AMERICA WEST

HOW TO USE THIS DIRECT FLIGHT TIMETABLE

This is a direct flight schedule showing nonstop, 1-stop and 2-stop service. If you cannot locate a direct flight that meets your schedule, you can build a connection: select a flight from your origin city, to one of our connecting cities listed at the bottom of this page. Note the minimum connect time for that city to determine how much time to allow for connections. From there, choose a flight to your destination city.

Flights operate daily unless otherwise noted. Schedules are subject to change without notice. This direct flight timetable is designed to be a general guide for service available between the destinations shown. It is not an all-inclusive listing. Some flights may begin and/or end on various dates, or may operate only during certain periods and/or with varying frequencies. Schedules also may vary during holiday periods. Consult America West Reservations for confirmation. Flights operated by Continental Airlines/Continental Express and Big Sky Airlines are shown only for connections to America West/America West Express service at hubs and other connecting cities.

FLIGHTFUND MILES

FlightFund miles are listed beside each city name. Mileage is based on actual Department of Transportation origin/destination miles. A minimum of 500 FlightFund miles are earned for all segments on America West- and America West Express-operated flights. A segment is defined as a takeoff and a landing.

AMERICA WEST INFORMATION

Information contained in this publication is subject to change without notice. Please check with your professional travel agent or America West to verify information pertinent to your trip.

AIRCRAFT:

The America West fleet is composed of Boeing 757, 737; and Airbus 319 and 320 jets. America West Express service utilizes Canadair Regional Jets, Embraer RJ145, as well as Beechcraft 1900 and deHavilland DHC-8 turboprop equipment.

ALCOHOLIC BEVERAGES:

Federal Aviation Administration regulations provide that no persons may drink alcoholic beverages aboard an aircraft unless they have been served by the airline, and no such beverage may be served to any person who appears intoxicated. Passengers under 21 years of age will not be served alcoholic beverages.

BAGGAGE HINTS FOR YOUR CONVENIENCE:

Outside identification is required on all checked baggage. We also recommend inside identification. Always carry medicine, money, valuable documents, keys, jewelry, cameras, and other small fragile items, etc., in your hand luggage. Always lock your luggage. Fragile and perishable items will be accepted if appropriately packaged. Baggage which is accepted less than 20 minutes prior to departure will be considered late. Every effort will be made to ensure the baggage is on the flight, however, America West cannot guarantee it will make the scheduled flight.

FIREARMS IN CHECKED BAGGAGE:

Federal Regulations require that firearms in checked baggage must be declared when checking baggage. Firearms must be unloaded and packed in locked luggage or container manufactured specifically for shipment. Ammunition must be securely packed in manufacturer's original container or equivalent.

FREE BAGGAGE ALLOWANCE WITHIN THE USA ON AMERICA WEST AIRLINES ONLY: CARRY-ON BAGGAGE ALLOWANCE

A maximum of two bags may be carried onboard subject to space availability and government limitations. A briefcase is considered one of the allotted carry-on bags, as is a garment bag. All carry-on baggage must fit in the overhead compartment or under a seat and must be properly stowed prior to the cabin door being closed. The following items are exempt and are not included in the carry-on count:

The following items are exempt and are not included in the carry-on count:

- Standard Size Purse
- Crutches/Cane
- Infant's Bag
- Umbrella
- Snack Sack & other food items for inflight consumption
- Reading Materials
- Overcoat
- Prosthetic Devices

America West reserves the right to further limit carry-on items based on available storage space onboard the aircraft.

CHECKED BAGGAGE ALLOWANCE:

America West will accept three pieces of baggage free-of-charge for each ticketed passenger. Maximum weight per bag is 70 pounds. Checked bags cannot exceed 62". Charges apply to items which exceed the three piece free allowance or exceed the size and weight limitations. The excess charge is \$75 per item that exceeds the limits, size and weight restrictions. Passengers connecting to other airlines from America West will be assessed separate and additional excess baggage charges in accordance with that specific carrier's requirements.

RESTRICTED ARTICLES:

Items classified by the federal government as hazardous materials (i.e., explosives, flammable solids and liquids (matches and lighter fluid), oxidizing materials, corrosive materials, compressed gasses, poisons, etiologic agents, radioactive materials and irritating materials) cannot be carried in checked or carry-on baggage.

CAUTION: Many common items used in the home or workplace may seem harmless, however, when transported by air, they can be very dangerous. In flight, variations in temperature and pressure can cause items to leak, generate toxic fumes or even start a fire. If you are unsure whether the item you wish to pack in your luggage is hazardous, please contact America West.

However, if we cannot arrange alternate transportation for you, scheduled to arrive not later than two hours after your planned arrival, the compensation is doubled (USD \$400 maximum).

PORTABLE ELECTRONIC DEVICES:

America West Airlines prohibits inflight operation of electronic devices other than portable computers, portable voice recorders (cassette tape players), electronic calculators and games, compact disc (CD) players, and electric shavers; all of which may not be operated during taxi, takeoff, approach and landing or when directed by a crewmember. Other electronic devices (including AM/FM radio transmitters/transceivers (including CB), televisions, cellular telephones, remote control toys, and video cameras) may interfere with communication and navigation systems on the airplane and are therefore prohibited for use while the airplane is in motion.

CHANGE IN TRAVEL PLANS:

Customers are requested to cancel their reservations if there is a change in travel plans. Failure to do so may result in the cancellation of onward and/or return reservations which have previously been made.

RESPONSIBILITY:

America West will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable nor for errors herein, nor for failure to make connections with flights of other airlines or of this company, nor for cancellation beyond our control when such actions are deemed advisable.
