## HOW TO USE THIS DIRECT FLIGHT SCHEDULE

This is a direct flight schedule showing nonstop, 1-stop and 2-stop service. If you cannot locate a direct flight that meets your schedule, you can build a connection: Select a flight from your origin city to one of our connecting cities listed at the bottom of this page. Note the minimum connect time at that city to determine how much time to allow for connections. From there, choose a flight to your destination city.

### FLIGHTFUND MILES

FlightFund miles are listed beside each city name. Mileage is based on actual Department of Transportation origin/destination miles. A minimum of 750 FlightFund miles is earned for all one-way trips on America West operated flights.

# AMERICA WEST INFORMATION

Information contained in this publication is subject to change without notice. Please check with your professional Travel Agent or America West to verify information pertinent to your trip.

## AIRCRAFT:

The America West fleet is composed of Boeing 757, 737 and Airbus A-320 jets. America West Express Service utilizes Fokker 70 jets, Embraer EMB-120 Brasilia turboprop and Beechcraft 1900 turboprop equipment.

## ALCOHOLIC BEVERAGES:

Federal Aviation Administration regulations provide that no persons may drink alcoholic beverages aboard an aircraft unless they have been served by the airline, and no such beverage may be served to any person who appears intoxicated. Passengers under 21 will not be served alcoholic beverages.

## BAGGAGE:

**Carry-On Baggage** — Two pieces of carry-on baggage, totaling no more than 45 inches (114 cm.) each in overall dimensions (H+L+W), may be stowed on board by each passenger. For flights operated by America West Express with turbo prop aircraft, only one piece of baggage is allowed with maximum dimensions of 12 x 16 x 16 inches, not to exceed 5 pounds. Passengers with excess carry-on items and those that cannot be properly stowed will be required to check them. Assistive devices such as canes, walkers and crutches will not count toward the limit on carry-on items. A briefcase is considered one of the allotted pieces, as are garment bags. America West reserves the right to further limit carry-on articles based on available storage space onboard the aircraft.

**Hints for your Convenience** — Outside identification is required on all checked baggage. We also recommend inside identification. Always carry medicine, money, valuable documents, keys, jewelry, cameras, and other small fragile items, etc., in your hand luggage. Always lock your luggage. Fragile and perishable items will be accepted if appropriately packaged. Baggage which is accepted less than 20 minutes prior to departure will be considered late. Every effort will be made to ensure the baggage is on the flight, however, America West cannot guarantee it will make the scheduled flight.

**Firearms in Checked Baggage** — Federal Regulations require that firearms in checked baggage must be declared when baggage is presented for check in. Firearms must be unloaded and packed in locked luggage or container manufactured specifically for shipment. Ammunition must be securely packed in manufacturer's original container or equivalent.

**Baggage Allowance (United States)** — For each ticketed passenger, America West may transport free of charge three bags not exceeding 62" (158 cm) for the first piece, 55" (140 cm) for the second piece, and 45" for the third piece respectively, in overall dimensions (H+L+W). A maximum weight of 70 pounds (32 kg.) per checked bag is permitted. For turbo prop aircraft flights operated by America West Express, 2 pieces of baggage are allowed free of charge with maximum dimensions of 62" and 55" respectively, not to exceed 66 pounds.

**Baggage Allowance (International)** — For each ticketed passenger, America West will carry free of charge: **FIRST CLASS** — Two bags not to exceed 62" (158 cm.) and one bag not to exceed 45" (114 cm.) in overall dimensions (H+L+W).

**ECONOMY CLASS** — Three bags not to exceed 62" (158 cm.) 55" (140 cm.) and 45" (114 cm.) each respectively in overall dimensions (H+L+W).

The following applies to both First and Economy Class:

- Check with carrier for baggage allowance for children/infants.
- Maximum weight—70 lbs. each for checked baggage

**Excess Baggage Charges** — An excess fee will be charged for each piece of baggage over the free allowance and for each piece of oversized or overweight baggage. Charges are assessed for each maximum exceeded. A charge may apply to special items such as bicycles, scuba gear, surfboards, etc. Passengers connecting to other domestic airlines from America West will be assessed separate and additional excess baggage charges in accordance with that specific carrier's requirements.

## NOTICE OF BAGGAGE LIABILITY LIMIT:

Liability of loss, delay or damage to baggage is limited as follows unless a higher value is declared in advance and additional charges are paid: (1) For most international travel (including domestic portions of international journeys) to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 for unchecked baggage. Unless otherwise stated on the passenger ticket and baggage check, a maximum weight of 70 pounds (32 kilos) will apply to each piece of baggage, and America West's liability is limited to \$640 per piece of checked baggage. (2) For travel wholly between U.S. points, to \$1,250 per passenger for checked baggage unless the contents of a single piece of checked baggage are owned and declared by two or more passengers, in which case the maximum liability for the baggage shall be \$1,250. (3) Maximum liability for assistive devices/mobility aids shall be \$2,500. Damage to or loss of baggage should be reported in person to America West immediately upon termination of your flight.

## EXCESS VALUATION:

Excess valuation may be declared on certain types of articles at the rate of \$1.00 per \$100.00 of added value desired. Excess valuation cannot be declared, nor will America West assume responsibility for certain items including: currency; jewelry; photographic, electronic or computer equipment; negotiable instruments; antiques; fragile or perishable items; medications or unchecked baggage. Excess valuation shall not exceed \$5,000, for domestic flights (inclusive of the standard baggage liability limit stated), and \$2,500 for international flights.

## RESTRICTED ARTICLES:

Items classified by the Federal government as hazardous materials (i.e., explosives, flammable solids and liquids (matches and lighter fluid), oxidizing materials, corrosive materials, compressed gasses, poisons, etiologic agents, radioactive materials and irritating materials) cannot be carried in checked or carry-on baggage.

Accompanied children — one child less than two (2) years old not occupying seat — free. Applies only to domestic travel, check with carrier for international fares and conditions. Children two to eleven (2-11) accompanied by an adult fare paying passenger will be charged the applicable children's fare.

Compensation may be paid if the flight for which you have a confirmed reservation is unable to accommodate you, due to an overbooking, and departs without you. Subject to the exceptions described in the tariff, passengers who are eligible for denied boarding compensation will be offered a travel credit or cash payment equal to the sum of the face value of their remaining flight coupons, with a USD \$200 maximum. However, if we cannot arrange alternate transportation for you, scheduled to arrive not later than two hours after your planned arrival, the compensation is doubled (USD \$400 maximum).

## DOCUMENTATION:

International destinations require specific documentation (i.e. passports, visa, proof of citizenship). Consult the Consulate Office of that country for specific country requirements.

## PORTABLE ELECTRONIC DEVICES:

America West Airlines prohibits inflight operation of electronic devices other than portable computers, portable voice recorders (cassette tape players), electronic calculators and games, compact disc (CD) players, and electric shavers; all of which may not be operated during taxi, takeoff, approach and landing or when directed by a crewmember. Other electronic devices (including AM/FM radio transmitters/transceivers (including CB), televisions, cellular telephones, remote control toys, and video cameras) may interfere with communication and navigation systems on the airplane and are therefore prohibited for use while the airplane is in motion.

## LOST TICKETS:

When a passenger loses his ticket, or a portion of his ticket, he will be required to purchase another ticket on the same itinerary at the available fare before transportation between the applicable points will be furnished. A lost ticket service charge will apply for handling a request for refund of a lost ticket or replacement ticket.

## PASSPORTS AND VISAS:

Passengers traveling on international routes shall be responsible for obtaining all necessary documents and for complying with the laws of each country. For more information contact a consulate or embassy, or your professional Travel Agent.
