S. citizens when destined to Canada, Bermuda, Bahamas, Mexico, or Cuba must fall within one of the classifications below to be eligible for transportation through the U. S. under this procedure: a) returning residents of country to which they are destined, b) British subjects, or c) native born citizens of a non-quota country of Western Hemisphere.

Smallpox Vaccination Certificate not more than 3 years old is required by all passengers returning to the United States from Europe or Mexico. Should be obtained prior to departure from the U. This convenient low-cost service takes care of all details—permits, customs clearance, insurance, etc. It may also be shipped via American Airlines international cargo service as unaccompanied baggage at the low unaccompanied baggage rate.

PETS — (tame animals or birds) will not be accepted for carriage as baggage between the United States and points on Overseas Routes.

CHECK-IN AT PORT OF EMBARKATION — Passengers must arrive sufficiently in advance of the scheduled departure of aircraft to permit checking of their baggage and the completion of governmental and other formalities. Passengers on overseas flights must arrive at airport of embarkation at least one hour before scheduled departure. To Europe (and Newfoundland) and/or return 10% of the applicable one way or round trip adult fare from or to Boston, Chicago, Detroit, New York or Philadelphia depending on point of origin or destination in the United States.
Except as otherwise provided above, children under twelve will be charged one half of the applicable adult fare.

CURRENCY RESTRICTIONS — Passengers to countries other than Canada or Mexico should not carry United States currency in denominations larger than $50.00 bills. Many European and Latin American countries prohibit the importation of more than $50.00 or equivalent in any currency. It is strongly recommended that all funds of international travelers be converted into Travelers checks, bank drafts, letter of credit, or other similar financial paper.

CUSTOMS DUTIES ON BAGGAGE — Baggage of International travelers will be examined by customs officers of each country on arrival. Used personal articles intended for use while traveling are generally admitted free of duty except by Mexico. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.
Residents of the United States are permitted to bring back, duty free, $200.00 in merchandise acquired outside United States, provided the traveler has been away from United States more than 48 hours (except to Mexico where no minimum time is prescribed) and further provided that this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. $200.00 worth **additional** allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U. S. for at least 12 days.
Important — If exemption is to be claimed on any merchandise **not** moving on the same plane with the passenger, the customs declaration must be filled out in **duplicate.** This applies to all unaccompanied articles, whether followed by later plane or moving surface transportation.

RESERVATIONS — Reservations requests must include the following information:
1. Passenger's name.
2. Citizenship.

TAXES — Mexican transportation tax, varying from $.46 to $2.72 depending on value of ticket, will be assessed at time return reservations are checked.

Call or visit any American Airlines office or authorized travel agent for further details concerning the above information.
Rules summarized above are subject to those published in tariffs filed with applicable governmental authority.
