**CAMERAS**—Due to wartime restrictions, no cameras may be carried into the cabin of American Airlines' airplanes.

**CHILDREN**—One child under two years of age and not occupying a seat, will be carried free with each accompanying passenger twelve years of age or over.

**ROUND-TRIP CHILDREN'S AND GOVERNMENT FARES**—Consult our agent for special fares applicable to round-trip passengers, children and government travelers to and from international points.

**CREDENTIALS FOR INTERNATIONAL TRAVEL**—All American Airlines offices are prepared to advise passengers concerning documents necessary for international travel.

**EQUIPMENT**—All American Airlines flights are operated with Douglas 21-passenger "Flagship Club" Airplanes.

**FOUNTAIN PENS, LIQUIDS, ETC.**—Due to changes in atmospheric pressure fountain pens and other liquid containers have a tendency to leak. Usually all that is necessary is to screw the caps on tightly. However, it is advisable to securely wrap pens and containers, when placed in handbags, to insure against damage to other articles.

**GENERAL**—The use of alcoholic beverages is not permitted on planes.

**GROUND TRANSPORTATION**—American Airlines has arranged ground transportation services at reasonable rates in all cities it serves. Passengers using their own transportation direct to the airport are requested to report to the ticket agent at least ten (10) minutes before plane departure time. Passengers must arrive at airports for international flights at least thirty (30) minutes prior to scheduled departure.

**INSURANCE**—Trip insurance is available at all airline offices.

**PASSAGE, CANCELLATION BY COMPANY**—The Company reserves the right to cancel bookings before passage or enroute. Captain may remove passengers from plane at any point on the route for safety or other cause. In all events the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

**PASSAGE, CANCELLATION BY PASSENGER**—The purchaser may receive a refund for passage if cancelled prior to departure in accordance with Tariff.

**REFUNDS**—Requests for refunds should be addressed to the Assistant Treasurer, American Airlines, Inc., 100 East 42nd Street, New York 17, N. Y.

**RESERVATIONS**—All space is reserved, though no definite seat assignments are made. Reservations will not be held unless tickets are purchased in advance. The sale of any seat is necessarily subject to Company regulations for the control of space which in certain instances restrict the release of portions of through seats.

**STEWARDESSES**—Stewardess service on all American Airlines' flights.

**STOP-OVER**—Stopovers will be allowed at any regular stop, provided reservation is made accordingly.

**TIME TABLES**—These time tables show the times at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival, or connection at the time stated is not guaranteed. American Airlines reserves the right to vary from the time shown in this time table without notice to the public.

**UNSCCHEDULED LANDINGS**—The needs of the War Program require that the maximum amount of space be made available on all flights for the transportation of passengers and cargo. On certain flights it will, therefore, occasionally be necessary to make unscheduled landings at intermediate airports enroute for fuel.
