AIR TRAVEL FACTS

For those who must travel, additional aircraft make an increased number of seats available via

BRANIFF AIRWAYS

If you are entitled to a war priority, get it and use it! Seats not occupied by priority passengers are available to others. By flying, you may make space available for important traffic on other transportation systems which have no army-controlled priorities.

WILL ROGERS

And you can't do business with someone you don't know and to whom you have no access!

Braniff Airways and its associated company, Aerovias Braniff, have devised a plan of domestic and international transportation which will implement the good neighbor policy by expediting with the speed of modern aircraft the interchange of commerce and culture throughout the Americas.

It will help you learn to know and like and profitably do business with others in this hemisphere whom only distance now makes strangers.

"Leaving" times of Braniff trips in this folder are times at which passenger loading forms close. "Arrival" times shown are times airplane arrives at unloading gate. Enplaning passengers should arrive at airport fifteen minutes before leaving times shown. Your co-operation will help us operate without delays.

The schedules of connecting airlines as shown herein are the latest available at the time of publication of this schedule folder and are subject to change without notice. For up-to-the-minute information may we suggest you call your BRANIFF AIRWAYS ticket office or travel agent.
