YOU GET A

"TIME DIVIDEND"

Yes, there's a real dividend when you travel American. A dividend of hours if you're pleasure-bound; or real cash if you're traveling professionally . . . for in business, time is money.

WHAT IS *The AMERICAN AIRLINES System?*

People often ask this question and the answer is simple. It's a ***single*** standard of service spread over half of the world. If you're going to and from Europe, you'll travel on American Overseas Airlines; within the United States and Canada, it will be just plain ***American;*** and in Mexico, you'll notice it's AA ***De Mexico.*** But most important, no matter what small difference in the name, they are all part of The American Airlines System and so insure you the same superior standards of food, service, speed.

Three More Cities Join The Flagship Route

The widespread routes of American Airlines, ranging as they do from San Francisco to Helsinki and Mexico City to Toronto, recently filled out a little more with the addition of three more points on the AA map. On November 29, Charleston, West Virginia became operative again on the Route of the Flagships; on December 1, Wilmington, Delaware celebrated the inauguration of Flagship service; and coming to Richmond, Virginia on January 18 will be still more service, the American way.

TO ALL THREE, WE AT AMERICAN SAY—WE'RE PROUD AND HAPPY TO SERVE YOU.

SAN FRANCISCO

NEW YORK • WASHINGTON • TEXAS • ARIZONA

NOW'S THE TIME *To Visit* MEXICO

WITH wintery winds blowing and reports of snow coming in from all over the country, why not think about a sun-kissed vacation south of the border? American Airlines' speedy four-engine Flagships will whisk you there in a few short hours. You'll fly right to Mexico City or Monterrey (where you can see sights famous for years) . . . the trip is so fast it even makes a worthwhile week-end excursion.

There are native silver marts . . . pottery produced by methods handed down from the Aztecs . . . the tense drama of the bull ring . . . the glorious exotic scenery that is Mexico.

You'll be greeted with the tinkling strum of mariachi—guitars and other stringed instruments playing native tunes. The famous Mexican cooking is there to tickle your palate; and clean, modern hotels insure you a comfortable pleasant stay.

Whether you plan to tour the back roads and see such sights as the ruins and ancient pyramids, or if you prefer a stay in town to bargain for souvenirs or practice your rumba, you'll enjoy the warm sunshine and friendly, pleasant atmosphere that is Mexico today.

The above are given for information only and American Airlines will not be responsible for any failure of passengers to comply with governmental requirements in force at the time of their passage.

BAGGAGE — For Mexico and Canada passengers refer to left hand column, this page. For Overseas passengers: **Free Baggage** allowance is 66 pounds. **Excess Baggage** may be accepted, space and weight permitting, at the rate of 1% of the one way adult fare, per kilo (2.21 pounds). **Liability of Carrier** is limited to $100.00 unless a higher valuation is declared and paid for at the rate of 15 cents per $100.00 or fraction thereof. Total valuation limited to $5000.00.

PETS (tame animals or birds) will not be accepted for carriage as baggage between the United States and points on Overseas Routes.

CHECK-IN AT PORT OF EMBARKATION — Passengers must arrive sufficiently in advance of the scheduled departure of aircraft to permit checking of their baggage and the completion of governmental and other formalities. Passengers on overseas flights must arrive at airport of embarkation at least one hour before scheduled departure. Flights will not be delayed for passengers who arrive too late and the carrier shall not be liable to any such passenger except to refund a portion of the fare in accordance with tariff provisions. Passengers holding return reservations from Mexico, whether ticketed or not, must contact by phone, wire, or in person the American Airlines offices in Mexico City or Monterrey not later than 24 hours prior to scheduled departure or it will be assumed that they wish their return reservations to be cancelled.
Overseas passengers holding return reservations from Europe or the United States must contact by phone, wire or in person the American Airlines Office in the originating city for the return passage at least 72 hours prior to scheduled departure time of their flight or it will be assumed that they wish their reservation to be cancelled.

CHILDREN — One child under two years of age, not occupying a seat, will be carried with each accompanying passenger twelve years of age or over:
To Mexico and Canada free of charge.
To Europe and/or return, 10% of one way or round trip adult fare applicable from or to Boston, regardless of point of origin or destination in the United States. (No charge is made for the domestic portion of the passage to or from the originating or terminating point of the overseas portion of the flight.)
Children in excess of one accompanying a passenger twelve years of age or over, and all children over two but under twelve will be charged one-half the applicable fares published in International Tariffs.

CURRENCY RESTRICTIONS — Passengers to countries other than Canada or Mexico should not carry United States currency in denominations larger than $50.00 bills. Many European and Latin American countries prohibit the importation of more than $50.00 or equivalent in any currency. It is strongly recommended that all funds of international travelers be converted into Travelers checks, bank drafts, letter of credit, or other similar financial paper.

CUSTOMS DUTIES ON BAGGAGE — Baggage of International travelers will be examined by customs officers of each country on arrival. Personal articles intended for use while traveling are admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.
Residents of the United States are permitted to bring back, duty free, $100.00 in merchandise acquired outside United States, provided the traveler has been away from United States more than 48 hours (except to Mexico where no minimum is prescribed) and further provided that this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family.

IMPORTANT — If exemption is to be claimed on any merchandise **not** moving on the same plane with the passenger, the customs declaration must be filled out in **duplicate.** This applies to all unaccompanied articles, whether followed by later plane or moving surface transportation.

RESERVATIONS — Reservation requests must include the following information:
1. Passenger's name.
2. Citizenship.

TAXES — Mexican transportation tax, varying from $.45 to $2.25 depending on value of ticket, will be assessed at time return reservations are checked.
