This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. \$300.00 worth **additional** allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U. **Important**—Passengers wishing to claim exemption of merchandise not moving on the same plane with them should declare such merchandise on the baggage declaration. If such unaccompanied baggage is to move in a single shipment to the passenger from a foreign country, the baggage declaration should be filled out in duplicate, and the duplicate copy retained after Customs' certification for subsequent entry of the unaccompanied baggage. In all other cases, only one copy of the declaration should be prepared. This applies to all unaccompanied baggage whether following by later plane or moving by surface transportation.

**WINES AND LIQUORS**—Residents of the United States may bring in one gallon of wine or liquor free of U. S. Customs duties. However, liquor or wine brought in by passengers is subject to limitations specified by their State of residence, which in many cases will be less than the U. S. Customs allowance. Non-residents are limited to one quart free of duty. As distinguished from U. S. Customs duties, the State of Texas imposes a tax on all liquor brought into the State from outside the U. S. by all passengers, except those going through Texas on the same flight. Persons terminating their journey in Texas are restricted to one quart of wine or liquor, and that amount will be taxed. Liquor possessed by passengers who are not residents of Texas but who are making a brief stopover in Texas, is also taxable. The tax amounts to about 30c per gallon on wine, and 36c per quart or \$1.44 per gallon on liquor. Miniature bottles are taxable at 9c each, regardless of quantity of contents, for passengers in transit, and are prohibited for passengers destined to Texas.
