### **Big "D"**

Known far and wide as Big "D," Dallas was founded in 1841 by John Neely Bryan who set up his trading post beside the Trinity River to sell supplies to the settlers. Today, Dallas is one of the Southwest's leading aviation, oil, financial and wholesale distribution centers. It is famous for its retail trade and fashion design, its manufacturing and industrial development, its cultural and entertainment activities, and for its magnificent skyline.

## SALUTES DALLAS

### Big "D"

Known far and wide as Big "D," Dallas was founded in 1841 by John Neely Bryan who set up his trading post beside the Trinity River to sell supplies to the settlers. Today, Dallas is one of the Southwest's leading aviation, oil, financial and wholesale distribution centers. It is famous for its retail trade and fashion design, its manufacturing and industrial development, its cultural and entertainment activities, and for its magnificent skyline.

### TABLE ONE

Ar—Arrive All times shown are local times. AM—Light Face Type.  
Lv—Leave DC-3 equipment on all flights. PM—Dark Face Type.

*CITIES PRINTED IN ITALICS ARE SHOWN TWICE IN ABOVE SCHEDULES.*

## RESERVATIONS and RE-CONFIRMATION

Because all seats are reserved passengers must make reservations in advance of flight time, preferably as early as possible. Reservations are tentative until tickets are purchased. Air reservations to any destination in the world may be made at your nearest Central Airlines ticket office or any authorized travel agency.

When you travel to another city and remain overnight or longer, "reconfirmation" is necessary. To reconfirm contact the airline on which you will leave from the stopover point and advise them of your firm intention to use the seat reserved for your continuing or return trip.

**TICKET PICK-UP and NO-SHOW**

When you make a reservation you will be asked to pick up a ticket covering your reservation by a specifically agreed time. If you change a reservation for which you have previously purchased a ticket, you will be asked to arrange for that ticket to be changed to show the new reservation by a specifically agreed time.

If you hold a reservation and have purchased your ticket, but fail to use your seat, you will be considered a "no-show". If your plans change and you won't be using your reservation, please let the airline know immediately . . . make your seat available to someone else. One passenger's prompt cancellation may make a much-needed seat available for you, some day!

## TIME TABLES, SCHEDULES, AND FARES

These tables show time at which planes may be expected to depart from and arrive at stations listed, but such times as stated are not guaranteed. The company will not be responsible for failure of aircraft to depart or arrive on schedule or make connections with other planes of this company or other transportation lines. The company reserves the right to change schedules and fares without notice to public. Official tariffs and regulations are on file and open for public inspection at any Central Airlines office.
