HOW TO USE THIS DIRECT FLIGHT TIMETABLE

This is a direct flight schedule showing nonstop, 1-stop and 2-stop service. If you cannot locate a direct flight that meets your schedule, you can build a connection: select a flight from your origin city, to one of our connecting cities listed at the bottom of this page. Note the minimum connect time for that city to determine how much time to allow for connections. From there, choose a flight to your destination city.

Flights operate daily unless otherwise noted. Schedules are subject to change without notice. This direct flight timetable is designed to be a general guide for service available between the destinations shown. It is not an all-inclusive listing. Some flights may begin and/or end on various dates, or may operate only during certain periods and/or with varying frequencies. Schedules also may vary during holiday periods. Consult America West Reservations for confirmation. Flights operated by Continental Airlines/Continental Express and Big Sky Airlines are shown only for connections to America West/America West Express service at hubs and other connecting cities.

FLIGHTFUND MILES

FlightFund miles are listed beside each city name. Mileage is based on actual Department of Transportation origin/destination miles. A minimum of 500 FlightFund miles are earned for all segments on America West- and America West Express-operated flights. A segment is defined as a takeoff and a landing.

PORTABLE ELECTRONIC DEVICES:
America West Airlines prohibits inflight operation of electronic devices other than portable computers, portable voice recorders (cassette tape players), electronic calculators and games, compact disc (CD) players, and electric shavers; all of which may not be operated during taxi, takeoff, approach and landing or when directed by a crewmember. Other electronic devices (including AM/FM radio transmitters/transceivers (including CB), televisions, cellular telephones, remote control toys, and video cameras) may interfere with communication and navigation systems on the airplane and are therefore prohibited for use while the airplane is in motion.

LOST TICKETS:
When a passenger loses his/her ticket, or a portion of his/her ticket, he/she will be required to purchase another ticket at the available fare. A lost ticket service charge will apply for handling a request for refund of a lost ticket or replacement ticket.

DOCUMENTATION, PASSPORTS AND VISAS:
All passengers who appear to be 18 years of age or older, must present valid photo identification. Boarding may be denied and ticket confiscated if passenger's identification does not match the name on the ticket. Passengers traveling on international routes shall be responsible for obtaining all necessary documents and for complying with the laws of each country (e.g., passports, visa, proof of citizenship). For more information contact a consulate or embassy, or your professional travel agent.
