Dallas/Fort Worth

American Airlines is the largest carrier at Dallas/Fort Worth Airport with more than 270 flights a day to more than 70 business and pleasure destinations in the U.S., Canada, Mexico, the Caribbean, and Great Britain.

All American flights at Dallas/Fort Worth — arriving and departing — are located in terminals 2E and 3E. These two terminal buildings are linked by an enclosed moving sidewalk plus shuttle-van service that stops on the upper level of each terminal. Inside each terminal, video monitors provide accurate up-to-the-minute information on American's flights enabling passengers to confirm gate numbers and arrival/departure times.

An added convenience at D/FW — new computer-operated signs at both the north and south entrances — inform motorists entering the airport at which terminal their American flight arrives or departs. Arrivals and departures for terminal 2E are displayed, with all other flights being served from terminal 3E.

Passenger parking has also been expanded at the west reduced rate area and at the close-in parking areas at terminals 2E and 3E. Another American exclusive at Dallas/Fort Worth — Valet Parking — costs only \$5 plus close-in parking fees. Or when your plans allow, you may wish to use the remote parking facility located near the south entrance to the airport. It's an alternative to close-in parking and is convenient to the American terminal buildings via Airtrans.

A reference map of American's D/FW facility appears on the overleaf. American... getting more people where they want to go, conveniently. Just one of the things we do best.

Chicago O'Hare International Airport

Chicago

Airport Overview

Chicago O'Hare Airport is American Airlines major hub in the Midwest. One hundred and fifty flights take off daily for U.S. mainland destinations as well as Mexico, Canada and Alaska. From American's convenient "H" and "K" gates, passengers can easily connect to more than 70 other cities including Dallas/Fort Worth, Houston, Las Vegas, Los Angeles, Phoenix, Mexico City, San Antonio, San Diego, San Francisco, Washington, D.C., Baltimore, Toronto, Canada and, of course, New York.

Since 1950 American Airlines has led the airline industry in its daily service from Chicago to the Big Apple. We now offer 19 roundtrips daily with our 767 and DC-10 widebodied aircraft and our 727 fleet.

Throughout the "H" and "K" concourses, American has flight information video screens which enable passengers and visitors to verify their flight arrival and departure times at a glance.

Video screens in the baggage service area on the lower level indicate at which area specific flights will have baggage unloaded. And racks of Smarte-Carts are conveniently placed to assist the passenger who may prefer to "roll his own" luggage. Sky Caps and courtesy wheel-chairs are available upon request.

We've included a reference map of American's facility at O'Hare featuring our "H" and "K" concourses and arrival and departure locations.

American wants to make the start of your journey as easy as possible. From the moment you make your reservations to your arrival at the airport to boarding your flight, every part of our service is designed with you and your comfort in mind. At O'Hare Airport—the world's busiest airport—**American Airlines** offers its passengers complete and efficient service. Chicago—we're giving you our best.

American Airlines Freight System

At American, we do all we can to make sure that our passengers and their luggage arrive in the same place at the same time. To help us do still better, please follow these 12 luggage and packing tips:

1. Use sturdy, lockable luggage. Choose luggage that is strong and can be locked. We recommend use of combination locks. Arrange any necessary repair or replacement of older bags before your trip.

2. Use external name tags. We can return a misplaced bag faster if your name and address are on it. Any AA ticketing location or baggage service office will be glad to provide free tags. Be sure your name and address are inside each bag, too.

3. Remove old destination tags. To avoid possible confusion, take off the destination tags from your previous trips.

4. Make lists of luggage contents. List the contents of your bags and keep the list with you. You can help us identify a misdirected bag by giving us an accurate list of its contents.

5. Avoid overpacking your bags. Overpacking can damage your bags and their contents. Pack only what your luggage can comfortably hold. Be particularly careful with canvas or similar soft-sided bags.

6. Treat fragile items with care. Pack small breakable souvenirs in your carry-on bag. Have larger breakables carefully packed for shipment. Tighten the tops of liquid containers before packing them.

7. Keep your valuables with you. Do not check house or car keys, insulin or other medication, money, jewelry, legal documents, passports, tourist cards or other valuable or negotiable items.

8. Follow carry-on luggage regulations. Carry-on bags must fit under your seat. Maximum allowable size is 9 inches by 13 inches by 23 inches. While our airplanes have some space for larger bags and garment bags, it is quite limited. Check them if you can.

9. Check in early for flights. Check in at least 30 minutes before scheduled departure for domestic flights, an hour before on international trips. Remember to allow enough extra time for the lines that are always a part of air travel during the peak times of the year. Early check-in gives us time to get your luggage to your plane; a last-minute check-in means the bags may still be in the terminal when you are in the air.

10. Monitor the luggage you check. Wait at the curbside or ticket counter until our agent or Skycap has tagged your bags. Double-check to be sure the tag receipt shows the right destination. Keep the receipt in a secure, easily accessible location.

11. Allow ample connecting time. An airline cannot connect bags as quickly as it connects passengers. Follow the scheduling advice of your Travel Agent or AA reservations agent.

12. Remember that bags look alike. Do not rely on style or color when reclaiming your luggage. Match the number on the bag tag with your tag receipt and check your ID tag before leaving the claim area.

AAdvantage®

American's AAdvantage program was the first frequent flier program in the airline industry and is still the most innovative. Members can qualify for travel awards ranging from First Class upgrades to free trips.*

When we receive your AAdvantage application, we issue you a personal AAdvantage number and membership card. Only travel taken after you receive your AAdvantage identification number is credited toward AAdvantage awards.

AAdvantage participants earn mileage credits for all American Airlines and Frontier Airlines flights as well as British Airways flights to and from the U.S and London. Participants in the program also accrue AAdvantage mileage on all purchased Holland America Cruises. All you do is travel, we do the rest.

So pick up an AAdvantage application at your nearest American Airlines ticket counter or from a flight attendant the next time you fly American.

*AAdvantage mileage credit and awards to and from international destinations are subject to foreign government approval.
AAdvantage rules, regulations and special offers are subject to change without notice.

We're **American Airlines**.
Doing what we do best.

SERVICE is an **American** Tradition.

American knows the real difference between airlines is service—fast, friendly service from the time you make your reservation right up to the time you reach your destination. And that's exactly the kind of service people have come to expect from American.

SABRE Reservations System—Our computerized reservations system means faster service from the moment you pick up the phone. SABRE allows our reservations agents to find the most convenient flight for you and provide information for the lowest available fare. We can also handle your hotel and car rental reservations quickly and efficiently.

Pre-Reserved Seating—We can pre-reserve the seat you want up to 11 months in advance when you make your flight reservations.

Curbside Check-In—At most of American's domestic airports, you can check your bags at curbside for delivery to your final destination.

One-Stop Check-In—Once you're in the terminal, you can buy or pick up a ticket, select a seat and get a boarding pass in a single stop at the American ticket counter or at most flight-departure gates.*

Round-Trip Boarding Passes—You can pick up your boarding passes for all connecting and most return flights when you check in for your originating flight. Restrictions do apply to specific international destinations.

In-Flight Service—Once you're in the air, you'll find three more good reasons for flying American; our exceptional flight attendants, our outstanding meal service and our comfortable cabins. We serve you with the kind of warmth and courtesy that are part of the American Airlines tradition.

Better Baggage Handling Service—American has an improved baggage processing system and an experienced baggage handling team that works hard to assure faster, more reliable baggage deliveries and transfers. Getting your luggage to the right place at the right time is as important to us as it is to you.

SERVICE Start To Finish—On the ground or in the air we commit ourselves to bringing you the kind of exceptional service and dependability you deserve. Service in the American tradition.

*Service provided for all American Airlines domestic flights and available on most international flights.

American has a total commitment to being the world's best total freight system.
