*"We're Flying to the Fair!"*

**TAKE THE CHILDREN**  
Trips by air are so short they are easy on children—and parents too. Children 2 to 12 years old travel at half-fare in Flagships, infants under 2, carried in arms, ride free.

*"We're flying to the Fair!"*  
You will hear many people say that this summer. Some will be those who always fly, but many will be taking their first trip by air. All of them will be happy souls who have decided to do *this* vacation up brown. When their holidays arrive they will step aboard a Flagship and presto! they'll be tramping the Town of Tomorrow or exploring Treasure Island, with vacation no more than a few hours old.

Why not plan just as good a vacation for yourself? Flagship fares are low—glance at the examples on page 11. Meals aloft are complimentary. You'll have as many pleasant memories of the Flagship trip as of the Fair itself.

The maps at the left show how quickly you can fly to either Fair. For more information on the many vacationlands along American's routes, just sign and mail the coupon. This year, make it a Flagship Vacation for FUN!
