"LADIES TELL ME..."

*Temple Fielding*, "that the female's version of the **HARTMANN SKYMATE LUGGAGE SET** does a particularly good job of chasing the wrinkles..."

In his best seller, the "New Travel Guide", Temple Fielding wholeheartedly recommends Hartmann Skymate Luggage. And he should know. As foreign correspondent and world-traveler, he has covered thousands of miles with this stronger, lighter, more efficient luggage. In Fielding's own words, the Skymate Aerobe is "first and best for the air voyager." And from what the ladies tell him... the Skymate Mayfair is number-one for the air "voyagress".
