# AMERICAN AIRLINES I N C.

COMPLETE **FLIGHT SCHEDULES** FEB. 7, 1945

ROUTE OF THE *Flagships*

# AMERICAN AIRLINES INC.

# AMERICAN AIRLINES INC.

## GENERAL INFORMATION

**AIR EXPRESS** — All flights carry Air Express. Special door-to-door pickup and delivery afforded by Air Express Division of the Railway Express Agency, Inc., New International Air Express Service to Monterrey and Mexico City.

**AIRFREIGHT** — For information regarding rates, pickup and delivery service, inquire at any American Airlines office.

**AIR MAIL** — All flights carry Air Mail.

**BAGGAGE** — Forty (40) pounds of baggage will be carried free on any domestic ticket. The term "baggage" shall mean all luggage including briefcases, portfolios, parcels, sleeper envelopes, camera equipment and similar articles whether carried in the cabin or checked in cargo compartment. Excess baggage carried upon special arrangements and at the rate per pound of approximately one-half of one per cent of the published air passenger fare, subject to a minimum charge of twenty-five cents, and the liability of the Carrier for loss of or damage to baggage and/or personal property is limited to the amount of One Hundred Dollars (\$100.00) unless a higher valuation be declared and an additional charge paid therefor. Excess valuation limited to \$2,500.00 on each full fare ticket. 55 pounds of baggage will be carried free on tickets of passengers to and from Mexico. Inquire of ticket agent for full details.

**CAMERAS** — Due to wartime restrictions, no cameras may be carried into the cabin of American Airlines' airplanes.

**CHILDREN** — One child under two years of age, not occupying a seat, will be carried free with each accompanying passenger twelve years of age or over.

**EQUIPMENT** — All American Airlines' flights are operated with Douglas 21-passenger "Flagship Club" Airplanes, except flights 801, 802, 815 and 816 which are operated with Douglas Airfreighter equipment. Equipment is scheduled to operate through, as shown in the Tables.

**FARES** — All fares are shown herein for information purposes only, and are subject to correction and change without notice. Official tariffs are on file and open for public inspection at any American Airlines office.

**FOUNTAIN PENS, LIQUIDS, ETC.** — Due to changes in atmospheric pressure, fountain pens and other liquid containers have a tendency to leak. Usually all that is necessary is to screw the caps on tightly. However, it is advisable to wrap pens and containers securely, when placed in handbags, to insure against damage to other articles.

**GENERAL** — The use of alcoholic beverages is not permitted on planes.

**GROUND TRANSPORTATION** — American Airlines has arranged ground transportation services at reasonable rates in all cities it serves. See Page 11. Passengers using their own transportation direct to the airport are requested to report to the ticket agent at least ten (10) minutes before plane departure time. Passengers must arrive at airports for International flights at least 30 minutes prior to scheduled departure.

**INSURANCE** — Trip insurance is available at all airline offices.

**MEALS** — All meals served aloft are complimentary.

**PASSAGE CANCELLATION BY COMPANY** — The Company reserves the right to cancel bookings before passage or enroute. Captain may remove passengers from plane at any point on the route for safety or other cause. In any event the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

## GENERAL INFORMATION — Continued

**PASSAGE CANCELLATION BY PASSENGER** — The purchaser may receive a refund for unused transportation providing reservation is cancelled prior to departure.

**REFUNDS** — Requests for refunds should be addressed to the Assistant Treasurer, American Airlines, Inc., 100 East 42nd St., New York 17, N. Y.

**RESERVATIONS** — All space is reserved, though no definite seat assignments are made. Reservations will not be held unless tickets are purchased in advance. The sale of any seat is necessarily subject to Company regulations for the control of space which in certain instances restrict the release of portions of through seats.

**STEWARDESSES** — Stewardess service on all American Airlines flights.

**STOP-OVER** — Stop-overs will be allowed at any regular stop, provided reservation is made accordingly.

**TAXES** — Any ticket taxes imposed by Governmental authority are in addition to transportation fare, and will be collected wherever effective.

**TIME-TABLES** — These time-tables show the time at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival, or connection at the time stated is not guaranteed. American Airlines reserves the right to vary from the time shown in this publication without notice to the public.

**UNSCHEDULED LANDINGS** — The needs of the War Program require that the maximum amount of space be made available on all flights for the transportation of passengers and cargo. On certain flights it will, therefore, occasionally be necessary to make unscheduled landings at intermediate airports enroute for fuel.

## INTERNATIONAL PASSENGERS

**ARRIVAL AT AIRPORTS FOR INTERNATIONAL FLIGHTS** — Passengers must arrive at the airport in time to permit the completion of governmental or other formalities and the checking of baggage before scheduled departure. Departures will not be delayed for those failing to observe this requirement, and American Airlines, Inc., will be under no liability to any such passenger except to refund such portion, if any, of the fare as permitted by the Tariff.

**CREDENTIALS FOR INTERNATIONAL TRAVEL** — All A.A. offices are prepared to advise passengers concerning documents necessary for international travel.

**PASSPORTS AND VISAS** — Passengers must possess all documents (such as valid passports and/or other certificates) if required by the laws of the countries from, into or over which they are to fly. As these regulations vary considerably, passengers should consult the Consulates of such countries before requesting reservations. Should any required documents be missing, passage may be denied. (See "ARRIVAL AT AIRPORTS FOR INTERNATIONAL FLIGHTS" above). American Airlines, Inc., will not be responsible for the consequences resulting from failure to comply with these requirements.

**ROUND TRIP CHILDREN'S AND GOVERNMENT FARES** — Consult ticket agent for special fares applicable to round trip passengers, children and government travelers to and from international points.
