RESPONSIBILITY FOR DEPARTURES, ARRIVALS, AND CONNECTIONS.

Aloha IslandAir is not responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections. Schedules subject to change without notice. Schedules do not allow for abnormal air traffic, unscheduled maintenance, and ground delays.

**Check-in and boarding times**

Passengers are requested to check in at least 45 minutes prior to scheduled departure time. Due to limited size and capacity of the Twin Otter aircraft, Aloha IslandAir requires a minimum of 15 minutes to make necessary mathematical calculations to ensure the aircraft is within safe limitations for weight and balance. To accept an additional passenger with less than 15 minutes before departure would require recalculation of our weight and balance which would cause a delay for the other passengers on the flight. Reservations not claimed 15 minutes prior to scheduled departure time are subject to cancellation and passengers may not be eligible for denied boarding compensation when these requirements are not met.

**Checked baggage**

Checked baggage should be locked. Regulations require name identification on the outside. Our liability for checked baggage is limited to \$1,250 per passenger and excludes certain items. Do not place money, jewelry, electronic or camera equipment, or other expensive personal items in baggage that is to be checked.
