Sherman-Denison Area Service Reactivated

After an absence of several years, Central Airlines again serves this growing twin-city district. Airport and terminal improvements offer excellent facilities. Near the Lake Texoma area, Sherman is the home of Perrin Air Force Base, Austin College, Quaker Oats, Mrs. Tucker's Foods, and is the center of a growing cotton, grain and livestock market. Four flights daily land at Sherman Municipal Airport.

Improved Service for Duncan, Lawton to Dallas

Permission was received from the Civil Aeronautics Board to serve both Love Field at Dallas and Carter Field at Fort Worth on flights from Duncan, Lawton and other cities on the western portion of Central's system. This offers a greatly improved service to Dallas and more convenient connections for all concerned.

NEW SERVICE TO ST. LOUIS

The Queen City of the Mississippi becomes the 29th added to the growing Central Airlines system. Proud of her art museums, civic opera, river showboats and the famous Cardinals baseball team, St. Louis is also famed for beautiful gardens, colorful architecture, and bustling industry.

St. Louis began as an obscure trading post for furs in 1764, and became a gateway to the settlement of the West. Today she is truly a crossroads of the nation, humming with industry and growth. Four flights a day connect the Central Airlines system to St. Louis.

Direct Connections to Chicago, New York Washington and the East

SPECIAL LOW FAMILY FARES

These are now in effect on Tuesday, Wednesday and Thursday. You purchase a full-fare ticket for the regular one-way fare, and your spouse and/or children, age 12 through 21, fly at one-half the regular one-way fare. Children under 12 fly on half-fares any day, and a baby under 2 flies free when accompanied by a passenger paying full fare.

COMMUTER FARES

Plan your return within five days from date of departure, and take advantage of Central Airlines special fares. You will find a quick and easy reference to these commuter fares on this schedule, shown in red. You save 50% on the return portion.
