Changes in the air at Air Wisconsin

DEAR CUSTOMER:

The last few months have seen some dramatic changes take place at Air Wisconsin. From a passenger standpoint, we believe these changes will make flying Air Wisconsin more convenient and more appealing than ever before.

First of all, we'd like to announce the beginning of a closer working relationship with our friends at United Airlines. Together, Air Wisconsin and United are forming TEAM USA,[™] with the result being the ability to offer our passengers the best way to more than 180 cities in all 50 states. TEAM USA capitalizes on both airlines' strengths, and together, we'll be able to offer you even more convenient connections for your travel plans.

With the TEAM USA concept, here's what passengers can expect: Instant confirmed reservations on all joint flights. The same thoughtful in-flight service that both Air Wisconsin and United are known for. The combined value of Air Wisconsin's Frequent Flyer Program and United's Mileage Plus Program (ask your Air Wisconsin representative for more details on this). And the convenience of our UniFare[™] system for affordable joint connecting fares. TEAM USA is truly the best way to 50 states!

And you can now use Air Wisconsin's toll-free reservation number from anywhere in the U.S.A. — 1-800-AIR-WISC.

Another change you may not be aware of is our newly acquired status as a national carrier, gained as a result of our merger with Mississippi Valley Airlines of Moline, Illinois. The merger allows us to expand our passenger and cargo service to 30 cities in nine states stretching from Grand Island, Nebraska in the west to New Haven, Connecticut in the east. New cities we are

welcoming into the Air Wisconsin fold are Cedar Rapids, Waterloo, and Dubuque, Iowa; the Quad Cities of Illinois and Iowa; Springfield and Peoria, Illinois; La Crosse, Wisconsin; and Benton Harbor, Michigan.

To accommodate our merged operations, we have consolidated our gates in Terminal D at Chicago O'Hare Airport, Air Wisconsin's primary hub. To those of you who have not traveled on Air Wisconsin, we welcome the opportunity to serve you. And to our established customers, we're confident that we'll be serving you even better with our expanded capabilities and our working partnership with United Airlines. From all of us at Air Wisconsin,

Welcome Aboard,

We've brought the high cost of flying down to earth.

Introducing UniFare.SM

Air Wisconsin announces a departure from the high cost of flying.

It's UniFareSM—the simple connecting fare that will help you get to practically anywhere a lot faster for a lot less.

Working closely with major U.S. airlines, we've set up a system to provide through tickets and through baggage checks for connecting flights, with one Air Wisconsin reservation.

Best yet, your UniFare costs can be *substantially* less than the combined total of the standard individual segment fares. The Air Wisconsin portion, in fact, is so low that, in many cases, it's actually cheaper than driving to a major airport.

For the full story on UniFare, contact your travel advisor, or Air Wisconsin.

Air Wisconsin is required to assess excess baggage charges for both its own flights, as well as for other connecting airline flights where baggage has been checked with interline baggage tags.

For rules regarding oversize baggage i.e.: military duffel, sea & B-4 refer to DGR-1 Rule 220. (Available for inspection at all Air Wisconsin ticket offices). For conditions and charges for skis, musical instruments, golfing equipment, shooting equipment, bicycles, etc. (see Rule 195)

You may declare extra value by paying a nominal charge before departure (Rule 230 paragraph (C)). Carrier will not be liable for the loss, damage, or delay in delivery of fragile or perishable articles; money, jewelry, silverware, negotiable papers, securities, or other valuables; spirits, medicine, business documents; band/orchestra equipment; household items; office equipment, cameras/accessories; or samples included in the passenger's checked baggage with, or without, the knowledge of Air Wisconsin (See DGR1, Rule 230, Paragraph B3).
