# Our seats connect with their seats.

From all the cities we serve, Alaska Airlines plugs you into most cities in the Lower '48. For business or vacation. Because United, Continental, Eastern, Hughes Air West, Braniff and every other major airline flying out of Seattle has a seat to your destination. Just for the asking. Of course, we could ask you to take a deep breath and read off all the cities we help you connect to when you fly Alaska Airlines. But the best thing to do is call your travel agent for the best connections and reservations from here to there.

See your travel agent.
