GENERAL INFORMATION

AIR EXPRESS—All flights carry Air Express. Special door-to-door pick-up and delivery afforded by Air Express Division of the Railway Express Agency, Inc.

CAMERAS—Due to wartime restrictions, no cameras may be carried into the cabin of American Airlines airplanes.

GROUND TRANSPORTATION—American Airlines has arranged ground transportation services at reasonable rates in all cities it serves. Passengers using their own transportation direct to the airport are requested to report to the ticket agent at least ten (10) minutes before plane departure time.

RESERVATIONS—All space is reserved, though no definite seat assignments are made. Reservations will not be held unless tickets are purchased in advance. The sale of any seat is necessarily subject to Company regulations for the control of space which in certain instances restrict the release of portions of through seats.

UNSCHEDULED LANDINGS—The needs of the war program require that the maximum amount of space be made available on all flights for the transportation of passengers, mail and cargo. On certain flights it will, therefore, occasionally be necessary to make unscheduled landings at intermediate airports en-route for fuel.
