PASSENGER INFORMATION

Information contained herein is excerpted from rules published in American Airlines Tariffs on file with applicable government authorities. All transportation is sold subject to these Tariffs, copies of which are on file and open for public inspection at all American Airlines Ticket Offices. For additional information and specific details call or visit any American Airlines office or your Travel Agent.

AIRPORT BOARDING TIME LIMITS—Reservations for passengers failing to present themselves at the loading gate for boarding at least five minutes (twenty minutes for Caribbean, Atlantic and Mexico flights) before the scheduled departure time of the flight even if the passenger has already checked in for the flight at a location designated for such purposes will be considered void and boarding will be at American Airlines' discretion.

ALCOHOLIC BEVERAGES— Federal Aviation Administration regulations provide that no persons may drink alcoholic beverages aboard an aircraft unless they have been served by the airline, and no such beverage may be served to any person who appears intoxicated.

BAGGAGE—Federal Aviation Administration Safety Regulations require that all baggage that cannot be stowed under a seat or in an approved overhead or carry-on compartment must be checked. Approximate dimensions for under seat stowage is 9"x13"x23". Passenger identification is required on the outside of all checked baggage.

For travel within the United States, or between the United States and San Juan, St. Thomas, St. Croix or Canada the following pieces of baggage will be carried free, provided that no single piece weighs more than 70 pounds:

1. One piece with total outside dimensions not exceeding 62 inches (L + W + H).
2. One piece with total outside dimensions not exceeding 55 inches (L + W + H).
3. One or more pieces which measured together do not exceed 45 inches in total outside dimensions (L + W + H), and also provided that the combined weight does not exceed 70 pounds.

Excess baggage for travel in the United States and/or Canada will be charged \$8.00 for each of the first four pieces, and \$32.00 for each additional piece. Since there are additional size and/or weight restrictions for excess and oversize baggage, consult with American Airlines for details. Any piece of baggage weighing more than 100 pounds will not be accepted.

For international travel, varying free allowances and excess baggage charges apply depending upon the passenger's destination. Contact American Airlines for information.

EXCEPTIONS: Certain items of sporting equipment, pets, etc., will not be included in the free baggage allowance; consult American Airlines for applicable charges.

Carriage of restricted articles, e.g.: flammable liquids, gases or solids; radioactive materials; explosives; corrosives; poisons; oxidizing materials; other restricted articles (such as mercury, magnetic or offensive materials, etc.) in passengers' baggage is prohibited without prior consent and predeparture arrangements with American Airlines. Acceptance of baggage, checked or unchecked, is subject to Tariff Regulations relating to content. Fragile and perishable articles are transported at passenger's own risk.

BAGGAGE LIABILITY AND CLAIMS—Unless excess valuation is declared prior to flight departure, the maximum liability for checked baggage and claims relating thereto is established by the applicable tariff.

For travel claims within the United States or between the United States and San Juan, St. Thomas or St. Croix, the maximum baggage liability is \$750.00 per passenger and all claims must be filed, in writing, within 45 days.

For most international travel (including domestic portions of international journeys) baggage liability is approximately \$634.90 per piece of checked baggage and \$400.00 per passenger for unchecked baggage or other property. Claims for damage must be filed, in writing, within seven days and claims for loss or delay must be filed in writing within twenty-one days.

CREDIT CARDS—You may charge air transportation and many related travel expenses to your Universal Air Travel Plan Card, American Airlines Credit Card and all major credit cards.

EQUIPMENT—Equipment types are those that are normally used to operate the flight shown. Because weather and other factors may affect routings, equipment is subject to change without notice.

FUEL SURCHARGE—A fuel surcharge of \$2.20 will be assessed each passenger when transportation is on a flight from San Juan, Puerto Rico to a point in the Continental United States. This surcharge applies in addition to all other charges and is not subject to any discount.

INFLIGHT ENTERTAINMENT—When a full-length movie is shown there is a headset charge of \$3.00 for adults and \$1.00 for children under 12 in the coach section.

INTERNATIONAL TRAVEL DOCUMENTS as required by the laws of the country for your destination or a country enroute must be available for presentation when necessary. American Airlines will not be responsible should any document be missing, and reserves the right to deny passage in compliance with the government requirements in force at the time of the journey. Current information on documents required for travel may be obtained from Consulate Offices, American Airlines, or your Travel Agent.

INTERNATIONAL DEPARTURES/ARRIVALS—All international flights depart from American Airlines terminals. At airports where a separate international arrivals area exists, American Airlines international flights may arrive in that area. Contact American Airlines for specific airport details.

REFUNDS—Request for refunds may be made of any American Airlines Ticket Office or by writing to Passenger Refund Department, American Airlines, Inc., P.O. Box 51380, Tulsa, OK. 74151

RESERVATIONS—Advance reservations are desirable, and may be obtained for any flight by contacting American Airlines or your Travel Agent.

SCHEDULES—Schedules shown are expected departures and arrivals, as planned at time of publication and are subject to change without notice. Actual times should be confirmed when making reservations. Because weather and other factors may affect safe operating conditions, departure times and arrival times are not guaranteed. Times published are local times. See below for time zones.

SECURITY—Federal Aviation Administration Security Regulations require that all carry-on baggage/articles must be inspected. All passengers will be processed through metal detecting devices.

At American, we do all we can to make sure that our passengers and their luggage arrive in the same place at the same time. To help us do still better, please follow these 12 luggage and packing tips:

1. Use sturdy, lockable luggage. Choose luggage that is strong and can be locked. We recommend use of combination locks. Arrange any necessary repair or replacement of older bags before your trip.

2. Use external name tags. We can return a misplaced bag faster if your name and address are on it. Any AA ticketing location or baggage service office will be glad to provide free tags. Be sure your name and address are inside each bag, too.

3. Remove old destination tags. To avoid possible confusion, take off the destination tags from your previous trips.

4. Make lists of luggage contents. List the contents of your bags and keep the list with you. You can help us identify a misdirected bag by giving us an accurate list of its contents.

5. Avoid overpacking your bags. Overpacking can damage your bags and their contents. Pack only what your luggage can comfortably hold. Be particularly careful with canvas or similar soft-sided bags.

6. Treat fragile items with care. Pack small breakable souvenirs in your carry-on bag. Have larger breakables carefully packed for shipment. Tighten the tops of liquid containers before packing them.

7. Keep your valuables with you. Do not check house or car keys, insulin or other medication, money, jewelry, legal documents, passports, tourist cards or other valuable or negotiable items.

8. Follow carry-on luggage regulations. Carry-on bags must fit under your seat. Maximum allowable size is 9 inches by 13 inches by 23 inches. While our airplanes have some space for larger bags and garment bags, it is quite limited. Check them if you can.

9. Check in early for flights. Check in at least 30 minutes before scheduled departure for domestic flights, an hour before on international trips. Remember to allow enough extra time for the lines that are always a part of air travel during the peak times of the year. Early check-in gives us time to get your luggage to your plane; a last-minute check-in means the bags may still be in the terminal when you are in the air.

10. Monitor the luggage you check. Wait at the curbside or ticket counter until our agent or Skycap has tagged your bags. Double-check to be sure the tag receipt shows the right destination. Keep the receipt in a secure, easily accessible location.

11. Allow ample connecting time. An airline cannot connect bags as quickly as it connects passengers. Follow the scheduling advice of your Travel Agent or AA reservations agent.

12. Remember that bags look alike. Do not rely on style or color when reclaiming your luggage. Match the number on the bag tag with your tag receipt and check your ID tag before leaving the claim area.
