*"The Valley Level Route"*

# NEW ORLEANS

*Aerial Gateway to Latin America for entire  
MISSISSIPPI VALLEY*

For years Chicago and Southern has advocated a new air link between North and South America . . . a route which would serve the entire Mississippi Valley and cut days of precious shipping and traveling time between the two continents.

## C. & S. Dixieliners and PAN AMERICAN Clippers To Join Hands at NEW ORLEANS

Obviously, the war time advantages of linking C. & S. service with Pan American at New Orleans are enormous! It provides the increase in hemispheric solidarity air transport alone can give. In the immediate future—date to be announced soon—Dixieliners and Clippers will work together to get strategic material and war-vital personnel where they're needed in the shortest possible time—that's the way to hasten Victory. And, when Victory's won, opportunities for airborne commerce in and out of New Orleans are almost limitless.
