AIRWAYS

FRIENDLY, RELIABLE SERVICE

YES, IT'S BRANIFF, the airline that's famous on two continents for gracious hospitality and fine service. From the first friendly "hello" to the last friendly "goodbye", you'll be glad you called Braniff!

take the family at **half fare**

Every Monday, Tuesday and Wednesday, Dad's regular fare ticket lets him take Mother and children (under 22) along at half fare. Or if Dad can't go, Mother can take the children at half fare when she buys a regular ticket. Same deal is good for the return trip, too — just so you start your trip anytime on Monday, Tuesday or Wednesday. This means you can start your travel as late as one minute before midnight Wednesday and continue traveling Thursday at family plan rates. Of course, children under twelve fly at half fare anytime and those under two years free. Why not combine business with pleasure and take the family next trip?

Getting you there happily, safely and ON TIME is our primary purpose in life. How are we doing? Let's look at the record.

Each month more than 100,000 Braniff passengers arrive at their destinations ON TIME—within 15 minutes of the time published in official schedules. That's close to 90% and one of the best reliability ratings in the entire airline industry.

Safety? Again, let's look at the record. Braniff has operated for 15 years with perfect safety . . . has flown three billion passengers miles without a single passenger or crew fatality . . . has received 20 national and international safety awards.
