ROUTE OF THE FLAGSHIPS

GENERAL INFORMATION

ANIMALS—Pets will be accepted as excess baggage under certain conditions. Consult American Airlines agent.

AIR EXPRESS—All flights carry Air Express. Special door-to-door pick-up and delivery afforded by Air Express Division of the Railway Express Agency, Inc.

BAGGAGE—Forty (40) pounds of baggage will be carried free on any ticket. The term "baggage" shall mean all luggage including briefcases, portfolios, parcels, sleeper envelopes, camera equipment and similar articles whether carried in the cabin or checked in cargo compartment. Excess baggage carried upon special arrangements and at the rate per pound of one-half of one per cent of the air passenger fare, with a minimum charge of twenty-five cents, and the liability of the Carrier for loss of or damage to baggage and/or personal property is limited to the amount of One Hundred Dollars (\$100.00) unless a higher valuation be declared and an additional charge paid therefor. Excess valuation limited to \$2500.00 on each full fare ticket. From 44 to 55 pounds of baggage will be carried free on tickets of passengers destined to Mexico, Central and South America using Pan American Airways. Inquire of ticket agent for full details. On tickets of transoceanic passengers 55 pounds of baggage will be carried free by plane, or 40 pounds will be carried by plane and 100 additional pounds transported by rail express at the Company's expense.

CHILDREN—Children two years of age and under twelve will be charged one-half the published one-way and round-trip fares over the lines of American Airlines. Children traveling at half fare will be entitled to adult baggage allowances and will be required to pay adult excess baggage and sleeper charges. One child under two years of age and carried in the arms of parent or guardian will be carried free.

EQUIPMENT—All American Airlines flights are operated with Douglas equipment. Except where "Skysleepers" are operated on the "Southern Transcontinental Route," the 21-passenger "Flagship Club" is universally used.

FOUNTAIN PENS, LIQUIDS, ETC.—Due to changes in atmospheric pressure fountain pens and other liquid containers have a tendency to leak. Usually all that is necessary is to screw the caps on tightly. However, it is advisable to securely wrap pens and containers, in handbags and luggage, to insure against damage to other articles.

GENERAL—The use of alcoholic beverages is not permitted on planes.

GROUND TRANSPORTATION—American Airlines has arranged ground transportation services at reasonable rates in all cities it serves. See Page 10. Passengers using their own transportation direct to the airport are requested to report to the ticket agent at least ten (10) minutes before plane departure time.

INSURANCE—Trip insurance is available at all airlines offices.

PASSAGE, CANCELLATION BY COMPANY—The Company reserves the right to cancel bookings before passage or enroute. Captain may remove passengers from plane at any point on the route for safety or other cause. In all events the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

PASSAGE, CANCELLATION BY PASSENGER—The purchaser may receive a refund for passage if canceled two hours prior to flight.

REFUNDS—Requests for refunds should be addressed to General Auditor, American Airlines, Inc., N. Y. Municipal Airport, Jackson Heights, N. Y.

RESERVATIONS—All space is reserved, though no definite seat assignments are made. Reservations will not be held unless tickets are purchased in advance. The sale of any seat is necessarily subject to Company regulations for the control of space which in certain instances restrict the release of portions of through seats.

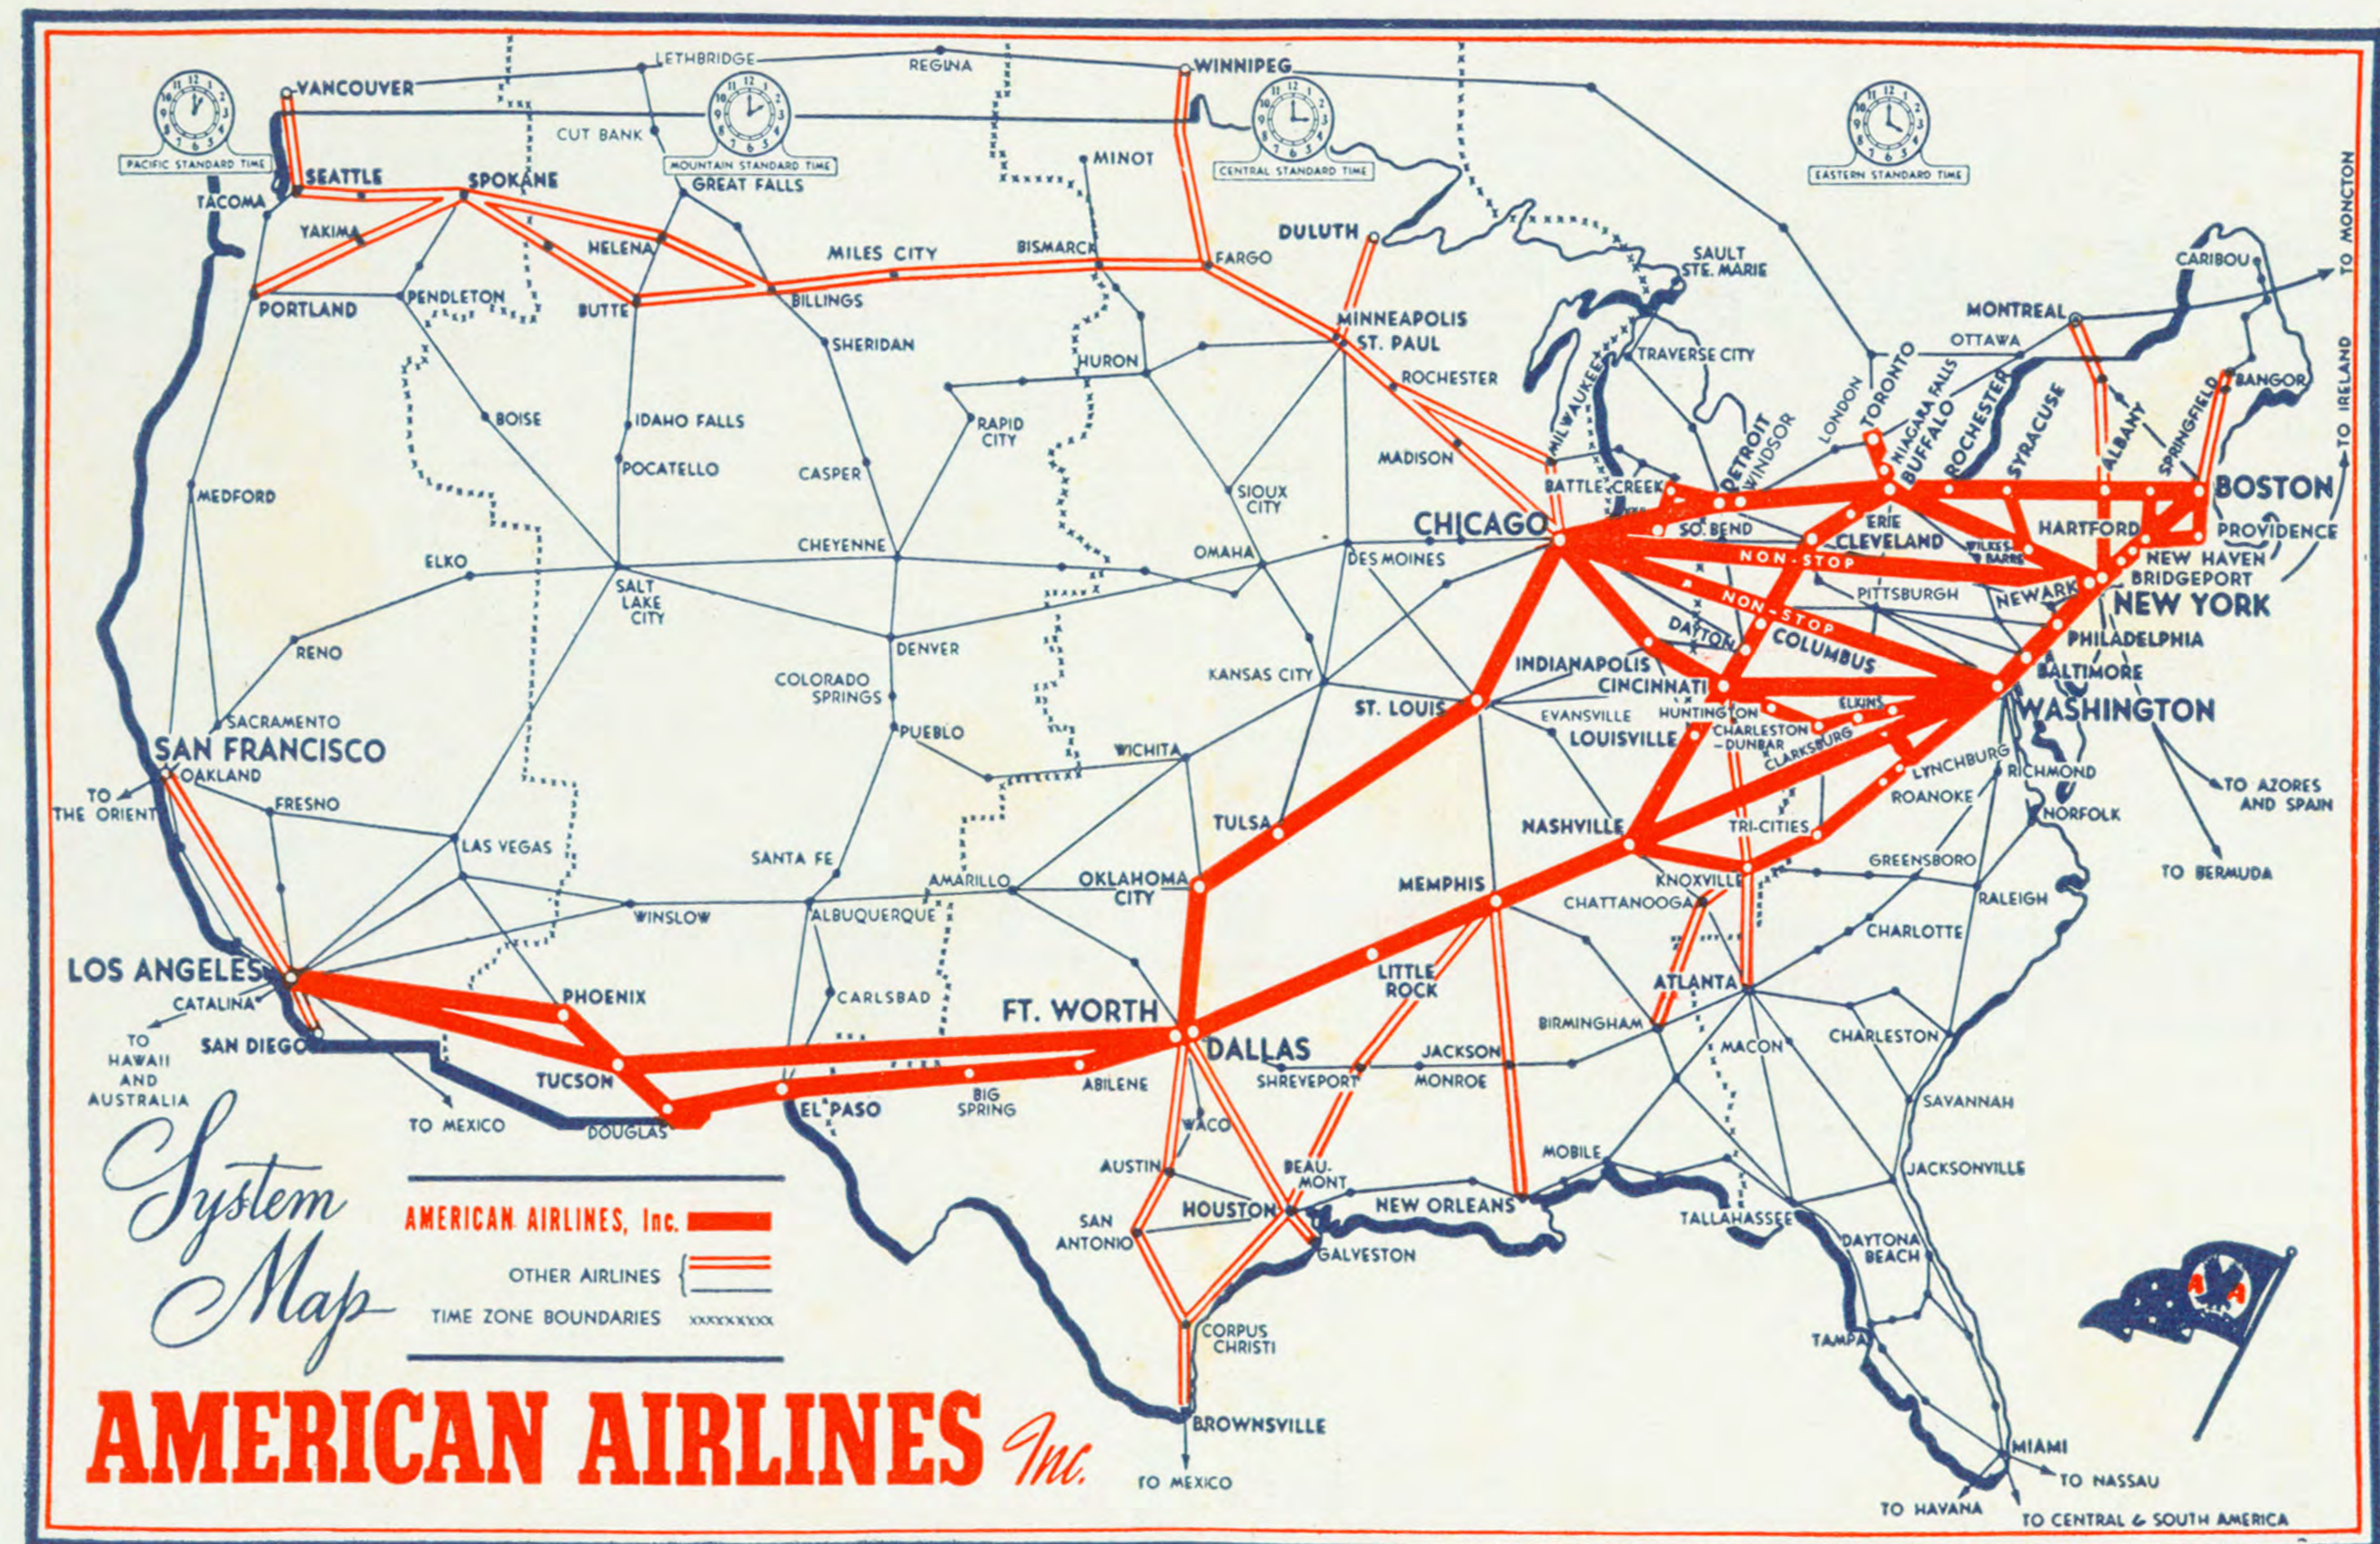

ROUND TRIP FARES—10% reduction from the sum of the one-way fares when round-trip tickets are purchased before the trip is started. Return tickets are valid 4 months from date of issuance.

STEWARDESSES—Stewardesses are aboard all American Airlines flights.

STOP-OVER—Stop-overs will be allowed at any regular stop, provided reservation is made accordingly.

SUGGESTION—Baggage not accessible during flight. Kindly carry necessities, such as Toilet Articles, with you. Handy bags for this purpose are a complimentary feature for "SKYSLEEPER" passengers.

TIME TABLES—These time-tables show the times at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival, or connection at the time stated is not guaranteed. American Airlines reserves the right to vary from the time shown in this folder without notice to the public.
