**Note to American's AAdvantage® Members/Nota para los miembros del programa American AAdvantage®**

The mileage in the following flight itineraries reflects the **actual** one-way flight mileage between the indicated city pairs. When more than one airport is listed for one city (i.e. Newark, Kennedy and LaGuardia for New York) and the mileage differs, the mileage indicated on the schedule pages is to the first airport shown. This mileage may or may not exactly match the number of miles credited to an AAdvantage member's account for the same trip.

For example, the AAdvantage Program Minimum Mileage Guarantee ensures AAdvantage members earn at least 500 miles for every American Airlines and American Eagle flight taken when an eligible, published fare ticket has been purchased.

En la siguiente lista de itinerarios de vuelo, el millaje representa el recorrido de una sola vía entre las dos ciudades indicadas. Cuando hay más de un aeropuerto en una ciudad (como en Nueva York, que cuenta con los aeropuertos de Newark, Kennedy y LaGuardia) y sus millajes varían, el millaje que se indica en las páginas del itinerario refleja el millaje del primer aeropuerto de la lista. Este millaje puede o no concondar exactamente con el número de millas que se le acrediten a su cuenta como miembro del programa AAdvantage por dicho viaje.

Por ejemplo, el programa Garantía de Millaje Mínimo de AAdvantage asegura que sus miembros ganarán al menos 500 millas por cada vuelo realizado con American Airlines y American Eagle, al adquirir un pasaje de tarifa normal publicada que sea elegible para el programa.

AAdvantage is a registered trademark of American Airlines, Inc. American Airlines reserves the right to change AAdvantage program rules, regulations, travel awards and special offers without notice, and to end the AAdvantage program with six months notice.

American Airlines has many cooperative-service relationships (sometimes called codeshares) with selected airlines around the world. These airlines service many destinations worldwide that we do not serve ourselves. Through these relationships, American is able to offer service to even more destinations throughout the world.

Although your ticket will show American Airlines flight numbers, all or a portion of your journey may be on one of our cooperative partners. In these instances, our services and those of our cooperative-service partners have been fully integrated to offer you the convenience of coordinated connections, a single ticket, pre-reserved seats, advance boarding passes, and reliable baggage transfers.

Please refer to the AAdvantage Quick Reference Guide, starting on page 32, for applicable AAdvantage participant airlines, mileage credit, award information and telephone numbers.

This special section contains useful information so you can make the most of your AAdvantage membership. To make the most of the miles you fly, become an active AAdvantage member. If you're not already an AAdvantage member, you can enroll instantly at any American Airlines or American Eagle ticket counter, on-line at American's web site [www.aa.com](http://www.aa.com) or by calling us at **1-800-433-7300**. Participation in the AAdvantage program is subject to the terms and conditions contained in the current Member Guide, which is available upon request by calling **1-800-882-8880**.

### Your AAdvantage Number

Your personal AAdvantage number is a key element of your membership. Whenever you make reservations or use the services of one of our participants, give this number to the service agent. The agent will use the number to credit your AAdvantage account with the appropriate miles.

### Class-of-Service Bonus Miles

When you purchase a ticket and fly in Business Class or First Class, you'll earn bonus miles. Based on the class of service you purchased, you can earn a bonus of 25% of mileage flown in Business Class, and a bonus of 50% of mileage flown in First or Premium First Class.

### Minimum Flight Mileage Guarantees

You'll earn a minimum of 500 miles every time you purchase an eligible, published-fare ticket and fly on American Airlines or American Eagle. Many of our airline participants also offer minimum mileage guarantees.

The chart below shows the minimum guaranteed mileage offered by our participating airlines when you purchase and fly on eligible routes and fares.

*Every passenger is special to American and American Eagle. Here are just a few suggestions to make your trip more enjoyable.*

**Reservations**

Reservations and seat selections may be made up to 11 months before your flight. We'll even provide round-trip and connecting boarding passes up to 30 days prior to departure. If your plans should change, be sure to notify us as soon as possible so your seat may be offered to another passenger.

**Departures Within The United States**

For flight departures within the United States, we ask that you arrive at least 30 minutes before your flight's scheduled departure time.

- Go directly to your departure gate if you will not be checking luggage or have already checked it with a Skycap and are holding a ticket with a boarding pass or just need a boarding pass.
- If you do not have a ticket or need to check luggage go to the American Airlines ticket counter for assistance.

Your reservations as well as your seat assignment on your boarding pass will be held only until ten minutes before your scheduled departure.

**International Departures To/From Points Outside The United States**

We recommend a minimum of 2 hours advance check-in for international flights to allow plenty of time for check-in and security clearance. International travelers must have a valid passport, and some countries may require a visa. Contact American Airlines, your Travel Agent or the Consulate of the country you are visiting for up-to-date information on travel documents required for your destination.

Please note that you must also present yourself at the International Gate at least 30 minutes before scheduled departure time in order to assure retaining your seat assignment and preventing removal of your luggage for security reasons.

**American Eagle**

American Eagle, American's regional airline associate, serves cities large and small across the U.S., Canada, the Caribbean and The Bahamas with a modern fleet of turboprop aircraft. American Eagle offers many of the same services as American — like pre-reserved seating, advance boarding passes and mileage credit through the AAdvantage® travel awards program.

American Eagle flight numbers are 3000-5839 and are noted with .

See page 16-18 for legend and cooperative service information.

*Para nosotros en American Airlines y American Eagle todos nuestros pasajeros son especiales. A continuación le ofrecemos algunas sugerencias que harán que su viaje sea más agradable.*

**Reservas**

Las reservas y la elección de asientos pueden hacerse hasta con 11 meses de anticipación. Incluso puede recibir las tarjetas de embarque de todo su itinerario con American hasta 30 días antes de su partida. Si cambiara de planes, asegúrese de notificarlo a American Airlines lo antes posible, para que su asiento pueda ser ofrecido a otro pasajero.

**Salidas dentro de los Estados Unidos**

Para salidas de vuelos dentro de los Estados Unidos, le rogamos que se presente por lo menos 30 minutos antes de la hora de salida programada del vuelo.

- Si no facturará equipaje o si ya lo ha facturado con personal de American Airlines y tiene su pasaje con la tarjeta de embarque, o si tan sólo necesita la tarjeta de embarque, acuda directamente a la puerta de embarque.
- Si no tiene pasaje o necesita embarcar su equipaje, preséntese en el mostrador de American Airlines.

Tanto su reserva como el número de asiento que le ha sido asignado se mantendrán sólo hasta 10 minutos antes de la hora programada de salida.

**Salidas internacionales desde/hacia puntos fuera de los Estados Unidos**

Recomendamos que se presente en el mostrador de American Airlines 2 horas antes del vuelo, como mínimo, para realizar la facturación y el control de seguridad. Los pasajeros internacionales deben contar con un pasaporte válido, y para ciertos países pueden necesitar además una visa. Póngase en contacto con American Airlines, su agente de viajes o el consulado del país que visitará, para obtener información actualizada sobre los documentos de viaje necesarios. Por favor recuerde que también tiene que presentarse en la Puerta Internacional por lo menos con 30 minutos de antelación a la hora de salida programada, para asegurar la retención de su asiento asignado, y para evitar que se extraiga su equipaje del avión por motivos de seguridad.

**American Eagle**

American Eagle, la línea aérea regional asociada de American, presta servicio a grandes y pequeñas ciudades en todos los Estados Unidos, Canada, el Caribe y las Bahamas, con una moderna flota de aviones de turbo-hélice. American Eagle ofrece muchos de los mismos servicios de American — como por ejemplo, reserva de asientos, emisión por adelantado de tarjetas de embarque, y crédito por millaje de vuelo a través del programa AAdvantage®.

Los números de vuelo de American Eagle van del 3000 al 5839 y están marcados con . 41
