PLANES FLY *for* UNCLE  
SAM *and for* YOU . . . .

LEST YOU—Who have come to know the utility and dependability of air transportation—have been misled by reports which are not based on fact . . .

May we suggest that on questions concerning air transportation, your best, and practically your sole authentic source of accurate information is the airline itself.

*Don't Guess!*  
*Don't Assume!*

Don't take someone else's opinion of news affecting your use of air transportation—reach for a telephone and call your nearest airline office.

You will find that, even with the nation at war, this great transportation medium continues to be at your disposal—with schedules serving Uncle Sam and You.
