or carry-on baggage.

On trips wholly within the United States, preliminary notice of loss or delay must be submitted in writing within four hours after arrival of the flight and before leaving the airport. Claims for the loss or damage must be submitted in writing within 45 days from date of travel.

Air Midwest is not liable for damage to or breakage of fragile articles or liquid packed in baggage or any damage resulting therefrom.

SCHEDULES, FARES AND RESPONSIBILITY — All schedules are for information only and Air Midwest reserves the right to cancel or change schedules without notice. Safety is our primary consideration. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be absolutely guaranteed.

Fares are based upon Air Midwest Tariffs and all transportation is sold subject to these tariffs.

PLEASE DON'T BE A NO SHOW — If you are unable to use your reservation, please let us know. When your plans change or you decide to travel by some other means we welcome a telephone call so we can make a confirmed seat available to another passenger. The no show percentage approaches 30 percent on our peak period flights. Often many of our customers who need confirmed seats cannot be accommodated because of reserved space that will not be used. So please give us a call if your plans change. You'll be helping your fellow travelers and you'll be helping Air Midwest to serve you better.

NOTICE - OVERBOOKING OF FLIGHTS — Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.
