HOW TO USE THE TIMETABLE

TABLES—Four types of tables are contained in this timetable. (a) Express tables showing nonstop and minimum stop First Class and Aircoach services, (b) Service tables which are designed to show the relationship of intermediate cities, (c) International tables showing service to points in Canada and Mexico, and (d) an Interchange table showing through service between points on American Airlines and points on Continental Air Lines, Delta Airlines and National Airlines.

CONNECTIONS—Primary connections are shown in the tables by use of an arrow at the city of connection.

EQUIPMENT—See Explanation of Reference marks on Page 46.

MEAL SYMBOLS—On First Class and Royal Coachman flights meal symbols indicate type of meals and the point, enroute,

out of or before which the meals are served. On DC-6 Aircoach flights meal symbols indicate stations where Flite Buffet meals may be purchased at airports at a nominal cost for In-Flight Dining. DUAL SERVICE flights indicate, similarly, type of first class or aircoach meal served.

TIMES—For your convenience Arrivals and Departures are shown in LOCAL TIME as observed in each city whether Daylight or Standard. Light face type (10.40) denotes AM times. Bold face type (10.40) denotes PM times.

INDEX—The index on the previous page is designed to assist you in locating your desired service more quickly and easily.

TABLE OF CONTENTS—The table of contents is designed to assist you in locating the various sections contained in this timetable.

HOW TO USE THE INDEX

The index consists of two parts. A "Quick Reference Index" and an "Index of Cities Served."

To use the "Quick Reference Index," locate your origin and destination cities in the vertical and horizontal lists. Find the table number(s) between the pair of cities to locate the desired service.

If any pair of cities do not appear in the "Quick Reference Index," they may then be found in the "Supplementary Index of Cities Served." Common table numbers found in this listing will generally indicate the location of the desired

service. Should no table numbers coincide, reference to the System Map on page 47 will facilitate the location of a common junction point between the desired cities. Turn to the "Supplementary Index of Cities Served" and use the tables opposite your originating and terminating cities, in conjunction with the map, to determine those tables containing a common city which will provide the junction point between the tables showing your origin and destination.

Should your origin and destination cities not be found in either Index, consult American Airlines for further assistance.

PASSENGER INFORMATION

AIR TAXI SERVICE—This service is available at many airports to off-line points at reasonable rates. Companies operating this service are members of the National Air Taxi Conference. Call any American Airlines office for information.

BAGGAGE—Following rules apply:

Free Allowance within the United States and Canada, 40 pounds; Mexico First Class Service 66 pounds; Mexico Aircoach Service 44 pounds. Children transported free of charge receive no free baggage allowance. The term "baggage" shall mean all luggage including briefcases, portfolios, cosmetic cases, parcels, camera equipment and similar articles whether carried in the cabin or checked in cargo compartment.

Excess baggage may be accepted, space and weight permitting at the rate of 1/2 of one per cent of the applicable first class one-way adult fare per pound regardless of service used except that for transportation to or from points outside the U.S. and Canada the rate for excess baggage shall be one per cent of the applicable first-class one-way adult fare per kilogram, regardless of class of service used.

American Airlines liability for any personal property, including baggage whether or not checked or otherwise delivered into the custody of Carrier, is limited to \$250 (See Note) for each passenger unless a higher valuation is declared and the additional charges required therefor paid before the transportation by air commences. Total valuation is limited to \$25,000 on each ticket for which a fare is paid except as otherwise provided in applicable tariffs.

NOTE: Applicable to domestic travel on American Airlines. Warsaw limitations applicable on international travel.

Pets—Pets are subject to weight limitation of 115 pounds, including the weight of a suitable container, as excess baggage at owner's risk and subject to tariff regulations.

Restricted Articles: Acids, matches, lighter fluid, liquids and other hazardous articles must not be packed in baggage. Fragile and perishable articles are carried at the risk of the passenger.

CANCELLATION BY COMPANY

Reconfirmation: Passengers to Mexico City on American Airlines who hold return reservations from Mexico City on American Airlines, must reconfirm, in Mexico, their intention to use such reservations at least 24 hours prior to scheduled departure from Mexico City.

Passengers from Mexico City who hold return reservations to Mexico City, must reconfirm, in the United States or Canada, their intention to use such reservations at least 72 hours prior to scheduled departure of the return flight to Mexico City. Failure to reconfirm will result in cancellation of all reservations held.

To reconfirm, contact any office of American Airlines.

General: The company reserves the right to cancel continuing and/or return airline space if passenger fails to use the flight on which passage was arranged to the connecting or return city without first notifying the company of his desired disposition of such continuing, connecting or return space.

The company reserves the right to cancel bookings before passage or enroute whenever such action is deemed advisable or necessary.

The Captain may remove passenger from plane at any point on the route for safety or other cause. In any event, the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

CANCELLATION BY PASSENGER—It is requested that your reservation be cancelled as soon as it is known that seat will not be used, thus making such space available to other passengers.

CHILDREN—Children under twelve years of age accompanied by a passenger at least twelve years of age will be charged one-half the adult fare, except that one child under two years of age, not occupying a seat, will be carried free with each accompanying full fare passenger twelve years of age or over. Children under five years of age will not be accepted for transportation unless accompanied by a passenger at least twelve years of age. Unaccompanied children five through eleven will be accepted for transportation, subject to payment of the full adult fare, and also, it is required that transportation for children under eight years of age involves no change of plane and that such children be delivered and met at origin and destination airports by a responsible adult.

CLAIMS—Written notice of claims with respect to baggage and all other claims must be filed within 45 days with any office of American Airlines, Inc. Suits must be filed within two years from date of loss or damage.

DEPARTURES—In the interest of improving on-time service to all passengers, persons are requested to be at airport ticket lifting points approximately fifteen minutes before published departure time. (Also see "z" under Explanation of Reference Marks.)

FAMILY FARE PLAN—Family Fares, full one way fare for the head of the family and 66 2/3 percent of the one-way fare each for accompanying spouse and/or children

12 through 21 years of age, apply to travel on flights scheduled to depart not earlier than 12.01 P.M. on Monday and not later than 12.01 P.M. on Thursday. The Family Fare discount does not apply to Royal Coachman or other Aircoach fares. Only one child under two years of age will be carried free with each Family Fare group.

INSURANCE—Trip insurance is available at all airlines offices.

INTERNATIONAL TRAVEL—The following documents are required by U. S. citizens proceeding direct to country of destination:

To Canada: Proof of U. S. citizenship and proof of sufficient funds.
To Mexico: For Pleasure Trips—(1) Proof of U. S. citizenship (2) Mexican Tourist Card—from American Airlines Ticket Agent or any Mexican Tourist Bureau or Mexican Consulate and (3) Smallpox Vaccination Certificate not more than three years old. For Other Trips—see American Airlines Mexico folder, or contact any American Airlines office.

Smallpox Vaccination Certificate not more than 3 years old is required of passengers entering the U. S. from Mexico and must show the reaction "successful" or "unsuccessful" if vaccination is passenger's first. If the passenger was vaccinated previously the certificate may carry the notation "Revaccinated".
To any other country: Contact any American Airlines office or your Travel Agent. The above documentary requirements are given for information only and are subject to change without notice.

Passengers on international flights must possess all documents required by the laws of the countries from, into or over which they are to fly and should any required documents be missing, passage may be denied. American Airlines will not be responsible for any failure of passengers to comply with governmental requirements in force at the time of their journey.

Baggage of international travelers will be examined by customs officers of each country on arrival. Used personal articles intended for personal use while traveling are generally admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.

Residents of the United States are permitted to bring back, duty free, \$200 in merchandise acquired outside United States, provided the traveler has been away from the United States more than 48 hours (no minimum time is required if returning from Mexico via AA) and this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. \$300 additional allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U. S. for at least 12 days.

For more detailed information on travel documents and baggage restrictions for international travelers, see American Airlines Mexico folder, or contact an American Airlines office or your travel agent.

MEALS—Served on all First Class and Royal Coachman flights at appropriate times. For passengers using DC-6 Aircoach service, reasonably priced FLITE BUFFET meals are available for purchase at airports for in-flight dining.

REFUNDS—Requests for refunds may be made at any American Airlines' Ticket Office or directly to: Manager, Passenger Refund Accounting, American Airlines Inc., 910 South Boston, Tulsa, Oklahoma.

RESERVATIONS—Advance requests for space are desirable. Reservations are tentative until the passenger has secured a confirmed ticket which shows the specific reservation held. If a passenger fails to secure confirmed ticket by the "time limit" agreed upon, the reservation will be cancelled and no refund. (See "Cancellation by Company" for other conditions under which reservations may be cancelled even though ticket has been purchased.)

SCHEDULES—Schedules shown are expected departures and arrivals, subject to change without notice, and are not guaranteed.

STANDBY PASSENGERS—Passenger not holding confirmed space may be accepted as a standby. This procedure is effective when passenger presents himself for travel but in no instance to cover a period of more than four (4) hours.

STOP-OVER—Stop-overs will be allowed at any regular stop, provided reservation is made accordingly. Stop-over privileges on service wholly within the United States and Canada are subject to the payment of the combination of fares over the point of stop-over.

The above information is, in part, excerpted from rules published in tariffs filed with applicable government authorities. All transportation is sold subject to these tariffs and copies are on file and open for public inspection at all American Airlines ticket offices. For further details concerning any of the above or for additional information call or visit any American Airlines office or authorized travel agent.
