GENERAL INFORMATION

Clergy Fares. A minister of religion may travel over all segments of Alaska Airlines' routes at half of the regular fares after purchasing a clergy identification card through the Airlines Clergy Bureau, Sacramento, California or if in possession of an identification card issued by Bonanza, Central, Frontier or West Coast Airlines. Travel is on a space available basis, however, once travel has commenced, clergy passengers will not be removed at intermediate points.

Children's Fares—A child in arms under two years of age will be carried free when accompanied by parent or guardian and provided parent or guardian has paid effective fare. Children under 12 years of age one-half fare.

Baggage—Sixty-six (66) pounds baggage will be carried free on each ticket between Alaska points and points outside Alaska. Forty (40) pounds of baggage will be carried free on each ticket within Alaska. Baggage over the allowable limit will be charged for at the rate per pound of one-half of one percent on the one-way fare with a minimum charge of twenty-five cents. Alaska Airlines liability for any personal property, including baggage whether or not checked or otherwise delivered into the custody of Carrier, is limited to \$100 for each passenger unless a higher valuation is declared and the additional charges required therefor paid before the transportation by air commences.

Family Plan Fares are effective thru April. You buy a full-fare round trip ticket and your spouse and/or all your children from 12 thru 21 fly at only two-thirds of the normal fare. Family fares apply between Fairbanks/Seattle and between Anchorage/Seattle.

Military Standby Fares. Members of our military service on furlough, leave or within 7 days from date of discharge, traveling in uniform, at their own expense may receive a 50% discount. Reservations will not be made but once the military passenger is enplaned, he will not be removed from the flight except to accommodate passengers holding confirmed reservations.
