RESERVATIONS — Because all seats are reserved passengers must make reservations in advance of flight time, preferably as early as possible. Reservations are tentative until tickets are purchased. Air reservations to any destination in the world may be made at your nearest Central Airlines ticket office or any authorized travel agency.

TICKET PICK-UP — When you make a reservation you will be asked to pick up a ticket covering your reservation by a specifically agreed time. If you change a reservation for which you have previously purchased a ticket, you will be asked to arrange for that ticket to be changed to show the new reservation by a specifically agreed time.

RECONFIRMATION — When you travel to another city and remain overnight or longer, "reconfirmation" is necessary. To reconfirm contact the airline on which you will leave from the stopover point and advise them of your firm intention to use the seat reserved for your continuing or return trip.

PLEASE DON'T NO-SHOW — If you hold a reservation and have purchased your ticket, but fail to use your seat, you will be considered a "no-show". If your plans change and you won't be using your reservation, please let the airline know immediately . . . make your seat available to someone else. One passenger's prompt cancellation may make a much-needed seat available for you, some day!

DEPARTURES — Passengers are requested to check-in at the Central Airlines airport ticket office at last 20 minutes before flight departure time. In the interest of on-time service to all passengers, persons may be refused passage if arriving less than 10 minutes before departure time when accommodating them may delay departure.
