Passengers on international flights must possess all documents required by the laws of the countries from, into or over which they are to fly and should any required documents be missing, passage may be denied. American Airlines will not be responsible for any failure of passengers to comply with governmental requirements in force at the time of their journey.

BAGGAGE — Canada passengers refer to left hand column, this page. **For** Mexico and Overseas passengers travelling by air: **Free Baggage** allowance is 66 pounds. **For** Mexico and Overseas passengers travelling by other than air: **Free Baggage** allowance is 55 pounds. **For** Round-The-World passengers travelling by air: **Free Baggage** allowance is 88 pounds. **Excess Baggage** may be accepted, space and weight permitting, at the rate of 1% of the one way adult fare, per kilo(2.21 pounds). **Liability of Carrier** is limited to $100.00 unless a higher valuation is declared and paid for at the rate of 10 cents per $100.00 and fraction thereof for Mexican passengers, and 15 cents per $100.00 and fraction thereof for Overseas passengers. Total valuation for Mexican passengers is limited to $2,500.00—for Overseas passengers $5 000.00. Baggage may also be sent "The Sutherland Way" a door-to-door, all inclusive-cost system for shipping bulky or unusually heavy gear ahead to await you in Europe. This convenient low-cost service takes care of all details—permits, customs clearance, insurance, etc. It may also be shipped via American Airlines international cargo service as unaccompanied baggage at the low unaccompanied rate.

PETS — (tame animals or birds) will not be accepted for carriage as baggage between the United States and points on Overseas Routes.

CHECK-IN AT PORT OF EMBARKATION — Passengers must arrive sufficiently in advance of the scheduled departure of aircraft to permit checking of their baggage and the completion of governmental and other formalities. Passengers on overseas flights must arrive at airport of embarkation at least one hour before scheduled departure. Flights will not be delayed for passengers who arrive too late and the carrier shall not be liable to any such passenger except to refund a portion of the fare in accordance with tariff provisions. Passengers holding return reservations from Mexico, whether ticketed or not, must contact by phone, wire, or in person the American Airlines offices in Mexico City or Monterrey not later than 24 hours prior to scheduled departure or it will be assumed that they wish their return reservations to be cancelled.

Overseas passengers holding return reservations from Europe or the United States must contact by phone, wire or in person the American Airlines Office in the originating city for the return passage at least 72 hours prior to scheduled departure time of their flight or it will be assumed that they wish their reservation to be cancelled

CHILDREN — One child under two years of age, not occupying a seat, will be carried with each accompanying passenger twelve years of age or over:

To Mexico and Canada (except Newfoundland) free of charge.

To Europe (and Newfoundland) and/or return, 10% of one way or round trip adult fare from or to Boston, Chicago, Detroit, New York, Philadelphia or Washington depending on point of origin or destination in the United States.

Children in excess of one accompanying a passenger twelve years of age or over, and all children over two but under twelve will be charged one-half the applicable fares published in International Tariffs.

CURRENCY RESTRICTIONS — Passengers to countries other than Canada or Mexico should not carry United States currency in denominations larger than $50.00 bills. Many European and Latin American countries prohibit the importation of more than $50.00 or equivalent in any currency. It is strongly recommended that all funds of international travelers be converted into Travelers checks, bank drafts, letter of credit, or other similar financial paper.

CUSTOMS DUTIES ON BAGGAGE — Baggage of International travelers will be examined by customs officers of each country on arrival. Used personal articles intended for use while traveling are generally admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.

Residents of the United States are permitted to bring back, duty free, $100.00 in merchandise acquired outside United States, provided the traveler has been away from United States more than 48 hours (except to Mexico where no minimum time is prescribed) and further provided that this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. $300 worth additional allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U.S. for at least 12 days.

Important — If exemption is to be claimed on any merchandise **not** moving on the same plane with the passenger, the customs declaration must be filled out in **duplicate.** This applies to all unaccompanied articles, whether followed by later plane or moving surface transportation.

RESERVATIONS — Reservations requests must include the following information:
1. Passenger's name.
2. Citizenship.

TAXES — Mexican transportation tax, varying from $.46 to $2.72 depending on value of ticket, will be assessed at time return reservations are checked.

Call or visit any American Airlines office or authorized travel agent for further details concerning the above information.
