Passengers on international flights must possess all documents required by the laws of the countries from, into or over which they are to fly and should any required documents be missing, passage may be denied. American Airlines will not be responsible for any failure of passengers to comply with governmental requirements in force at the time of their journey.

BAGGAGE — Canada passengers refer to left hand column, this page. **For** Mexico and overseas passengers travelling by air: **Free Baggage** allowance is 66 pounds. **For** Mexico and overseas passengers travelling by other than air: **Free Baggage** allowance is 55 pounds. **For** Round-The-World passengers travelling by air: **Free Baggage** allowance is 88 pounds. **Excess Baggage** may be accepted, space and weight permitting, at the rate of 1% of the one way adult fare, per kilo (2.21 pounds) for the first 10 kilos; over 10 kilos the rate is ½ of 1% per kilo. **Liability of Carrier** is limited to $100.00 unless a higher valuation is declared and paid for at the rate of 10 cents per $100.00 and fraction thereof for Mexican passengers, and 15 cents per $100.00 and fraction thereof for overseas passengers. Total valuation for Mexican passengers is limited to $25,000.00.

RETURN RESERVATIONS FROM MEXICO — Passengers holding return reservations from Mexico, whether ticketed or not, must contact by phone, wire, or in person the American Airlines offices in Mexico City or Monterrey not later than 24 hours prior to scheduled departure or it will be assumed that they wish their return reservations to be cancelled.

CHILDREN — One child under two years of age, not occupying a seat, will be carried with each full fare passenger twelve years of age or over to Mexico and Canada free of charge.

Except as otherwise provided above, children under twelve will be charged one half of the applicable adult fare.

CURRENCY RESTRICTIONS — Passengers to countries other than Canada or Mexico should not carry United States currency in denominations larger than $50.00 bills. Many European and Latin American countries prohibit the importation of more than $50.00 or equivalent in any currency. It is strongly recommended that all funds of international travelers be converted into Travelers checks, bank drafts, letter of credit, or other similar financial paper.

CUSTOMS DUTIES ON BAGGAGE — Baggage of International travelers will be examined by customs officers of each country on arrival. Used personal articles intended for personal use while traveling are generally admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.

Residents of the United States are permitted to bring back, duty free, $200.00 in merchandise acquired outside United States, provided the traveler has been away from United States more than 48 hours (except to Mexico where no minimum time is prescribed) and further provided that this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. $300.00 worth **additional** allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U. S. for at least 12 days.

Important—Passengers wishing to claim exemption of merchandise not moving on the same plane with them should declare such merchandise on the baggage declaration. If such unaccompanied baggage is to move in a single shipment to the passenger from a foreign country, the baggage declaration should be filled out in duplicate, and the duplicate copy retained after Customs' certification for subsequent entry of the unaccompanied baggage. In all other cases, only one copy of the declaration should be prepared. This applies to all unaccompanied baggage whether following by later plane or moving by surface transportation.

WINES AND LIQUORS—Residents of the United States may bring in one gallon of wine or liquor free of U. S. Customs duties. However, liquor or wine brought in by passengers is subject to limitations specified by their State of residence, which in many cases will be less than the U. S. Customs allowance. Non-residents are limited to one quart free of duty. As distinguished from U. S. Customs duties, the State of Texas imposes a tax on all liquor brought into the State from outside the U. S. by all passengers, except those going through Texas on the same flight. Persons terminating their journey in Texas are restricted to one quart of wine or liquor, and that amount will be taxed. Liquor possessed by passengers who are not residents of Texas but who are making a brief stopover in Texas, is also taxable. The tax amounts to about 30c per gallon on wine, and 36c per quart or $1.44 per gallon on liquor. Miniature bottles are taxable at 9c each, regardless of quantity of contents, for passengers in transit, and are prohibited for passengers destined to Texas.

TAXES — Mexican transportation tax, varying from $.46 to $2.72 depending on value of ticket, will be assessed at time return reservations are checked.

Call or visit any American Airlines office or authorized travel agent for further details concerning the above information.
