GENERAL INFORMATION

GENERAL OFFICES—Capital Airlines, Inc. General Offices are located at the Washington National Airport, Washington 1, D. C.

GENERAL—All services subject to rules and regulations contained in tariffs on file with the Civil Aeronautics Board, copies of which are open for public inspection in any Capital Airlines office.

CHECK-IN-TIME—Passengers are requested to be at the airport 20 minutes before scheduled departure time. To provide on-time departure Capital Airlines will enforce a five (5) minute check-in rule. Passengers will not be checked-in for a flight less than five minutes before departure.

RESERVATIONS—All space on Capital Airlines is reserved and passengers are urged to make reservations in advance. Reservations may be made by telephone but are tentative until ticket is purchased. Such tickets must be purchased within the time agreed upon, otherwise the space automatically becomes available for resale. Passengers holding return or continuing reservations—or reservations for travel to begin in another city—should VERIFY such reservations at the boarding point at least six hours prior to scheduled departure from the boarding point.

BAGGAGE—We recommend that your luggage be plainly marked with your name and home address. Should you lose your claim check, this will enable us to locate your property.

Liquids and all fragile articles such as cameras, portable radios, etc., are carried at the risk of the passenger and no claims will be considered for damage to or by such articles when they form part of the contents of checked baggage.

Forty pounds free baggage is allowed for each passenger. All baggage must be weighed including brief cases, hat boxes and cosmetic cases whether they are checked or carried aboard by the passenger. All passenger baggage is accepted subject to tariff limitations. The liability of the company for baggage whether checked or delivered to the custody of the company shall be limited to $100.00 unless higher value is declared and additional charges paid.

SCHEDULES—Capital Airlines will not be responsible for errors or omissions in schedules, inconvenience or damage resulting from delays to planes or failure to make a connection, and also reserves the right to vary from the times shown, without advance notice.

For explanation of symbols and reference marks see page 17
