It's Always Vacation Time....

RESORTS are crowded now... cause everyone seems to think of only June, July and August as vacation months... forgetting that in today's Air Age... every season is good for a holiday. Remember... American's giant new five-mile-a-minute Five-Star Flagships really save you time... time to fish and swim... time to dance, hunt, ride... yes, American Airlines can really *give* you lots of that most precious commodity—*time*. We've made up a little booklet called a "Bill of Fare"... to give you helpful hints on how and where. Your local AA office, or favorite Travel Agent, will be glad to give you a copy.
