For more information regarding this service, please contact our reservations office.

Responsibility for departures, arrivals and connections

Island Air is not responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections.

Schedules subject to change without notice. Schedules do not allow for abnormal air traffic, unscheduled maintenance, and ground delays.

Check-in and boarding times

Passengers are requested to check in at least **45** minutes prior to scheduled departure time. Due to limited size and capacity of the Twin Otter aircraft, Island Air requires a minimum of **15** minutes to make necessary mathematical calculations to ensure the aircraft is within safe limitations for weight and balance. To accept an additional passenger with less than **15** minutes before departure would require recalculation of our weight and balance which would cause a delay for the other passengers on the flight. Reservations not claimed **15** minutes prior to scheduled departure time are subject to cancellation and passengers may not be eligible for denied boarding compensation when these requirements are not met.

Checked baggage

Checked baggage should be locked. Regulations require name identification on the outside. Our liability for checked baggage is limited to \$1,250 per passenger and excludes certain items. Do not place money, jewelry, electronic or camera equipment, or other expensive personal items in baggage that is to be checked.

**Partnership Service from
Aloha Airlines and United Airlines**

T I M E T A B L E

Aloha Airlines is pleased to announce its **Partnership Service** in conjunction with United Airlines. Working as a team, Aloha and United have scheduled convenient connections at Honolulu to major U.S. mainland destinations as well as selected destinations in Asia. The adjacent timetable shows our convenient **Partnership Service** routings between the Neighbor Islands and points served by United from Honolulu.

Interisland **Partnership Service** will be operated by Aloha Airlines as United Airlines flights and are designated by flight numbers in the 4000 to 4499 range. Within Hawaii, you will continue to fly on Aloha's modern Boeing 737-200, 737-300, and 737-400 aircraft, and to arrive and depart from the Aloha terminal on all islands.

Flight reservations and ticketing information for all **Partnership Service** flights can be obtained by calling United Airlines at the following numbers: **Oahu 547-2211; Kauai 245-9533; Maui 242-7911; Hawaii 961-2811.**

Airport Check-in

Passengers flying on interisland **Partnership Service** flights must check in at Aloha Airlines airport counters. As a reminder, all baggage to be checked from Lihue, Kahului, Kona and Hilo through to a final destination outside Hawaii must first pass through agricultural inspection. Agricultural inspection stations are operated by the USDA in airport lobbies, near the Aloha Airlines ticket counters.
