AlaskaFest

Alaska Airlines is proud to announce a new concept in service aboard all our sleek Boeing 727 fanjets. It's called AlaskaFest, and it's all that its name implies. ■

Unabashed Comfort. You'll be introduced to downright Alaskan hospitality when you step aboard an AlaskaFest flight. Spacious, comfortable interiors enhanced by bright, new colors greet you. And the warm, winning ways of our professional flight attendants will help you enjoy your flight. So stretch out and relax as the majestic landscape of Alaska glides by beneath you. ■

Bring Your Appetite. Part of AlaskaFest is a new standard of excellence in the fine foods and beverages graciously served by our flight attendants. Eye-opening breakfasts, hearty lunches and leisurely dinners, complemented by a beverage list we're truly proud to offer. ■

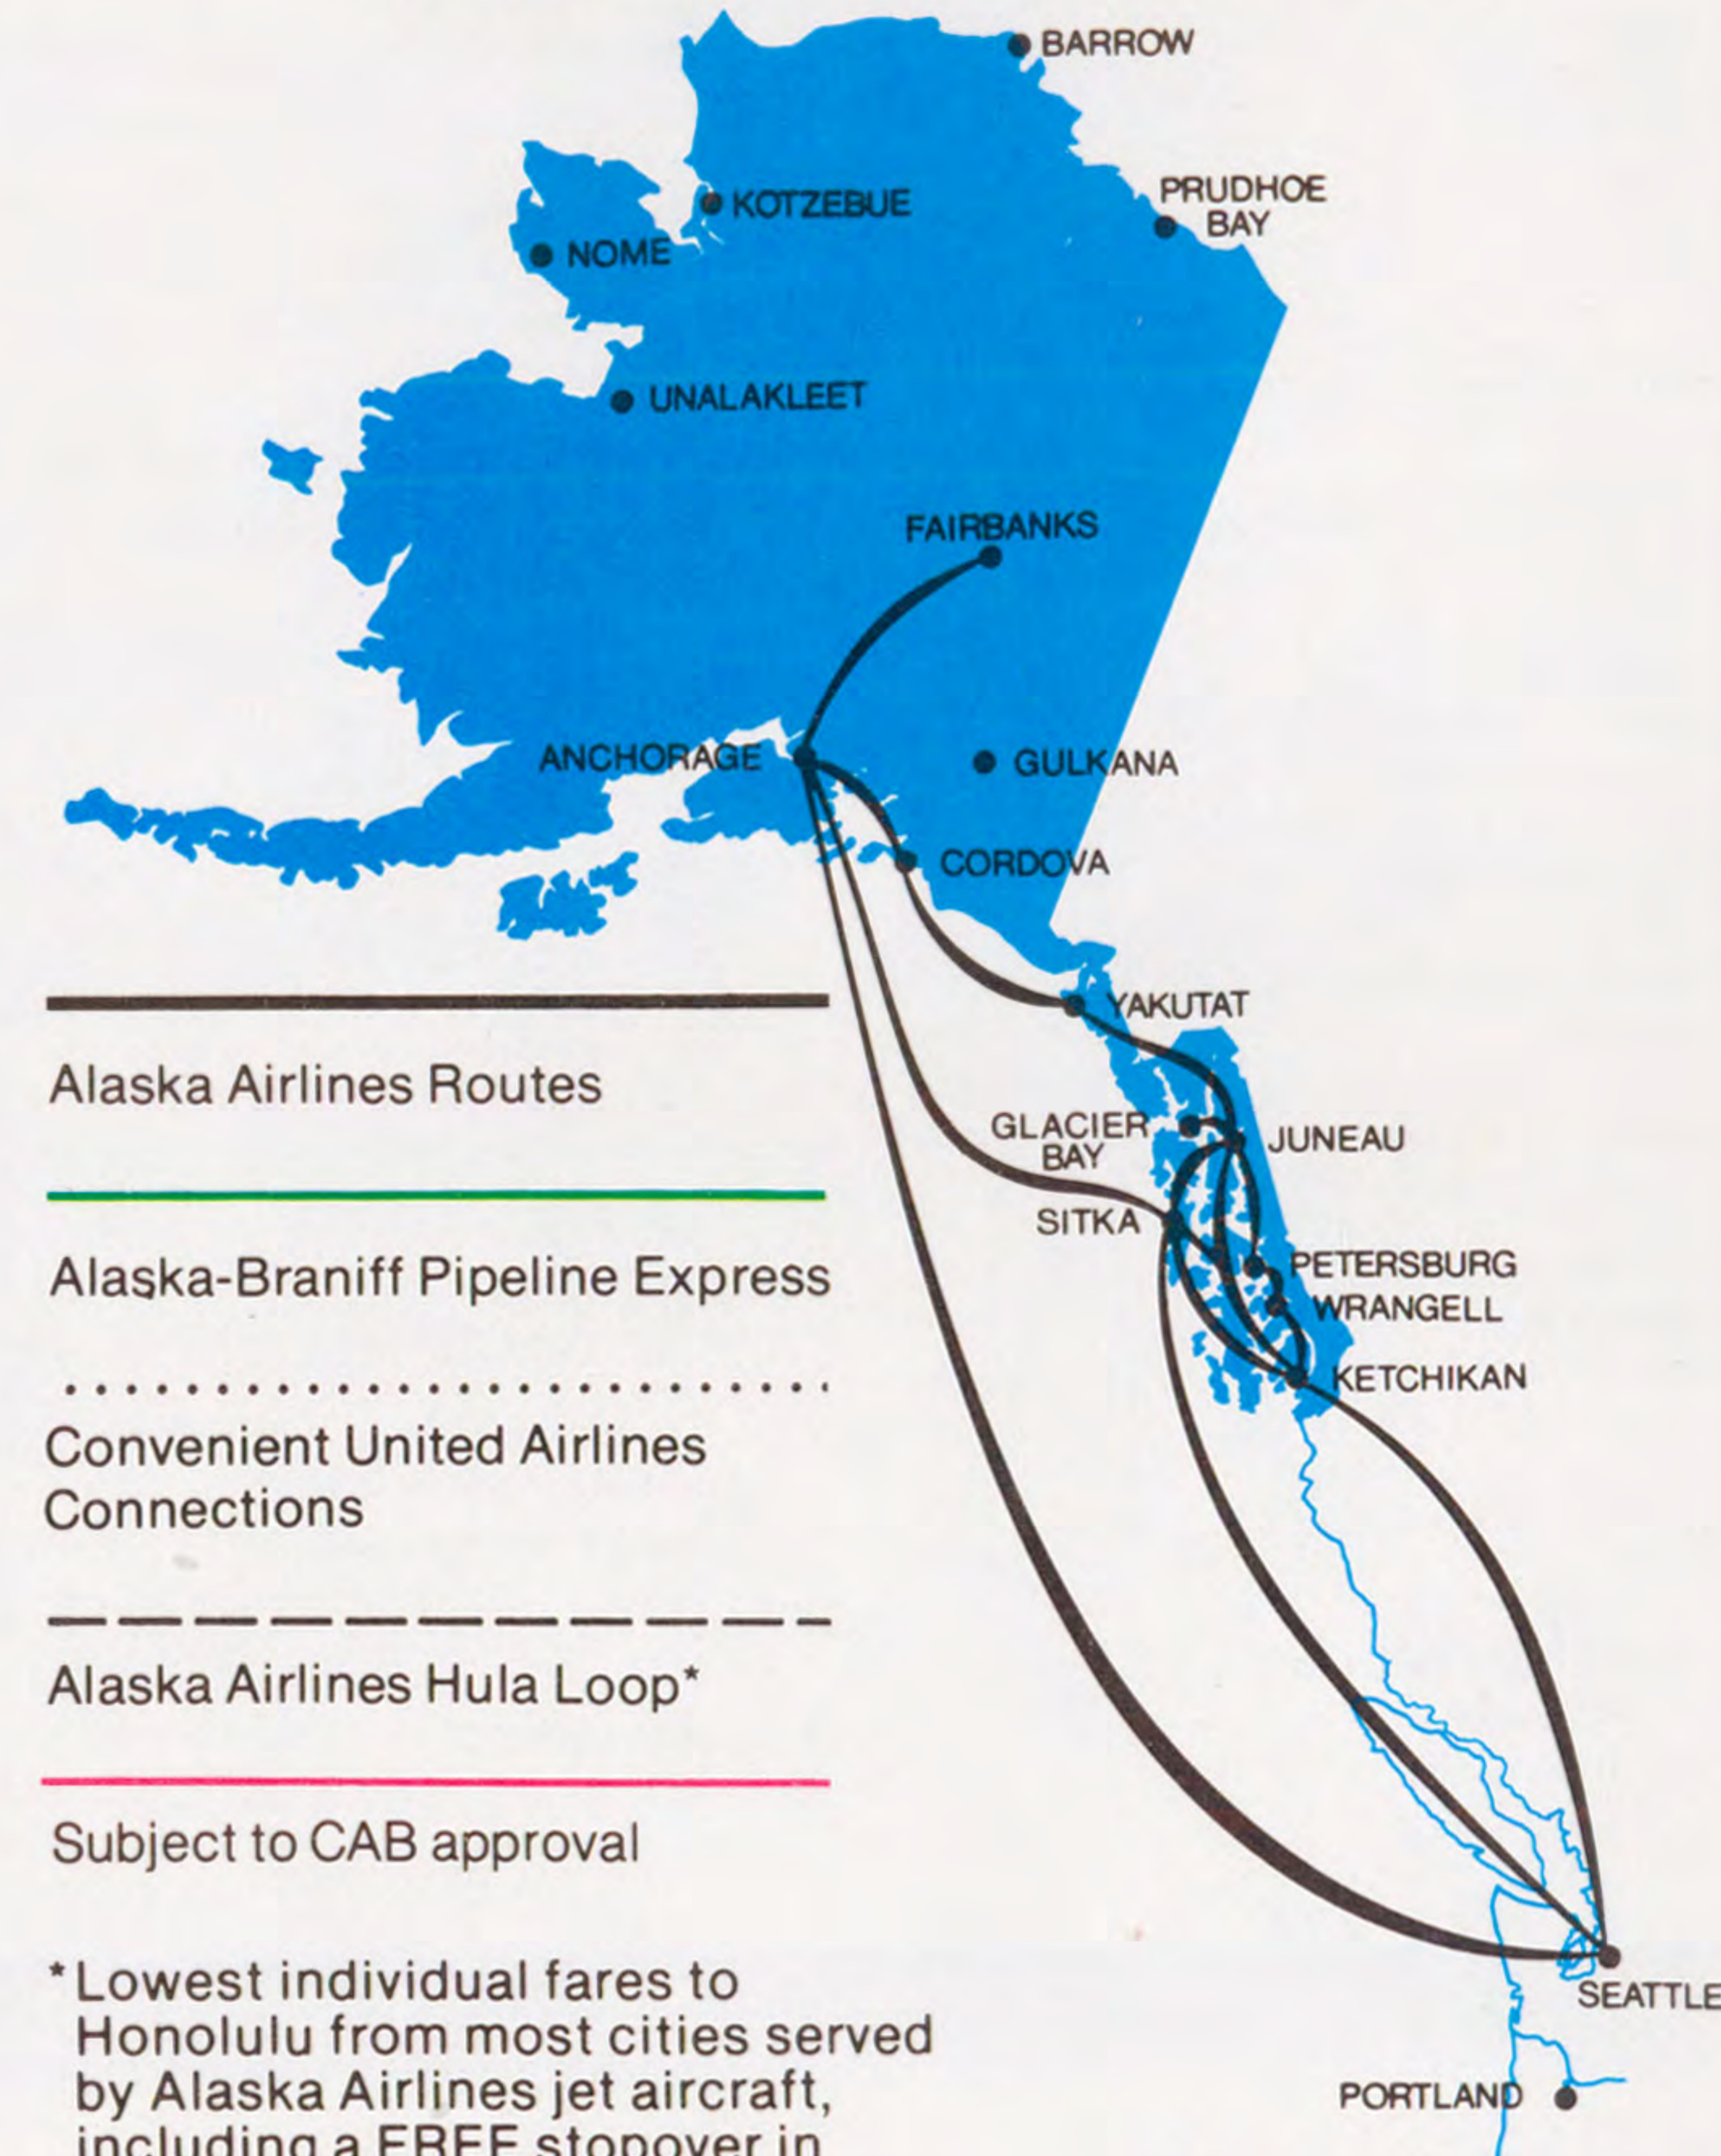

The Spirit of Alaska. Nowhere is the spirit of AlaskaFest more evident than in the attitudes of our employees. Their natural desire to help and their professional training combine to make your AlaskaFest experience comfortable and enjoyable.

And, for travel assistance, don't hesitate to call on one of our Passenger Service Coordinators. The PSC on your flight will be happy to help you with reservations or any other travel request you might have. (Alaska Airlines Passenger Service Coordinators on many flights.) ■

AlaskaFest is an Attitude. It's an atmosphere created to make all your flights on Alaska Airlines superb examples of jet travel. Unique. Relaxing. Memorable. Alaskan. ■

The sky's the limit.[™]
Alaska Airlines

*Lowest individual fares to Honolulu from most cities served by Alaska Airlines jet aircraft, including a **FREE** stopover in Seattle at no additional cost!

See your local travel agent.

 AlaskaFest Service is available on all Alaska Airlines flights.

All flights are jet service (Boeing 727).

Call Alaska reservation offices for information and reservations on flights of other airlines connecting with Alaska Services.

All Alaska offices have complete schedules of other airlines available and will assist you in planning your flights.
