HERE ARE Two Cents WHICH MAKES SENSE

YES, it makes sense to spend two additional cents and send your letters via Air Mail. Many large companies throughout the United States are finding that the small additional amount that they spend to send their business correspondence, orders, and invoices Air Mail is actually a saving and more often than not an investment which pays dividends. Correspondence sent Air Mail gets prompt reading, orders are filled faster, bills are paid quicker. In these days of a rapidly growing buyers' market, time means money

AND AIR MAIL SAVES TIME
