### General Information

**CONTRACT TERMS** Transportation on ValuJet Airlines is subject to the terms of our contract of carriage, which may be inspected at any ValuJet Airlines ticket counter. These include provisions on reservations, claim restrictions, our rights to change the contract, refusal to transport, limits on liability, and delays or failure to perform service, among other things. Ask us for details, or how you may get a copy of the complete contract. Please note that fares are subject to change up until purchase of ticket.

**CREDIT CARDS** ValuJet Airlines will accept American Express, MasterCard and VISA.

**CUSTOMER CHECK-IN PROCEDURES** Customers presenting themselves at the ValuJet boarding gate less than ten minutes before scheduled departure of a flight will lose their reservations and will not be eligible for denied boarding compensation.

**BOARDING PROCEDURE** ValuJet customers checking in at the gate will receive a numbered boarding pass. Those with passes 1 through 30 will board first; then 31 through 60; 61 through 90, and so forth. Boarding pass numbers are given in relation to time of check-in. We recommend customers check in at least 30 minutes in advance of the flight.

**AIRCRAFT** ValuJet Airlines utilizes McDonnell Douglas DC-9 jets.

**ON-BOARD SERVICE** ValuJet Airlines serves complimentary coffee, juices, cold drinks and snacks on all flights. Cocktails are \$3, and beer and wine are \$2 on all flights. ValuJet does not serve meals while in flight.

**NO SMOKING** Per federal law, smoking is prohibited on all ValuJet flights.

**SECURITY** For your security, all customers and their hand-carried items must be inspected in accordance with the government-sponsored security program. It is recommended that customers proceed through the security checkpoint at least 30 minutes prior to departure time.

**HAZARDOUS MATERIAL** Federal regulations restrict carriage on aircraft of items classified as hazardous materials. These materials include, but are not limited to, flammable gases—liquid and solid, nonflammable compressed gas, explosives, poison, corrosives, oxidizing agents, radioactive material, etiologic agents, and magnetized material.

**LUGGAGE** Checked baggage should be locked. Regulations require name identification on the outside. We recommend placing identification on the inside of luggage, too. Name labels are available at ValuJet Airlines ticket counters. Carrier will not be responsible for money, jewelry, cameras, video and electronic equipment, silverware, negotiable papers, securities, business documents, samples, paintings, antiques, artifacts, manuscripts, furs, irreplaceable books, or publications and similar valuables contained in checked or un-checked baggage. Fragile articles and perishables are accepted as checked baggage only at the customer's own risk. Checked baggage is subject to inspection and customers may be required to present identification.

**A. Free Baggage Allowance.** For each ticketed customer, ValuJet allows three (3) checked pieces, with size limitations.

**B. Excess Baggage.** Excess baggage will be charged at the rate of \$20.00 for each piece checked thereafter.

**C. Weight And Size Allowance.** The maximum weight is 70

pounds and maximum size is 62 inches for the first piece of baggage. Additional checked baggage may not exceed 55 inches or 70 pounds. All over-size items will be charged at the rate of \$25.00 per item.

**D. Liability.** Unless excess value is declared and charges paid at the time of check-in, ValuJet Airlines' liability for lost, damaged or delayed baggage is limited to \$1,250 per fare-paying customer.

**E. Claims.** Damaged or lost baggage must be reported, in person, within four hours of customer's arrival at destination.

**F. Carry-on Baggage.** All customers traveling on ValuJet Airlines will be restricted to one carry-on item. No carry-on item may exceed overall dimensions of 45 inches and must fit under the seat or in the overhead bin. Any heavy item must be placed underneath the customer's seat. Any item with inflexible surfaces must be placed underneath the customer's seat or flat on the floor of an overhead bin. For additional information regarding military baggage or sporting equipment, please call ValuJet Reservations.

**G. Animals.** ValuJet Airlines does not accept live animals other than assistance animals trained to aid persons with impaired vision and/or hearing.

**CHECK ACCEPTANCE POLICY** Personal checks made payable to ValuJet Airlines for exact amount of purchase must include imprinted name, mailing address and telephone number. A valid driver's license with picture (or valid passport) is required. Company checks can be made payable to ValuJet Airlines for the exact amount of ticket purchase. Proper identification of person presenting check (valid driver's license and valid company identification) is required.

**HOLIDAY CANCELLATIONS** Certain flights will not operate during holiday periods. Contact ValuJet Airlines for details.

**INFANTS AND CHILDREN** One child over 14 days and under two (2) years of age, not occupying a seat, may be carried free with a customer paying the applicable adult fare. A birth certificate is required to validate age of all infants under age two.

**UNACCOMPANIED CHILDREN** Children must be at least five (5) years of age to travel unaccompanied, and may do so on any flight that carries them directly to their destination without a change of aircraft; except that any children at least eight (8) years of age may travel unaccompanied, whether or not their itinerary involves a change of aircraft. These children travel at the regular adult fare for the flight. When making reservations, please advise the Reservations Agent that the booking is for an unaccompanied child. To ensure a pleasant travel experience, ValuJet asks that you have the unaccompanied child check in at the departure gate at least 45 minutes prior to departure. The child will be preboarded and identified to the Flight Attendant as an unaccompanied child. Those unaccompanied children arriving too late to be preboarded will be boarded last to ensure identification to the Flight Attendant. The child will be escorted off the aircraft by a Flight Attendant and released to the designee or another designated ValuJet employee. ValuJet Airlines will require the party picking up the unaccompanied child to produce positive identification and sign a release. In some cases, there may be a wait in receiving the child due to ValuJet personnel being engaged in the departure of another aircraft. ValuJet Airlines hopes you will understand the time spent is for the safety of your unaccompanied child.
