Low Fare America West Airlines

Because every employee owns a part of it,
there's a total commitment to you.

Welcome aboard our airline, where the first thing we think you'll notice is noticeably better service. There's a reason for that. At America West Airlines, the pilots, the cabin crew, everyone whose business it is to serve you... actually owns a part of the business. We're stockholders. And the only way to make our investment grow is to make you grow fond of flying with us. That's why you'll find an assigned seat, luggage being "placed" instead of "tossed", food and beverages arriving with a little more care... and you arriving a lot more refreshed!
