## GENERAL INFORMATION

**ANIMALS**—Pets will be accepted as excess baggage under certain conditions. Consult AMA agent.

**BAGGAGE**—Thirty-five (35) pounds of baggage will be carried free on any ticket. Excess baggage carried upon special arrangements and shall be at the rate per pound of one-half of one per cent of the published air passenger fare, with a minimum charge of twenty-five cents, and the liability of the Carrier for loss of or damage to baggage and/or personal property is limited to the amount of One Hundred Dollars (\$100.00) unless a higher valuation be declared and an additional charge paid therefor. Excess valuation limited to \$1000.00 on each full fare ticket.

From 35 to 55 pounds of baggage will be carried free on tickets of passengers destined to Mexico, Central and South America using Pan American Airways. Inquire of ticket agent for full details.

On tickets of transoceanic passengers 50 pounds of baggage will be carried free, or 35 pounds will be carried by plane and 100 additional pounds transported by rail express.

**CHILDREN**—Children under two years of age, when held in arms of parents or guardian, carried free. Children over two years of age will be charged full fare.

**FOUNTAIN PENS**—Due to changes in atmospheric pressure when higher altitudes are reached many fountain pens have a tendency to leak when the plane climbs above 8,000 feet. Usually all that is necessary is to screw the cap on tightly. However, some of the older model pens leak so badly that it is best to wrap them to avoid damage to clothes or contents of hand bags.

**GENERAL**—The use of alcoholic beverages is not permitted on planes of American Airlines.

**INSURANCE**—Trip insurance is available at most airports.

**PASSAGE, CANCELLATION BY COMPANY**—The Company reserves the right to cancel bookings before passage or en route. Pilot may remove passengers from plane at any point on the route for safety or other cause. In all events the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

**PASSAGE, CANCELLATION BY PASSENGER**—The purchaser may receive a refund for passage if canceled two hours prior to flight.

**REFUNDS**—Requests for refunds on tickets should be addressed to the Auditor of Ticket Accounts, American Airlines, Inc., 4848 West Sixty-Third St., Chicago, Ill.

**RESERVATIONS**—All space is reserved, though no definite seat assignments are made. Reservations will not be made except upon payment of fare. The sale of any seat is necessarily subject to company regulations for the control of space which in certain instances restrict the release of portions of through seats.

**ROUND TRIP FARES**—10% reduction on all round-trip tickets if purchased before start of original trip. Return trip must be started within sixty days.

**STOP-OVER**—Ten (10) day stop-over will be allowed at any regular stop, provided reservation is made accordingly.

**TIME-TABLES**—These time-tables show the times at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival, or connection at the time stated is not guaranteed. American Airlines reserves the right to vary from the time shown in this folder without notice to the public.
