When building a connection, plan your itinerary to include the appropriate connecting time between flights at each AA gateway hub. Descriptions of these major hubs and other key cities are as follows:

Hub City (Connecting Complex)	Principal Traffic Flow	Minimum Domestic Connecting Time	Minimum Int'l. Connecting Time
Boston (BOS)	U.S./Europe	30 Minutes	1 Hour, 30 Minutes
Chicago O'Hare (ORD)	East/West Europe Japan	30 Minutes	1 Hour, 30 Minutes

**How to Build a Connection/Cómo hacer una conexión**

Building your own connection is easy. Just keep in mind that **minimum connecting times vary** by airport and be sure to allow yourself plenty of time to make your connection. Here are the recommended **average minimum** connecting times:

Hacer su propia conexión es fácil. Simplemente tenga presente que el tiempo mínimo de conexión varía según el aeropuerto, y asegúrese de que dispone de tiempo suficiente. Éstos son los tiempos mínimos promedio de conexión recomendados:

Type of Connection Tipo de conexión	Average Minimum Connecting Time Tiempo mínimo promedio de conexión
Domestic Connection Conexión nacional	35 Minutes 35 minutos
International Connection Conexión internacional	1 Hour 1 hora

- Select a flight from your origin city to a hub city (connecting complex) that is on the most direct route to your final destination. Seleccione un vuelo desde su ciudad de procedencia a una ciudad (centro) de conexión que esté en la ruta más directa a su destino final.
- Take note of the arrival time to your hub city (connecting complex). Preste atención a la hora de llegada a su ciudad (centro) de conexión..
- Add the minimum connecting time to your arrival time. Añádale el tiempo mínimo de conexión a su hora de llegada..
- Select a flight from your hub city (connecting complex) to your final destination that departs after your adjusted arrival time. Seleccione un vuelo desde su ciudad (centro) de conexión a su destino final que salga después de su hora de llegada ajustada.

**Note to American's AAdvantage® Members/Nota para los miembros del programa American AAdvantage®**

The mileage in the following flight itineraries reflects the **actual** one-way flight mileage between the indicated city pairs. When more than one airport is listed for one city (i.e. Newark, Kennedy and LaGuardia for New York) and the mileage differs, the mileage indicated on the schedule pages is to the first airport shown. This mileage may or may not exactly match the number of miles credited to an AAdvantage member's account for the same trip.

For example, the AAdvantage Program Minimum Mileage Guarantee ensures AAdvantage members earn at least 500 miles for every American Airlines and American Eagle flight taken when an eligible, published fare ticket has been purchased.

En la siguiente lista de itinerarios de vuelo, el millaje representa el recorrido de una sola vía entre las dos ciudades indicadas. Cuando hay más de un aeropuerto en una ciudad (como en Nueva York, que cuenta con los aeropuertos de Newark, Kennedy y LaGuardia) y sus millajes varían, el millaje que se indica en las páginas del itinerario refleja el millaje del primer aeropuerto de la lista. Este millaje puede o no concondar exactamente con el número de millas que se le acrediten a su cuenta como miembro del programa AAdvantage por dicho viaje.

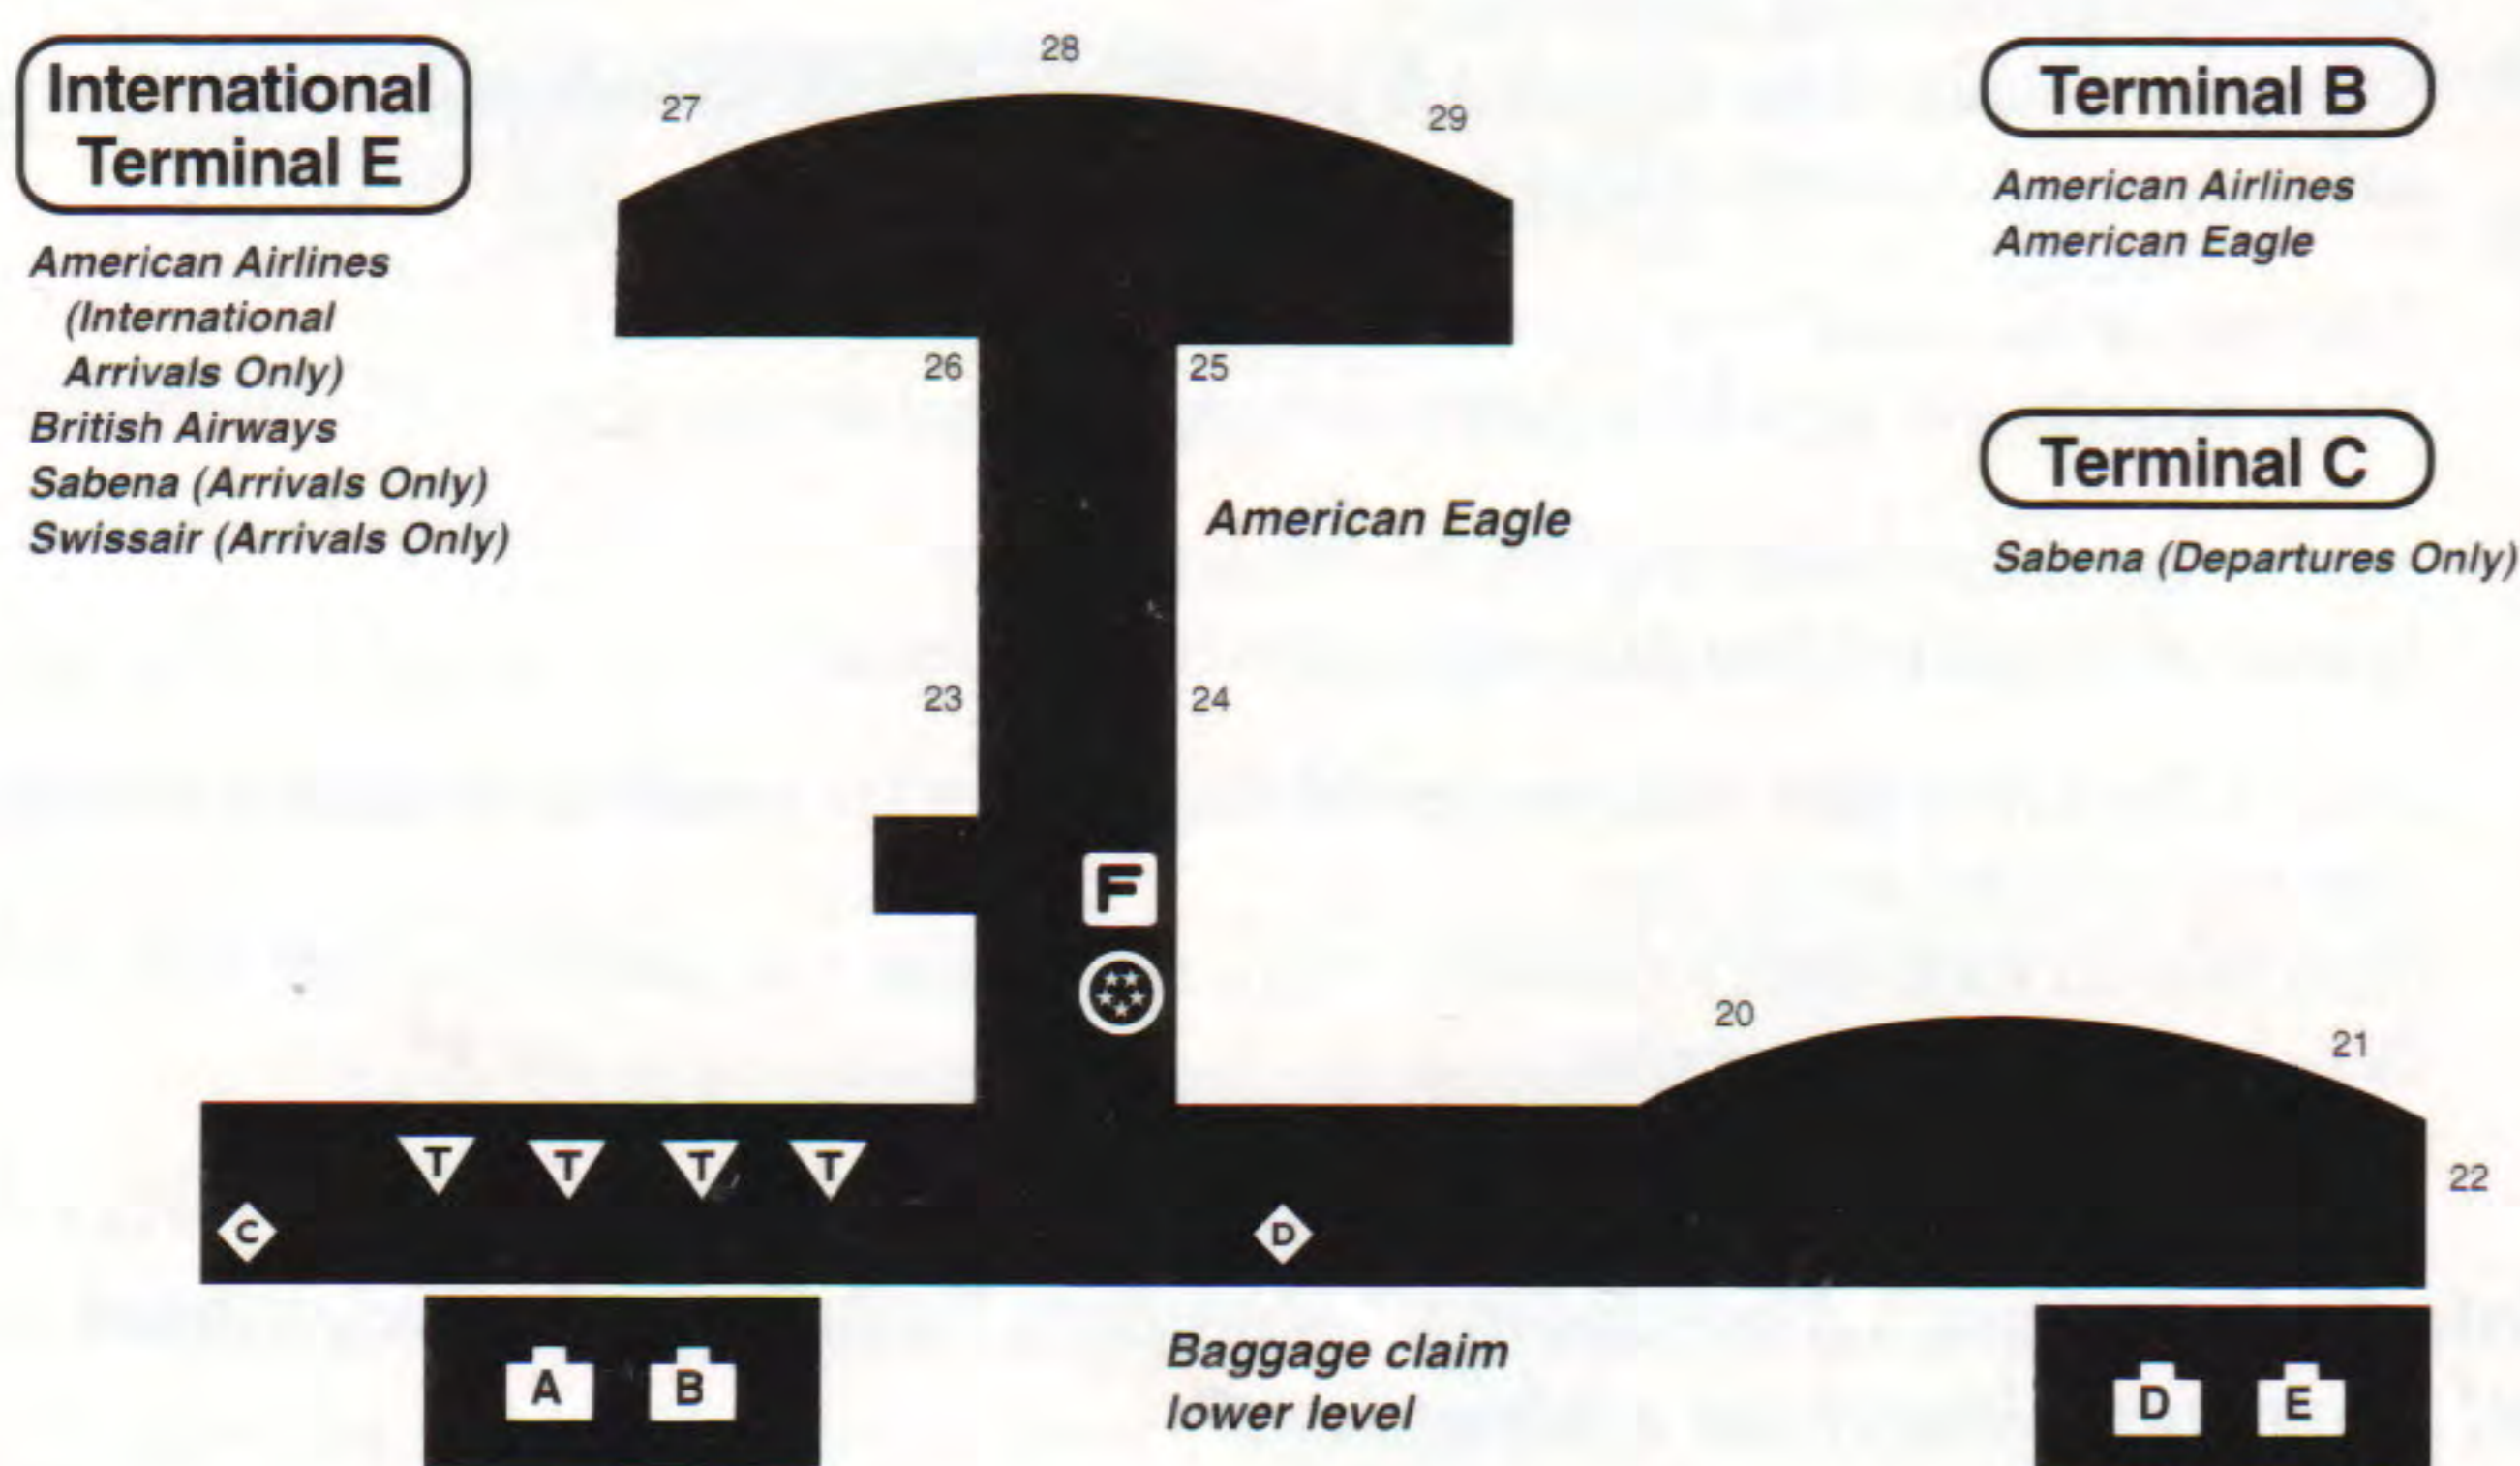

Por ejemplo, el programa Garantía de Millaje Mínimo de AAdvantage asegura que sus miembros ganarán al menos 500 millas por cada vuelo realizado con American Airlines y American Eagle, al adquirir un pasaje de tarifa normal publicada que sea elegible para el programa.

AAdvantage is a registered trademark of American Airlines, Inc. American Airlines reserves the right to change AAdvantage program rules, regulations, travel awards and special offers without notice, and to end the AAdvantage program with six months notice.

### **Airport Arrival and Check-in**

We recommend customers arrive at the airport two hours prior to scheduled departure time for flights within the United States and to/from Canada. For international flights and flights departing the U.S. Virgin Islands, we recommend arriving at the airport three hours before scheduled departure.

Opening times for airport check-in vary by location. This may affect the time you should arrive at the airport for early morning departures. Please refer to the Airport Information section of AA.Com or contact AA Reservations for hours of operation by airport.

When travel is completely within the United States, you must check-in at least 15 minutes before scheduled departure time, and be present at the departure gate to retain your reservation and a seat. For international flights, you must check-in at least 30 minutes before scheduled departure time, and be present at the departure gate to retain your reservation and a seat.

You must be onboard the aircraft and in your assigned seat at least 10 minutes before scheduled departure time.

### **Responsibility for Schedules and Operations**

American will make every effort to carry you and your baggage with reasonable dispatch. Times shown in this timetable and elsewhere are published in local times and subject to change without notice. American may, without notice, substitute alternative carriers or aircraft and, if necessary, may alter or omit stopping places shown on ticket. American is not responsible or liable for failure to make connections or to operate any flight according to schedule, or for changing the schedule of any flight. Under no circumstances shall American be liable for any special or consequential damages.

### **Smoking/Non-Smoking Flights**

Smoking will not be permitted on any American Airlines or American Eagle flights systemwide.

### **Personal Health**

Before traveling, please check with your doctor about Deep Vein Thrombosis or other health issues. For general information on health and comfort in the air, see [www.aa.com/health](http://www.aa.com/health).

### **Llegada al aeropuerto y "Check-in"**

Recomendamos a nuestros clientes llegar al aeropuerto dos horas antes de la hora fijada para la salida de vuelos dentro de los Estados Unidos y a/de Canadá. Para vuelos internacionales y vuelos que salgan de las Islas Vírgenes de EE. UU., recomendamos llegar al aeropuerto tres horas antes de la hora de salida.

El horario de apertura para "check-in" varía según el aeropuerto. Esto puede afectar la hora en que se debe llegar al mismo para tomar vuelos que salen a primera hora de la mañana. Para obtener el horario en que opera cada aeropuerto, tenga a bien referirse a la sección de AA.Com titulada "Airport Information" (Información sobre Aeropuertos) o comuníquese con "AA Reservations" (Reservaciones de AA).

Cuando el viaje se lleve a cabo totalmente dentro de los Estados Unidos, usted debe hacer el "check-in" como mínimo 15 minutos antes de la hora fijada para la salida del vuelo, y estar presente en la puerta de embarque para mantener su reservación y un asiento. Para vuelos internacionales, usted debe hacer el "check-in" como mínimo 30 minutos antes de la hora fijada para la salida, y estar presente en la puerta de embarque para mantener su reservación y un asiento. Usted debe estar a bordo de la aeronave y en el asiento asignado como mínimo 10 minutos antes de la hora fijada para la salida del vuelo.

### **Responsabilidad sobre horarios y operaciones**

American hará todos los esfuerzos para que usted y su equipaje lleguen a su destino en el horario previsto. Las horas indicadas en este horario y en otros lugares son horas locales y están sujetas a cambio sin previo aviso. American puede, sin dar aviso, sustituir transportistas o aviones, y en caso necesario, puede modificar u omitir escalas en lugares que aparecen en el pasaje. American no se hace responsable por la pérdida de conexiones, retrasos, o cambios en el horario de un vuelo. Bajo ninguna circunstancia American será responsable por ningún perjuicio consiguiente.

### **Vuelos en los que se permite fumar/ Vuelos en los que no se permite fumar**

No se permitirá fumar en ninguna de las rutas de vuelo de American Airlines o American Eagle.

### **Cuidados de salud personal**

Antes de viajar, por favor infórmese con su médico sobre la Trombosis de Vena Profunda y otras cuestiones de salud. Para obtener información general sobre la salud y el confort en el aire, vea [www.aa.com/health](http://www.aa.com/health).

### **Conditions of Carriage**

Air transportation between points in the U.S. (including its overseas territories and possessions) is subject to the individual terms of the transporting air carrier. Foreign air transportation is governed by tariffs on file with applicable government authorities. The full text of American's Conditions of Carriage may be inspected at any American Airlines ticket office.

### **Hazardous Materials/Firearms**

Many common items used every day in the home or workplace may seem harmless; however, when transported by air, they can be very dangerous. In flight, variations in temperature and pressure can cause items to leak, generate toxic fumes, or start a fire.

**NO Household Items** Bleaches, drain cleaners and solvents contain dangerous chemicals which can cause toxic fumes and corrosion.

**NO Flammable Liquids** Fuel, paints, solvents, adhesives, alcoholic beverages greater than or equal to 70% by volume (140 proof), and flammable gases such as lighter refills and camping gas might leak and cause a fire.

**NO Fireworks** Signal flares and other explosives might detonate because of their sensitive nature.

**NO Other Hazardous Materials** Strike-anywhere matches, gasoline-powered tools, spray cans, self-inflating rafts, wet-cell batteries, poisons, infectious substances, mace and pepper spray.

REMEMBER: This list is not all-inclusive. Carrying dangerous goods aboard an aircraft violates U.S. Federal Law. Violators may be subject to five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Consult your American Airlines/American Eagle agent for further details.

### **Condiciones de transporte**

El transporte aéreo entre puntos en los Estados Unidos (incluyendo sus territorios y posesiones de ultramar) está sujeto a los términos individuales del transportista aéreo. El transporte aéreo en el extranjero se rige por las tarifas aprobadas por las autoridades gubernamentales competentes. El texto completo de las condiciones de transporte de American puede ser inspeccionado en cualquier oficina de venta de pasajes de American Airlines.

### **Materiales peligrosos/ Armas de fuego**

Muchos artículos que por lo general se utilizan a diario en el hogar o en el trabajo pueden parecer inofensivos. Sin embargo, cuando se transportan en un avión, pueden ser muy peligrosos. Durante el vuelo, las variaciones de temperatura y presión pueden provocarles escapes, generar gases tóxicos o iniciar un incendio.

**NO transporte artículos de uso doméstico.** Los blanqueadores, limpiadores de desagües y disolventes contienen sustancias químicas peligrosas que pueden provocar gases tóxicos y corrosión.

**NO transporte líquidos inflamables.** Los combustibles, pinturas, disolventes, adhesivos y bebidas alcohólicas con un porcentaje de alcohol igual o superior al 70% por volumen (graduación de 140), así como gases inflamables tales como repuestos para encendedores y gases utilizados en campismo pudieran tener escapes y ocasionar un incendio.

**NO transporte fuegos artificiales.** Las bengalas para hacer señales y otros explosivos pueden explotar debido a su sensible naturaleza.

**NO transporte otros materiales peligrosos.** Fósforos en general, herramientas que funcionan con gasolina, latas de aerosol, balsas autoinflables, baterías de celdas húmedas, venenos, sustancias infecciosas, aerosoles lacrimógenos de defensa personal.

RECUERDE: Ésta es sólo una lista parcial. Transportar objetos peligrosos en un avión es una violación a las leyes federales de los EE. UU. Los infractores pueden estar sujetos a condenas de cinco años de privación de libertad y multas de US\$ 250.000 dólares o más (49 U.S.C. 5124). Para obtener más información consulte a su agente de American Airlines y American Eagle.

**U.S. Domestic  
 Free Baggage Allowance**

**Combined Baggage Allowance:  
 Checked and Carry-On**

American allows up to three bags free of charge with the following options:

- 3 piezas checked and no carry-on OR 2 piezas checked and one carry-on
- Personal items do not count against the free bag allowance

**Size/Weight Allowance**

Checked baggage is limited to: 2 bags at 62 in/157 cm each and 1 bag at 45 in/114 cm. The maximum weight is 70 lbs/32 kgs per bag. The size is calculated by adding the total outside dimensions of each bag (length + width + height).

**Carry-On Baggage Allowance**

- New FAA security measures now limit customers on all AA flights to one carry-on bag plus one personal item.
- The one carry-on bag must not exceed 45 linear inches (length + width + height) or weigh more than 40 lbs.
- Personal items should include the following: purse, briefcase or laptop computer. Other similar items that do not exceed 36 linear inches will be allowed, such as a small tote bag, shoulder bag or book bag.
- Items that appear too large or irregularly-shaped to fit under a seat, in an overhead compartment or in a closet will not be accepted as carry-on baggage and will need to be checked.
- At times, additional limits may be placed on carry-on baggage based on stowage capacity of specific aircraft. These limits may be imposed after the boarding process has begun. Some carry-on baggage may be stowed in a cargo compartment on selected American Eagle aircraft.

**Free baggage allowance varies for international destinations, so please contact American Airlines for specifics.**

**Baggage Liability**

Liability for loss, delay or damage to baggage will be limited as indicated below, unless a higher valuation for checked baggage has been declared and additional charges paid at check-in. Excess valuation may not be declared on certain types of articles and pertains to loss claims only.

NO LIABILITY FOR:

- Fragile, valuable or perishable items
- Previously damaged baggage

- Oversized, overweight or overpacked baggage
- Damage or loss of protruding baggage parts such as wheels, straps, pockets, pull handles, hanger hooks or other items attached to baggage
- Minor damage such as scratches, scuffs, dents, cuts and dirt resulting from normal wear and tear

**Domestic:** Travel wholly within the 50 states of the U.S., Puerto Rico and the U.S. Virgin Islands:

- Liability is limited to \$2500 per ticketed passenger, for travel commencing December 1, 1999.
- NO liability for baggage carried in the passenger cabin.
- No liability for photographic equipment, computers, VCRs and any other electronic equipment including software or components, jewelry, cash, documents, furs, works of art or other similar valuable items.

**International** – For most international travel (including U.S. domestic portions of international journeys):

- Liability for loss, delay or damage to baggage is limited to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage.
- Liability is for a maximum of 70 lbs. (\$634.90) per checked bag. (This limit may be lowered for additional pieces to certain international destinations or when using connecting carriers.)

**Claims and Refunds**

If your bag is lost, delayed or damaged, you should notify American Airlines before leaving the airport. This notification must take place within 24 hours after the arrival of the flight on which the bag was checked. However, customers on an international journey, including any U.S. domestic portion of that journey, have up to

- 21 days from arrival of bag or customer to report a loss or delay claim provided this report is in writing
- 7 days from the date customers receive baggage to report a damage claim provided this report is in writing

Any legal action premised on or related to the incident must be commenced within one year of the date of the incident. If notice is not provided as set forth above and legal action is not commenced within one year of the date of the incident, then American disclaims any and all liability arising from or relating to such incident.

**Equipaje permitido sin  
 cargo adicional\***

**Equipaje permitido**

American permite hasta un máximo de tres maletas sin cargo con las siguientes opciones:

- 3 piezas de equipaje despachadas y ningún equipaje de mano o 2 piezas despachadas y otra como equipaje de mano.
- Los artículos de uso personal no cuentan para el límite de equipaje permitido sin cargo.

**Tamaño/Peso permitido**

Las tres piezas combinadas pueden medir un máximo de 1,57 m de largo (62 pulg.), 1,40 m de ancho (55 pulg.) y 1,14 m de alto (45 pulg.) El peso máximo permitido para cada pieza es 31,8 kg (70 lbs.).

**Equipaje de mano permitido**

- Las nuevas medidas de seguridad de la FAA limitan ahora el equipaje de mano en todos los vuelos de American Airlines a una sola pieza de equipaje más un artículo de uso personal.
- La pieza de equipaje de mano no puede exceder las 45 pulgadas lineales (largo + ancho + alto) ni pesar más de 40 libras.
- Los artículos de uso personal incluyen lo siguiente: Cartera, portafolio o computadora portátil. Se permitirán además otros artículos similares que no excedan las 36 pulgadas lineales, tales como un bolso pequeño, mochila o bolso de libros.
- Aquellos artículos que por su tamaño o forma irregular no quepan debajo de un asiento, en el compartimento superior o en un armario, no serán aceptados como equipaje de mano y deberán ser despachados como equipaje.
- A veces es posible que se fijen otros límites para el equipaje de mano en base a la capacidad de almacenamiento de determinadas aeronaves. Estos límites se pueden fijar una vez que ha comenzado el proceso de embarque. En algunas aeronaves de American Eagle, parte del equipaje de mano se puede colocar en un compartimento de carga.

**El equipaje permitido en los vuelos internacionales varía según el país de destino. Para obtener información, pónganse en contacto con American Airlines.**

# AS THE NEW DAY ARRIVES, SO DO WE.

Every day, like clockwork, all across Europe,  
as the new day arrives, so do we.

It happens in London and in Paris just as each city starts to stir. It happens in Frankfurt, in Zurich and Brussels. In Manchester, Birmingham and Madrid. From cities all across the U.S., American arrives in Europe just as the day begins.

For reservations or information, contact your Travel Agent or call American Airlines at 1-800-433-7300 or log into AA.com to purchase tickets online.
