# Dallas/Fort Worth

American Airlines is the largest carrier at Dallas/Fort Worth Airport with more than 270 flights a day to more than 70 business and pleasure destinations in the U.S., Canada, Mexico, the Caribbean and Great Britain.

All American flights at Dallas/Fort Worth —arriving and departing— are located in terminals 2E and 3E. These two terminal buildings are linked by an enclosed moving sidewalk plus shuttle-van service that stops on the upper level of each terminal. Inside each terminal, video monitors provide accurate up-to-the-minute information on American's flights enabling passengers to confirm gate numbers and arrival/departure times.

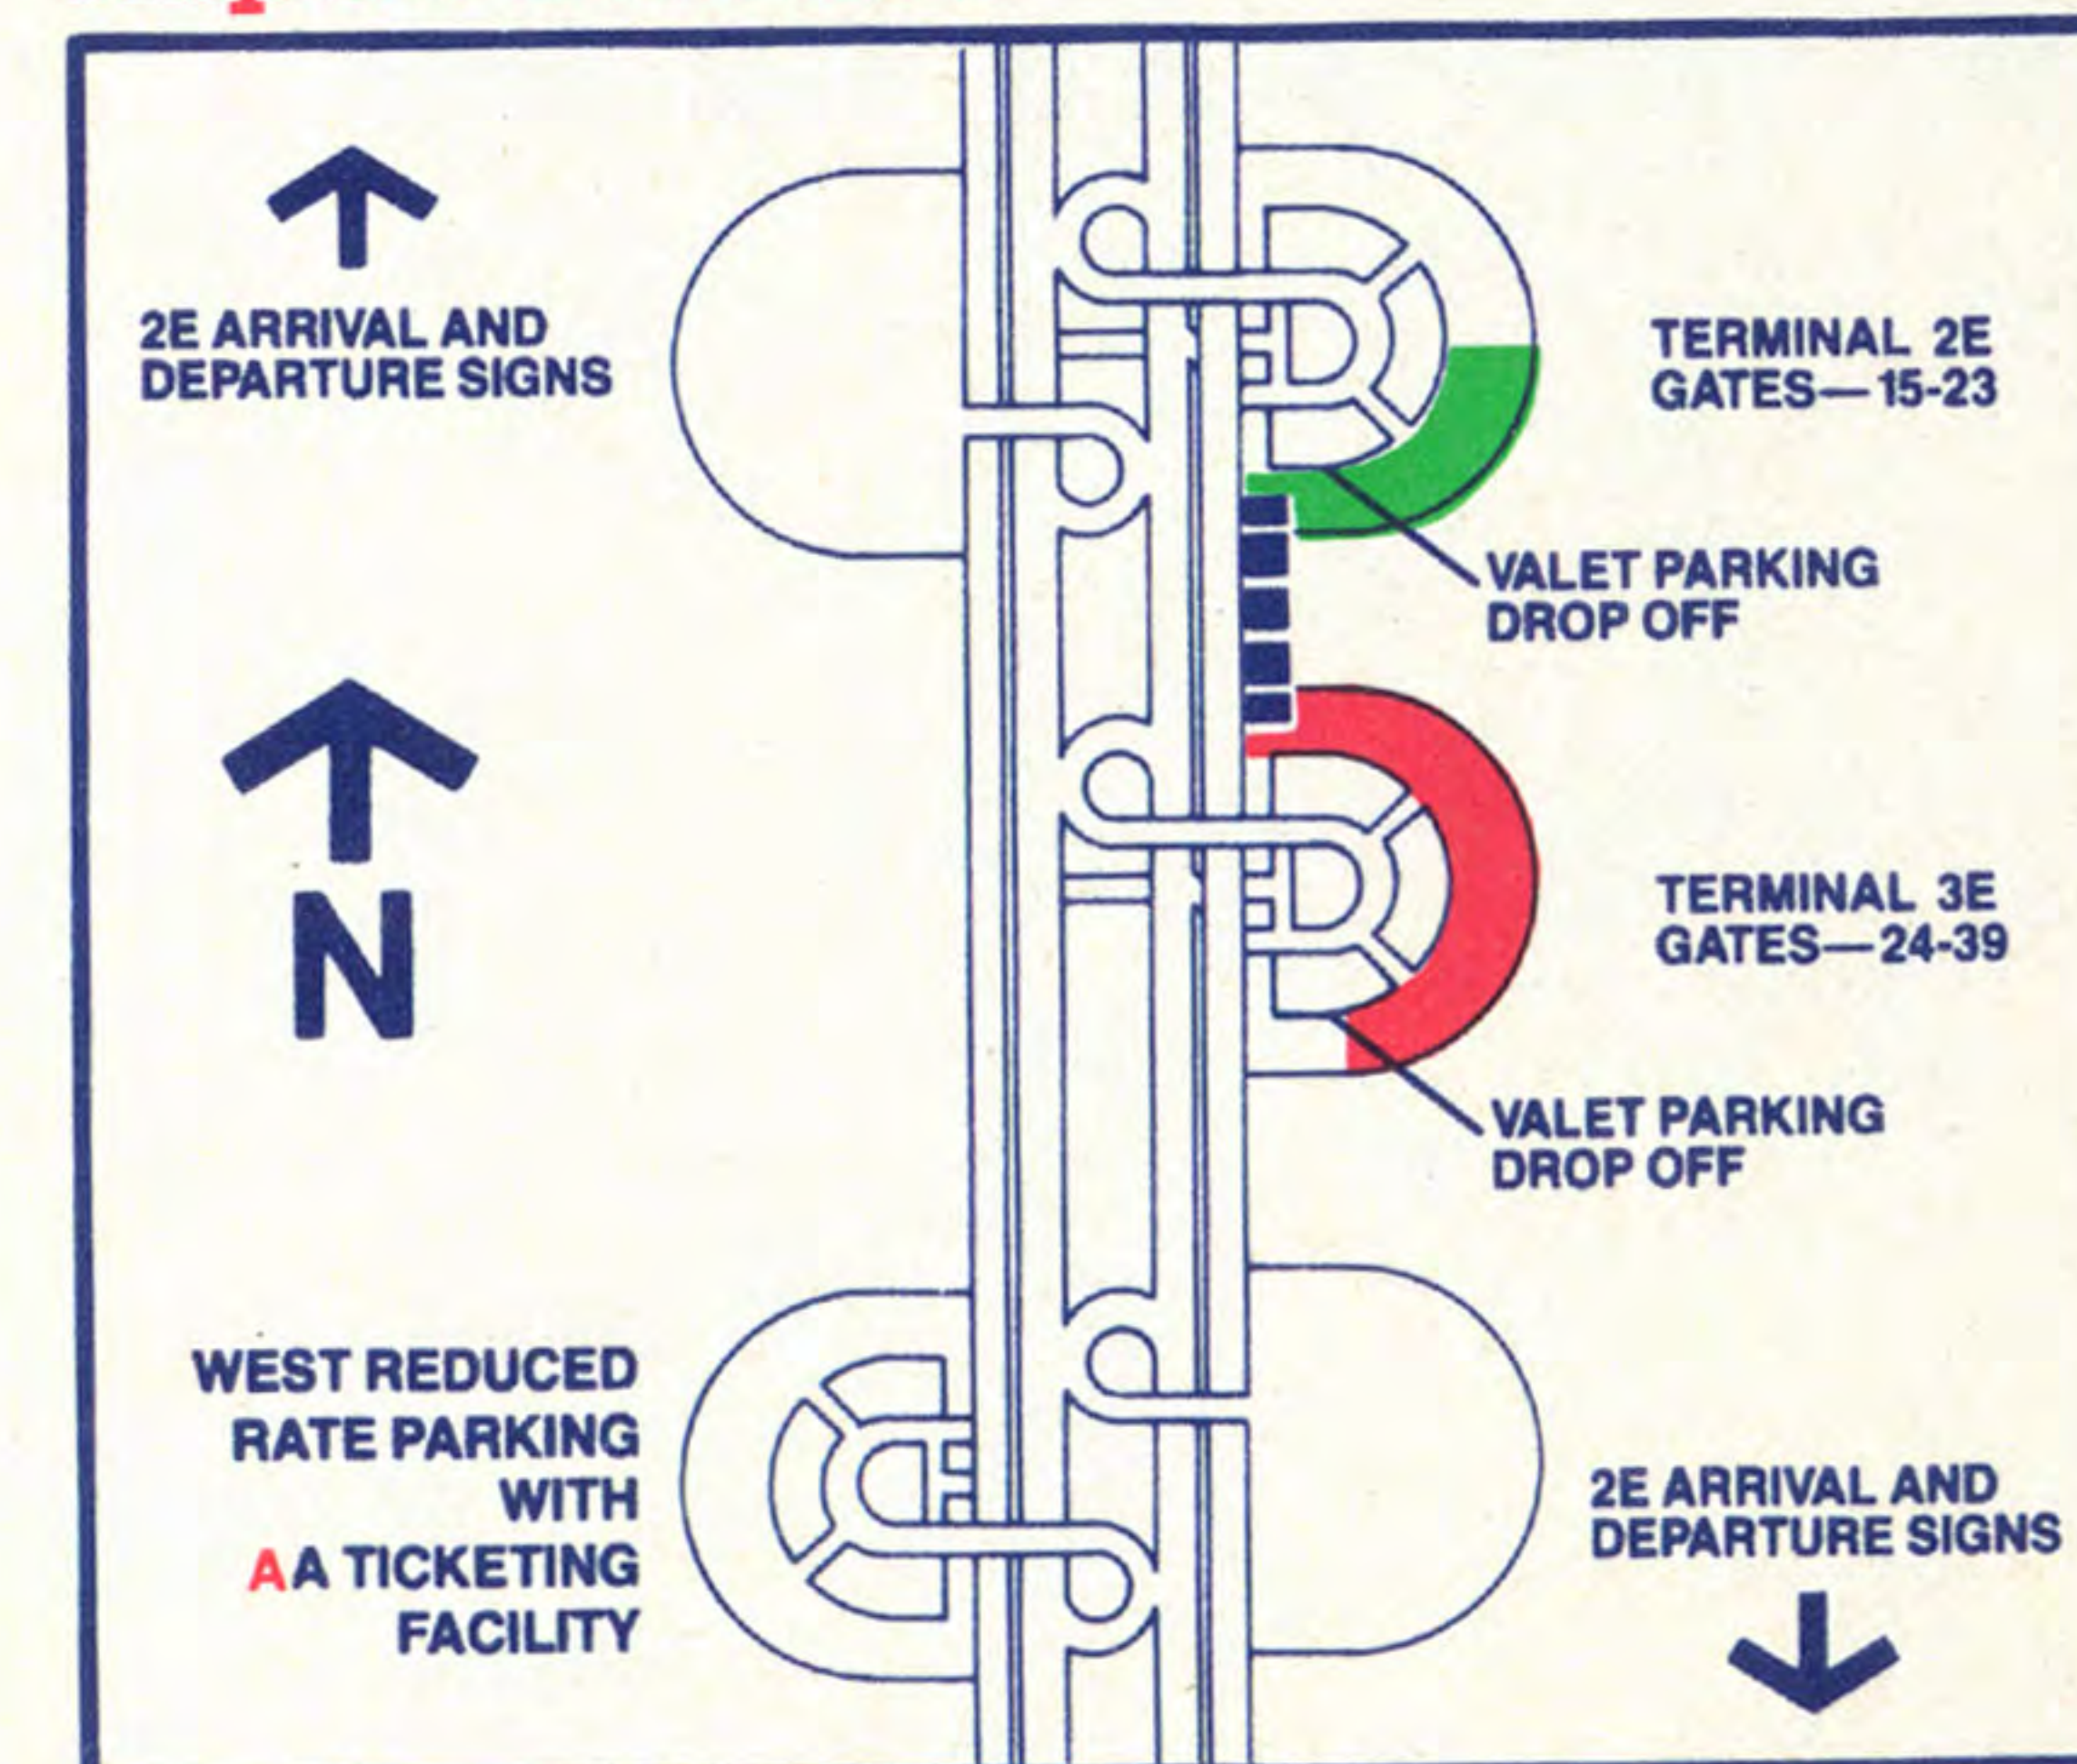

An added convenience at D/FW—new computer-operated signs at both the north and south entrances—inform motorists entering the airport at which terminal their American flight arrives or departs. Arrivals and departures for terminal 2E are displayed, with all other flights being served from terminal 3E.

Passenger parking has also been expanded at the west reduced rate area and at the close-in parking areas at terminals 2E and 3E. Another American exclusive at Dallas/Fort Worth—Valet Parking—costs only \$5 plus close-in parking fees. Or when your plans allow, you may wish to use the remote parking facility located near the south entrance to the airport. It's an alternative to close-in parking and is convenient to the American terminal buildings via Airtrans.

A reference map of American's D/FW facility appears on the overleaf. American... getting more people where they want to go, conveniently. Just one of the things we do best.

## Airport Overview

Chicago O'Hare Airport is American Airlines major hub in the Midwest. One hundred and fifty flights take off daily for U.S. mainland destinations as well as Mexico, Canada and Alaska. From American's convenient "H" and "K" gates, passengers can easily connect to more than 70 other cities including Dallas/Fort Worth, Houston, Las Vegas, Los Angeles, Honolulu, Phoenix, Mexico City, San Antonio, San Diego, San Francisco, Washington, D.C., Baltimore, Toronto, Canada and, of course, New York.

Since 1950 American Airlines has led the airline industry in its daily service from Chicago to the Big Apple. We now offer 19 roundtrips every business day including hourly service to La Guardia every hour on the hour from 7 a.m. to 8 p.m., plus an early bird departure at 6:15 a.m. American features eight widebodied 767s to La Guardia complementing our 727 fleet. No one has more service to La Guardia.

Throughout the "H" and "K" concourses, the ticket counter area and on the lower level, American has installed flight information video screens which enable passengers and visitors to verify flight arrival and departure times at a glance.

Video screens in the baggage service area on the lower level indicate at which area specific flights will have baggage unloaded. And racks of Smarte-Carts are conveniently placed to assist the passenger who may prefer to "roll his own" luggage. Sky Caps and courtesy wheelchairs are available upon request.

We've included a reference map of American's facility at O'Hare featuring our "H" and "K" concourses and arrival and departure locations.

American wants to make the start of your journey as easy as possible. From the moment you make your reservations to your arrival at the airport to boarding your flight, every part of our service is designed with you and your comfort in mind. At O'Hare Airport—the world's busiest airport—**American Airlines** offers its passengers complete and efficient service. Chicago—we're giving you our best.

At American, we do all we can to make sure that our passengers and their luggage arrive in the same place at the same time. To help us do still better, please follow these 12 luggage and packing tips:

**1. Use sturdy, lockable luggage.** Choose luggage that is strong and can be locked. We recommend use of combination locks. Arrange any necessary repair or replacement of older bags before your trip.

**2. Use external name tags.** We can return a misplaced bag faster if your name and address are on it. Any AA ticketing location or baggage service office will be glad to provide free tags. Be sure your name and address are inside each bag, too.

**3. Remove old destination tags.** To avoid possible confusion, take off the destination tags from your previous trips.

**4. Make lists of luggage contents.** List the contents of your bags and keep the list with you. You can help us identify a misdirected bag by giving us an accurate list of its contents.

**5. Avoid overpacking your bags.** Overpacking can damage your bags and their contents. Pack only what your luggage can comfortably hold. Be particularly careful with canvas or similar soft-sided bags.

**6. Treat fragile items with care.** Pack small breakable souvenirs in your carry-on bag. Have larger breakables carefully packed for shipment. Tighten the tops of liquid containers before packing them.

**7. Keep your valuables with you.** Do not check house or car keys, insulin or other medication, money, jewelry, legal documents, passports, tourist cards or other valuable or negotiable items.

**8. Follow carry-on luggage regulations.** Carry-on bags must fit under your seat. Maximum allowable size is 9 inches by 13 inches by 23 inches. While our airplanes have some space for larger bags and garment bags, it is quite limited. Check them if you can.

**9. Check in early for flights.** Check in at least 30 minutes before scheduled departure for domestic flights, an hour before on international trips. Remember to allow enough extra time for the lines that are always a part of air travel during the peak times of the year. Early check-in gives us time to get your luggage to your plane; a last-minute check-in means the bags may still be in the terminal when you are in the air.

**10. Monitor the luggage you check.** Wait at the curbside or ticket counter until our agent or Skycap has tagged your bags. Double-check to be sure the tag receipt shows the right destination. Keep the receipt in a secure, easily accessible location.

**11. Allow ample connecting time.** An airline cannot connect bags as quickly as it connects passengers. Follow the scheduling advice of your Travel Agent or AA reservations agent.

**12. Remember that bags look alike.** Do not rely on style or color when reclaiming your luggage. Match the number on the bag tag with your tag receipt and check your ID tag before leaving the claim area.
