YOUR VACATION

FROM WINTER!

Remember, the seasons are reversed in South America. It's spring, and summer's just around the corner. Why not head for a holiday in carefree Cuba; bag a big black marlin off Panama; visit old-world new-world Lima; or have the time of your life — go flying down to Rio, Montevideo or Buenos Aires! If you can get away in October, low tourist excursion fares are still available. For instance, round-trip air fare to Lima (from Miami) is only $300.00.

Our free guidebook, "South America at its best by Braniff," tells all about the world's most glamorous trip. Passports, languages, money, hotels, foods, cameras, where to go, what to do. It's yours for the asking. Write for your complimentary copy!

AIRLINES

Winter's thousands of miles away from famous Copacabana's sun-drenched beaches. Plan now to go flying down to Rio with the first cold spell!

you'll have a spectacular view of Rio

when you fly Braniff to

south america

What a breath-taking sight—that first glimpse of Corcovado. You pass Rio's lofty sentinel, crowned with the statue of Christ, and overlook the city's unmatched beauty from the skies. It's only one of the unforgettable moments in Braniff's Latin America. By then, you'll have seen the blue Caribbean sparkle below and that incredible engineering feat, the Panama Canal. The staggering snow-capped Andes, enormous Lake Titicaca high in the clouds and Brazil's vast Mato Grosso. And the cities you'll visit are glamorous—important business-wise, too, if you happen to be traveling with a briefcase.

Choose either of Braniff's friendly flights—El Conquistador, luxurious DC-6 sleeper, or do South America at remarkable savings via El Intercontinental, famous 4-engine tourist liner. For information and reservations, call your travel agent or any of Braniff's 139 offices throughout the Americas.
