● Seldom has any travel service won such enthusiastic favor as American's Flagship Flights between the nation's two principal cities. Whether you fly on the NON-STOP ARROW or EAGLE, or on one of the dozen other daily Flagship flights through Detroit and Buffalo (with a marvelous air-view of Niagara Falls!) you enjoy American's "First-Class" Service—in 21-passenger Flagship Club Planes. These giant Flagships are the largest, most luxurious, longest-range transport planes in America . . . and the quietest.

Especially enthusiastic are the comments we hear on the deeply cushioned, new lounge chairs, the tall-man leg room, the delicious meals, served without charge; and unexpected niceties of travel such as a Remington typewriter and Lektro-Shavers ready for passengers' use.

See details of this and other world-wide air services on Page 8.

VACATION AIR TOURS . . . Every summer American Airlines renders another very important service to vacation travelers. Vacation round-trip air tours which help you to see much more and go much farther in less time . . . bring distant national parks, playgrounds, resorts, scenic spots, vacation cities, within a few hours of your home.

Make this summer's vacation one that will live long in your memory! Your travel agent or your American Airlines' representative will gladly furnish details.
