Our sky's gotten bigger.

The skies of Alaska now stretch to cover Portland and San Francisco. Alaska Airlines flies twice a day between Seattle and Portland, and three times a day between Seattle and San Francisco.

And with a name like Alaska to live up to, you can't just serve the standard bill of fare. We're offering passengers to and from San Francisco a traditional California feast. Dinner entrees like Ginger Beef with steamed rice, Salmon trout sauté and Roast Duck l'orange. Desserts like Linzer torte and Grande Marnier soufflé, plus fine California wines to all adult passengers.

We call it Gold Coast™ service. You'll call it incredible. But, what else would you expect from an airline that sets its goals so high?

**The sky's the limit.
