These include provisions on 1) Limits on liability for personal injury or death. 2) Limits on liability for baggage, including fragile or perishable goods, and availability of excess valuation coverage. 3) Claims restrictions, including time periods in which passengers must file a claim or bring an action against the air carrier. 4) Rights of the air carrier to change terms of the contract. 5) Rules on reconfirmation of reservations, check-in times, and refusal to carry. 6) Rights of the air carrier and limits on liability for delay or failure to perform service, including schedule changed, substitution of alternate air carriers or aircraft and rerouting. Ask us for details, or how you may get a copy of the complete contract. Please note that fares are subject to change until the purchase of a reservation. All AirTran fares are one-way and non-refundable. Schedules are subject to change without notice. Amounts shown are all U.S. dollars.

CREDIT CARDS AirTran Airlines accepts American Express, Diners Club, Discover Card, MasterCard and VISA.

CUSTOMER CHECK-IN PROCEDURES Customers presenting themselves at the AirTran gate less than ten minutes before scheduled departure of a flight may lose their reservations and, if so, will not be eligible for denied boarding compensation.

BOARDING PROCEDURES AirTran customers will receive seat assignments at the gate. Courtesy boarding is provided for unaccompanied minors, passengers traveling with small children and passengers requiring special assistance. After courtesy boarding, business class passengers will be allowed to board the aircraft. General boarding then begins by boarding those passengers seated in the rear of the aircraft first and then working forward. AirTran recommends that passengers check in at least 45 minutes in advance of the flight.

NOTICE OF OVERBOOKING OF FLIGHTS Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a reservation. The complete rules for the payment of compensation and the airline's boarding priorities are available at all airport customer service counters and boarding locations.

AIRCRAFT AirTran Airlines utilizes McDonnell Douglas DC-9 jets.

ON-BOARD SERVICE AirTran Airlines serves complimentary coffee, juices, cold drinks and snacks on all flights. Cocktails are \$4, and beer and wine are \$3 on all flights. AirTran does not serve meals while in flight.

NO SMOKING Per federal law, smoking is prohibited on all AirTran flights.

SECURITY For your security, all customers and their hand-carried items must be inspected in accordance with the government-sponsored security program. It is recommended that customers proceed through the security checkpoint at least 1 hour prior to departure time.

HAZARDOUS MATERIAL Federal regulations restrict carriage on aircraft of items classified as hazardous materials. These materials include, but are not limited to, flammable gases—liquid and solid, nonflammable compressed gas, explosives, poison, corrosives, oxidizing agents, radioactive material, etiologic agents, and magnetized material.

LUGGAGE Checked baggage should be locked. Regulations require name identification on the outside. We recommend placing identification on the inside of luggage, too. Name labels are available at AirTran Airlines customer service counters. Carrier will not be responsible for money, jewelry, cameras, video and electronic equipment, silverware, negotiable papers, securities, business documents, samples, paintings, antiques, artifacts, manuscripts, furs, irreplaceable books, or publications and similar valuables contained in checked or unchecked baggage. Fragile articles and perishables are accepted as checked baggage only at the customer's own risk. Checked baggage is subject to inspection and customers may be required to present identification.

A. FREE BAGGAGE ALLOWANCE. For each fare-paying customer, AirTran allows three (3) checked pieces, with size limitations.

B. EXCESS BAGGAGE. Excess baggage will be charged at the rate of \$20 for each piece checked thereafter.

General Information con't.

C. **WEIGHT AND SIZE ALLOWANCE.** The maximum weight is 70 pounds and maximum size is 62 inches for the first piece of baggage. Additional checked baggage may not exceed 55 inches or 70 pounds.

D. **CARRY-ON BAGGAGE.** All customers traveling on AirTran Airlines will be restricted to one carry-on item. Handbags, umbrellas, walking sticks, crutches, coats, cameras, reading matter, infant food, briefcases and laptop computers do not constitute carry-on items. No carry-on item may exceed overall dimensions of 45 inches and must fit under the seat or in the overhead bin. Any heavy item must be placed underneath the customer's seat. Any item with inflexible surfaces must be placed underneath the customer's seat or flat on the floor of an overhead bin. For additional information regarding military baggage or sporting equipment, please call AirTran Reservations.

E. **ANIMALS.** Some household animals may be carried in the aircraft cabin subject to size limitations and service charges. Contact AirTran reservations for additional information.

CHECK ACCEPTANCE POLICY Personal checks made payable to AirTran Airlines for the exact amount of purchase must include imprinted name, mailing address and telephone number. A valid driver's license with picture (or valid passport) is required. Company checks made payable to AirTran Airlines for the exact amount of purchase are also accepted. Proper identification of person presenting check (valid driver's license and valid company identification) is required.

INFANTS AND CHILDREN One child over 14 days and under two (2) years of age, not occupying a seat, may be carried free with a customer paying the applicable adult fare. A birth certificate may be required to validate age of all infants under age two.

UNACCOMPANIED CHILDREN Children must be at least five (5) years of age to travel unaccompanied, and may do so on any flight that carries them directly to their destination without a change of aircraft. Any children at least eight (8) years of age may travel unaccompanied, even if their itinerary involves a change of aircraft. Each unaccompanied child travels at the regular adult fare plus a \$25 unaccompanied minor charge. When making reservations, please advise the Reservations Agent that the booking is for an unaccompanied child. To ensure a pleasant travel experience, AirTran asks that you have the unaccompanied child check in at the departure gate at least 45 minutes prior to departure. The child will be courtesy boarded and identified to the Flight Attendant as an unaccompanied child. Those unaccompanied children arriving too late to be courtesy boarded will be boarded last to ensure identification to the Flight Attendant. The child will be escorted off the aircraft by a Flight Attendant and released to the designee or another designated AirTran employee. AirTran Airlines will require the party picking up the unaccompanied child to produce positive identification and sign a release. In some cases, there may be a wait in receiving the child due to AirTran personnel being engaged in the departure of another aircraft. AirTran Airlines hopes you will understand the time spent is for the safety of your unaccompanied child.

INFANTS AND CHILDREN One child over 14 days and under two (2) years of age, not occupying a seat, may be carried free with a customer paying the applicable adult fare. A birth certificate may be required to validate age of all infants under age two.

DENIED BOARDING INFORMATION In the unlikely event that there are more confirmed reservations than seats available on a flight and passengers have followed check-in procedures, AirTran Airways will first request for volunteers to relinquish their seat in return for compensation deemed acceptable by AirTran Airways. In the unlikely event there are no volunteers, AirTran Airways will follow the involuntary procedures thus the last passenger(s) at the gate will be denied boarding.

TRANSPORTATION FOR DENIED BOARDING AirTran Airways will transport passengers who have been denied boarding whether voluntarily or involuntarily, on its next flight at no additional charge to the customer. If AirTran Airways is unable to provide onward transportation, AirTran Airways will attempt to arrange for transportation of the passenger on the first available flight of another airline with which AirTran Airways has an agreement allowing the acceptance of each other's tickets at no additional cost to the passenger. Note: acceptance of denied boarding compensation constitutes full compensation for damages incurred by the passenger as a result of AirTran Airways' failure to provide the passenger with a confirmed seat.

LOST TICKETS Replacement travel will be issued for the original flight itinerary for a \$50 per ticket service charge. Claims will be considered if a lost ticket application is completed and the ticket number is identified. If lost ticket is found and returned within 90 days to AirTran Airways, \$25 of the \$50 service charge will be refunded.

GENERAL FARE INFORMATION Please note travel on AirTran Airways is non-refundable and non-transferable. Seats are limited at certain fares. ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATIONS OF LIABILITY

"Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of a treaty known as the Warsaw Convention may be applicable to the entire journey, including the portion entirely within the countries of departure and destination. For such passengers special contracts of carriage embodied in applicable tariffs provide that the liability of AirTran Airways, Inc. and certain other carrier parties to such special contracts for death of, or personal injury to passengers is limited in most cases to proven damages not to exceed US \$75,000 per passenger", and that this liability up to such limit shall not depend upon negligence on the part of the carrier. For such passengers traveling by a carrier not having such special contracts of carriage or on a journey not to, from, or having an agreed stopping place in the United States of America, liability of the carrier for death or personal injury to passengers is limited in most cases to approximately US \$10,000 or US \$20,000.

"The names of carriers that are party to such special contracts are available at all ticket offices of such carriers and may be examined on request."

"Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under the Warsaw Convention. For further information please consult your airline or insurance company representative."

"NOTE: The limit of liability of US \$75,000 is inclusive of legal fees and costs, except that in jurisdictions where provision is made for separate award of legal fees and costs, the limit shall be the sum of US \$58,000 exclusive of such fees and costs, but in no event shall the amount to which liability is limited exceed US \$75,000 including such fees and costs."
