Before Entering **MEXICO**..
Be Sure Your Funds Are Legal

It is illegal to enter Mexico with U. S. Currency except \$2 bills and silver. This is a war measure, with heavy penalties attached for violation, including seizure of such illegal funds.

Personal and travelers' checks are permitted. Port of Entry facilities may not provide for currency exchange or purchase of travelers' checks. Make sure you are not delayed at the border, possibly missing your flight, by providing yourself with legal currency or checks before you start your trip. It is also suggested that you have your local Mexican consul verify the necessary documents for entry into Mexico.
