We've brought the high cost of flying down to earth.

Introducing UniFare.SM

Air Wisconsin announces a departure from the high cost of flying.

It's UniFareSM—the simple connecting fare that will help you get to practically anywhere a lot faster for a lot less.

Working closely with major U.S. airlines, we've set up a system to provide through tickets and through baggage checks for connecting flights, with one Air Wisconsin reservation.

Best yet, your UniFare costs can be *substantially* less than the combined total of the standard individual segment fares. The Air Wisconsin portion, in fact, is so low that, in many cases, it's actually cheaper than driving to a major airport.

For the full story on UniFare, contact your travel advisor, or Air Wisconsin.

Detroit Metro Airport

IMPORTANT INFORMATION

Check-in Times for Flights—In the interest of on-time service for all passengers, we require the following minimum check-in time:

- Unticketed passengers - 30 minutes
- Ticketed passengers - 10 minutes

A confirmed passenger who fails to present himself at the Air Wisconsin ticket/check-in counter in accordance with the above is subject to reservation cancellation even though you hold a ticket.

Re-Confirmation—Please re-confirm your reservation after a stopover of more than 12 hours. Re-confirmation is necessary at least 6 hours before departure in order to assure your reservations.

Baggage Identification—Mandatory—Air Wisconsin will not accept a passenger's baggage unless the passenger's name is on the outside of such baggage. Air Wisconsin will make baggage identification labels available at no cost to the passenger.

Baggage—The maximum free baggage allowance for a fare paying passenger will be two (2) pieces with the total weight not exceeding 70 lbs. and the following dimensions:

- 1st piece—62 dimensional inches (length + width + height)
- 2nd piece—55 dimensional inches (length + width + height)

A 3rd piece may be carried on board the aircraft if it does not exceed the maximum dimensional limit of 45 inches. Government safety regulations issued by the FAA limit carry on baggage and related personal belongings to items that can be stowed in the carry-on compartment. Exempt from these regulations are a lady's pocketbook or handbag and a reasonable amount of clothing and reading material. All other carry on, including briefcases, umbrellas, hat boxes, cameras, musical instruments, binoculars, walking sticks and packages must be of such dimensions that they must be stowed in the carry-on compartment.

Baggage may not be placed in the aisle at any time during the flight or taxi.

Excess Baggage—Articles which do not qualify as free baggage will be charged the rate published in A.T.P. DGR-1, Rule 225. Air Wisconsin is required to assess excess baggage charges for both its own flights, as well as for other connecting airline flights where baggage has been checked with interline baggage tags.

For rules regarding oversize baggage i.e.: military duffel, sea & B-4 refer to DGR-1 Rule 220. (Available for inspection at all Air Wisconsin ticket offices). For conditions and charges for skis, musical instruments, golfing equipment, shooting equipment, bicycles, etc. (see Rule 195).

Baggage Liability—The Company's liability for loss or damage to baggage is limited to the amount published in DGR-1 Rule 230 paragraph (A). You may declare extra value by paying a nominal charge before departure (Rule 230 paragraph (C)). Carrier will not be liable for the loss, damage, or delay in delivery of fragile or perishable articles; money, jewelry, silverware, negotiable papers, securities, or other valuables; spirits, medicine, business documents; band/orchestra equipment; household items; office equipment; cameras/accessories; or samples included in the passenger's checked baggage with, or without, the knowledge of Air Wisconsin (See DGR1, Rule 230, Paragraph B3).

RESTRICTED ARTICLES—Articles such as flammable liquids, corrosives, acids, compressed gasses, matches or other hazardous articles must not be placed in baggage. (In addition, Federal Aviation Regulations limit the carriage of compressed gasses in aerosol cans, such as hair sprays, shaving cream, and deodorants, to 32 ounces per passenger with a maximum of 16 ounces per container.) "Visible Fluid" lighters may not be used on board aircraft. AM and FM radios, TV receiver, portable computers, and other electronic devices must not be used on board aircraft in order to avoid disturbance of the aircraft's electronic navigational equipment. Portable electronic devices such as voice recorders, hearing aids, heart pacemakers and electric shavers will be permitted.

Equipment—British Aerospace 146 Jet, 100 seat (pressurized) de Havilland Dash 7, 50 seat Jet Prop (pressurized).

Responsibility—Air Wisconsin will not be responsible for consequences arising from delays or from errors in the printed schedule. The times and rates shown are subject to change without notice. Equipment substitutions may result from operational requirements or week-end/holiday schedules.

Since holiday schedules may differ, please call your Air Wisconsin reservations office for this information.
