The Arctic

Seeing native craftsmen carve intricate art from jade and ivory is just one of many things you can enjoy on an Alaska Airlines' Arctic vacation.

You can see the unique cities of Nome and Kotzebue. Pan for gold at a working gold mine. See an Eskimo Blanket Toss. And since there are over 80 days in a row here with 24 hours of daylight, you'll have plenty of time to take in the sights.

Our Arctic vacation includes city tours, overnight accommodations and roundtrip airfare.

For more information, call your travel agent or Alaska Airlines. And enjoy an endless summer.

See coupon on back cover.

Glacier Bay

On an Alaska Airlines vacation to Glacier Bay, you're likely to be joined by seals as you float through an unforgettable world of ice.

You'll cruise up the Bay towards massive Muir Glacier to see a spectacular blue and white glacial world of towering walls of solid ice. You could also see whales and maybe even a bear loping along the shoreline. In addition to the cruise, the tour includes roundtrip airfare from Juneau and one night at the Glacier Bay Lodge.

To experience the real Alaska, call your travel agent or Alaska Airlines. And put your summer vacation plans on ice.
