## HOW TO USE THIS DIRECT FLIGHT TIMETABLE

This is a direct flight schedule showing nonstop, 1-stop and 2-stop service. If you cannot locate a direct flight that meets your schedule, you can build a connection: select a flight from your origin city, to one of our connecting cities listed at the bottom of this page. Note the minimum connect time for that city to determine how much time to allow for connections. From there, choose a flight to your destination city.

Flights operate daily unless otherwise noted. Schedules are subject to change without notice. This direct flight timetable is designed to be a general guide for service available between the destinations shown. It is not an all-inclusive listing. Some flights may begin and/or end on various dates, or may operate only during certain periods and/or with varying frequencies. Schedules also may vary during holiday periods. Consult America West Reservations for confirmation. Flights operated by Big Sky Airlines and inter-island flights operated by Hawaiian Airlines are shown only for connections to America West/America West Express service at hubs and other connecting cities.

### FLIGHTFUND MILES

FlightFund miles are listed beside each city name. Mileage is based on actual Department of Transportation origin/destination miles. A minimum of 500 FlightFund miles are earned for all segments on America West- and America West Express-operated flights. A segment is defined as a takeoff and a landing.
